Psalms Iii 101 15:

Jewish and Christian Approaches to the Psalms Susan Gillingham, 2013-02-07 The Psalms have resulted in controversies between Jews and Christians over the centuries and it is only from the mid twentieth century onwards that the two traditions have worked side by side in the academy at least This is one of the very few volumes on the psalms to incorporate scholarship from both these traditions for nearly a century and the result is a rich celebration of these extraordinary ancient songs This innovative essay collection draws together internationally renowned Jewish and Christian scholars of the Psalms with one tradition responding to the other in areas as diverse as Qumran studies Medieval Jewish interpretation Reception History Liturgical Psalters and Chagall's Church Windows and more recent Literary Studies of the Psalter as a Book The range of topics chosen will be of interest not only to those specializing in the Psalms but also to others interested more generally in biblical studies Several musical and artistic representations of selected psalms are also included and the book includes a colour plate section which illustrates several of the chapters **Psalms for Preaching and Worship** Roger E. Van Harn, Brent A. Strawn, 2009-04-10 Psalms for Preaching and Worship a key addition to the critically acclaimed three volume Lectionary Commentary Despite the rich resources available for studying the Psalms few are as focused on their place in worship and preaching as is this volume The responsorial Psalms of the Revised Common Lectionary are here taken up in careful and often illuminating interpretation with attention also to their interaction with other lectionary texts The many ways that psalms can function meaningfully in the liturgical life of congregations are explored especially in John Witvliet's concluding section I know of no work that combines practice and substance better than this lectionary commentary Patrick D Miller Princeton Theological Seminary A fascinating book well organized well written and edited thorough and informative An excellent resource not only for preachers using the Revised Common Lectionary but also for those wishing to preach a series of sermons on the Psalms In addition worship leaders and worship committees will appreciate the many excellent ideas for using the Psalms in worship Highly recommended Sidney Greidanus author of Preaching Christ from the Old Testament and Preaching Christ from Genesis Here is something even better than a simple completion of The Lectionary Commentary which would be cause enough for gratitude Serious attention paid to this one book could go a long way toward remedying the scandalous neglect of the treasure of the Psalms in too much contemporary worship Marguerite Shuster Fuller Theological Seminary Contributors Nancy R Bowen William P Brown Walter Brueggemann Richard J Clifford Nancy L deClaiss Walford Jennifer S Green Karl N Jacobson Rolf A Jacobson Melody D Knowles Eunny P Lee Joel M LeMon James Limburg J Clinton McCann James K Mead Carol A Miles Luke A Powery Stephen Breck Reid Sandra L Richter Cynthia L Rigby Kathryn L Roberts Brent A Strawn Beth LaNeel Tanner Roger E Van Harn Raymond C Van Leeuwen J Ross Wagner Gerald H Wilson John Witvliet Christine Roy Yoder **Journal of Biblical and Theological Studies, Issue 4.1** Daniel S. Diffey, Ryan A. Brandt, Justin McLendon, 2019-06-06 The Journal of Biblical and Theological Studies JBTS is an academic

journal focused on the fields of Bible and Theology from an inter denominational point of view The journal is comprised of an editorial board of scholars that represent several academic institutions throughout the world JBTS is concerned with presenting high level original scholarship in an approachable way Academic journals are often written by scholars for other scholars They are technical in nature assuming a robust knowledge of the field There are fewer journals that seek to introduce biblical and theological scholarship that is also accessible to students JBTS seeks to provide high level scholarship and research to both scholars and students which results in original scholarship that is readable and accessible As an inter denominational journal JBTS is broadly evangelical We accept contributions in all theological disciplines from any evangelical perspective In particular we encourage articles and book reviews within the fields of Old Testament New Testament Biblical Theology Church History Systematic Theology Practical Theology Philosophical Theology Philosophy and Ethics

Introductory Hebrew Grammar: Hebrew Syntax Andrew Bruce Davidson,1894

Weathering the Psalms Steve A. Wiggins,2014-12-03 The weather is all around us all the time From ancient times people have attributed the weather to the work of the gods Ancient Israel shared this perception The book of Psalms reflects theologically significant views on the weather that have not until now been fully explored In this meteorological survey of the Psalms whimsically called meteorotheology every reference to the weather is translated in accordance with the known climate and weather of ancient Israel Each verse is discussed with particular attention to the function of the weather in the hymnal of ancient Israel This book will be a resource for translators clergy and scholars with an interest in how the weather impacted religious outlooks in ancient Israel Readers will learn that some expected associations such as thunder and lightning did not influence Israelite views on the natural world in the same way that they do today Yahweh was God of the weather and the Psalms frequently use this paradigm as a reason for both praise and fear of the Lord

The Storied Ethics of the Thanksgiving Psalms Joshua T. James,2017-08-10 Drawing on research from the field of narrative ethics The Storied Ethics of the Thanksgiving Psalms argues that story and storytelling function as important

instruments in a given community's ethical shaping. While this argument has gained some traction in the field of Old Testament ethics, it has yet to inform an ethical reading of non-narrative texts such as the Psalter. However, because the thanksgiving psalms are characterized by their inclusion of the worshipper's story, they stand to benefit from the application of a narrative ethical approach. In the present study, this argument is tested through a close reading of three thanksgivings: Psalms 116, 118, and 138, each of which clearly demonstrates a didactic concern. Yahweh is presented as one who is worthy of trust even in the midst of personal disaster. The affirmation of Yahweh's character provides the framework for the community's continued or renewed commitment and trust, hope, and expectancy. The example provided by the worshipper challenges the audience to pray as they prayed, to trust as they trust, to live with hope as they live with hope. In addition, these psalms and the stories they retell invite the audience to tell their story when God answers their prayers and to do so in public in corporate worship for the benefit of the community. These intended results—prayer, commitment, trust, hope, expectancy, public storytelling, and thanksgiving—are not typically pursued in ethical studies but they are clearly part of the Psalter's comprehensive vision of the ethical life and are therefore worthy of careful consideration.
