Bakley, 2015-04-21 The Philadelphia Experiment was Einsteins experiment in which he had not only discovered in 1943 the way to make things invisible and transport them at great speeds but also positively proven scientifically physically and spiritually that God Almighty exists He had literally discovered God That question Is there a God thats been going through peoples minds for so long discussed on the street corner talked about on the porch on a hot summers night is now a proven fact The Psalms Come Alive J. H. Eaton, 1984 **Psalms** Geoffrey W. Grogan, 2008-04-22 Geoffrey Grogan here tackles the growing field of Psalms research and presents an accessible theological treatment of the Psalter He begins by surveying and evaluating the main scholarly approaches to Psalms and then provides exegesis of all the psalms emphasizing their distinctive messages Grogan follows with a full discussion of the Psalter s theological themes highlighting the implications of its fivefold arrangement He considers the massive contribution of the Psalter to biblical theology including the way the psalms were used and interpreted by Jesus and the New Testament writers The volume closes with an analysis of the contemporary relevance of the Psalms and a step by step guide to preparing a Psalms sermon based on Psalm 8 Meditating on the Psalms John Eaton, 2004-01-01 Spiritual insights into fifty two of the best loved psalms are influenced by the author s pastoral concerns and his commitment to the environment to enable readers to understand their importance and significance as a source of meditation for daily living Original *Psalms Volume 1* Gerald H. Wilson, 2014-11-04 The NIV Application Commentary helps you communicate and apply biblical text effectively in today s context To bring the ancient messages of the Bible into today s world each passage is treated in three sections Original Meaning Concise exegesis to help readers understand the original meaning of the biblical text in its historical literary and cultural context Bridging Contexts A bridge between the world of the Bible and the world of today built by discerning what is timeless in the timely pages of the Bible Contemporary Significance This section identifies comparable situations to those faced in the Bible and explores relevant application of the biblical messages The author alerts the readers of problems they may encounter when seeking to apply the passage and helps them think through the issues involved This unique award winning commentary is the ideal resource for today s preachers teachers and serious students of the Bible giving them the tools ideas and insights they need to communicate God s Word with the same powerful impact it had when it was first written **Exploring Psalms** John Phillips, 2001-10 John Phillips writes with enthusiasm and clarity cutting through the confusion and heretical dangers associated with Bible interpretation Moody Magazine **Psalms** Geoffrey Grogan, 2008-04-22 Geoffrey Grogan evaluates the different scholarly approaches to Psalms and analyses their contemporary relevance He provides an exegesis of each psalm and incorporates a full survey of Psalter s
