Lawlor,2017-03-17 Self defense as a legal concept is easy to describe but difficult to apply Generally a person who is without fault may use reasonable force or defensive force for the purpose of defending one s own life or the lives of others including in certain circumstances the use of deadly force provided there is no reasonable alternative to avoid it When someone begins to parse the words of this description however he or she runs immediately into a maze of self defense laws that appear to be at odds with each other Bruce Lawlor clears up the confusion by identifying the major issues that surface in most self defense cases and by describing how the law has dealt with them historically Its purpose is not to provide legal advice but to illuminate the path that must be taken to decide whether a claim of self defense is valid It examines a variety of issues including the duty to retreat and stand your ground laws what is a deadly threat when is fear of mortal danger reasonable and even what happens when a person mistakenly shoots some in self defense When Deadly Force Is Involved A Look at the Legal Side of Stand Your Ground Duty to Retreat and Other Questions of Self Defense brings a bit of order to the confusion behind self defense **American Book Publishing Record** ,2005 God's Kingdom on Earth Charles Anderson Godby, Jr.,2005-10-11 This book provides a roadmap within which one may find a deeper understanding of God s grand plan for mankind It describes His creation schemes and the majesty of man reflecting on his direction history and responsibilities It defines in an understanding way the selection and plan for the family God chose to represent Him here on earth delineating their sojourn history their development accomplishments perils downfall and resurection to current day status It describes the chosen family s decision process within which their sinful ways and activities led to varying degrees of punishment But yet it gives them renewed hope for achieving God s plan for mankind through the reiterating process of God s word It gives a description of the Holy land its boundaries and tribal allocations describing what it was in Joshua s time and what it is yet to be Delineating that parcel of land which is yet to be totally set aside and allocated for the sole purpose and use by The Lord God in support of the holy city of Jerusalem The Lord Is There and Holy Temple where He will reign here on earth for 1 000 years It speaks of the first resurrection and the second coming of The Lord Jesus Christ His reign on earth the second resurrection after the 1 000 year reign of The Lord and final judgment of mankind by Him A Chronology of events relating to Israel s wellbeing is provided and a Time Table delineating dates of specific events is also attached It is with prayer and hope that all readers will find this book of special value educational and of profound benifit for all **Current Issues in Law and Religion** Silvio Ferrari,2017-07-05 This volume focuses on issues that have only recently come to the forefront of the discipline such as freedom from religion ordination of homosexuals apostasy security and fundamentalism issues that are linked to the common themes of secularism and globalization Although these subjects are not new to the academic debate they have become prominent in law and religion circles as a result of recent and rapid changes in society The essays in this volume present multiple points of view facilitate scholars in understanding this evolving discipline and act as a stimulus for further research This collection gives the reader a sense of the key topics and current debates in law and religion and is of
