

Providence **LOST**

THE RISE & FALL *of*
CROMWELL'S PROTECTORATE

PAUL LAY

Providence Lost

Richard Dilworth

Providence Lost:

Providence Lost Paul Lay, 2020-01-09 A compelling and wry narrative of one of the most intellectually thrilling eras of British history Guardian SHORTLISTED FOR THE CUNDILL HISTORY PRIZE 2020 England 1651 Oliver Cromwell has defeated his royalist opponents in two civil wars executed the Stuart king Charles I laid waste to Ireland and crushed the late king's son and his Scottish allies He is master of Britain and Ireland But Parliament divided between moderates republicans and Puritans of uncompromisingly millenarian hue is faction ridden and disputatious By the end of 1653 Cromwell has become Lord Protector Seeking dragons for an elect Protestant nation to slay he launches an ambitious Western Design against Spain's empire in the New World When an amphibious assault on the Caribbean island of Hispaniola in 1655 proves a disaster a shaken Cromwell is convinced that God is punishing England for its sinfulness But the imposition of the rule of the Major Generals bureaucrats with a penchant for closing alehouses backfires spectacularly Sectarianism and fundamentalism run riot Radicals and royalists join together in conspiracy The only way out seems to be a return to a Parliament presided over by a king But will Cromwell accept the crown Paul Lay narrates in entertaining but always rigorous fashion the story of England's first and only experiment with republican government he brings the febrile world of Oliver Cromwell's Protectorate to life providing vivid portraits of the extraordinary individuals who inhabited it and capturing its dissonant cacophony of political and religious voices Reviews Briskly paced and elegantly written Providence Lost provides us with a first class ticket to this Cromwellian world of achievement paradox and contradiction Few guides take us so directly or so sympathetically into the imaginative worlds of that tumultuous decade John Adamson The Times Providence Lost is a learned lucid wry and compelling narrative of the 1650s as well as a sensitive portrayal of a man unravelled by providence Jessie Childs Guardian

Calvin and the Resignification of the World Michelle Chaplin Sanchez, 2019-03-21 Provides the first extended study of Calvin's 1559 *Institutio* in conversation with critical theorists of religion modernity sovereignty and political theology

The Neuro-Image Patricia Pisters, 2012-07-11 Arguing that today's viewers move through a character's brain instead of looking through his or her eyes or mental landscape this book approaches twenty first century globalized cinema through the concept of the neuro image Pisters explains why this concept has emerged now and she elaborates its threefold nature through research from three domains Deleuzian schizoanalytic philosophy digital networked screen culture and neuroscientific research These domains return in the book's tripartite structure Part One on the brain as neuroscreen suggests rich connections between film theory mental illness and cognitive neuroscience Part Two explores neuro images from a philosophical perspective paying close attention to their ontological epistemological and aesthetic dimensions Political and ethical aspects of the neuro image are discussed in Part Three Topics covered along the way include the omnipresence of surveillance the blurring of the false and the real and the affective powers of the neo baroque and the use of neuro images in politics historical memory and war

Providence Lost Genevieve Lloyd, 2008-11-15 This performance of the Giuseppe Verdi

opera *La Traviata* in the picturesque setting of the Sydney Harbour features vocalists such as Emma Matthews Gianluca Terranova and Jonathan Summers in the leading roles Cammila Collar Rovi

Big River Reservoir Water Resources Development, 1982

Thanks for Everything (Now Get Out) Joseph Margulies, 2021-10-19 When a distressed urban neighborhood gentrifies all the ratios change poor to rich Black and Brown to white unskilled to professional vulnerable to secure Vacant lots and toxic dumps become condos and parks Upscale restaurants open and pawn shops close But the low income residents who held on when the neighborhood was at its worst who worked so hard to make it better are gradually driven out For them the neighborhood hasn't been restored so much as destroyed Tracing the history of Olneyville a neighborhood in Providence Rhode Island that has traveled the long arc from urban decay to the cusp of gentrification Joseph Margulies asks the most important question facing cities today Can we restore distressed neighborhoods without setting the stage for their destruction Is failure the inevitable cost of success Based on years of interviews and on the ground observation Margulies argues that to save Olneyville and thousands of neighborhoods like it we need to empower low income residents by giving them ownership and control of neighborhood assets His model for a new form of neighborhood organization the neighborhood trust is already gaining traction nationwide and promises to give the poor what they have never had in this country the power to control their future

Insight Guides: New England Insight Guides, 2012-07-02

Cities in American Political History Richard Dilworth, 2011-09-13 Profiling the ten most populous cities in the United States during ten critical eras of political development *Cities in American Political History* presents a unique singular focus on American cities their government and politics industry commerce labor and race and ethnicity *Cities in American Political History* analyzes the role that large cities from New York to Chicago to San Jose have played in U S politics and policymaking Each entry is structured for straightforward comparison across issues and eras The city profiles include basic data and statistics for the era and are accompanied by maps of each era and the largest cities at that time

Service and Style Jan

Whitaker,2007-04-01 Downtown department stores were once the heart and soul of America s pulsing Broadways and Main Streets With names such as City of Paris Penn Traffic The Maze Maison Blanche or The Popular they suggested spheres far beyond mundane shopping Nicknames reflected the affection customers felt for their favorites whether Woodie s Wanny s Stek s O T s Herp s or Bam s The history of downtown department stores is as fascinating as their names and as diverse as their merchandise Their stories encompass many themes the rise of decorative design new career paths for women the growth of consumerism and the technological ingenuity of escalators and pneumatic tubes Just as the big stores made up their own small universes their stories are microcosmic narratives of American culture and society The big stores were much more than mere businesses They were local institutions where shoppers could listen to concerts see fashion shows and art exhibits learn golf or bridge pay electric bills and plan vacations all while their children played in the store s nursery under the eye of a uniformed nursemaid From Boston to San Diego and Miami to Seattle department stores symbolized a city s spirit wealth and progressiveness Situated at busy intersections they occupied the largest and finest downtown buildings and their massive corner clocks became popular meeting places Their locations became the epicenters of commerce the high point from which downtown property taxes were calculated Spanning the late 19th century well into the 20th their peak development mirrors the growth of cities and of industrial America when both were robust and flourishing The time may be gone when children accompany their mothers downtown for a day of shopping and lunch in the tea room when monogrammed trucks deliver purchases for free the very same day and when the personality of a city or town can be read in its big stores But they are far from forgotten and they still have power to influence how we shop today Service and Style recreates the days of downtown department stores in their prime from the 1890s through the 1960s Exploring in detail the wide range of merchandise they sold particularly style goods such as clothing and home furnishings it examines how they displayed promoted and sometimes produced goods It reveals how the stores grew why they declined and how they responded to and shaped the society around them *Monthly Nautical Magazine, and Quarterly Review* ,1855
