Ballantine, Keith A. Roberts, Kathleen Odell Korgen, 2018-11-29 Our Social World Introduction to Sociology inspires students to develop their sociological imaginations to see the world and personal events from a new perspective and to confront sociological issues on a day to day basis Organized around the Social World model a conceptual framework that demonstrates the relationships among individuals the micro level organizations institutions and subcultures the meso level and societies and global structures the macro level Jeanne H Ballantine Keith A Roberts and Kathleen Odell Korgen use this framework to help students develop the practice of using three levels of analysis and to view sociology as an integrated whole rather than a set of discrete subjects The Seventh Edition includes new coverage of climate change the influence of robots and artificial intelligence on workers race relations in the Trump era issues related to transgender identity and gender fluidity sexual harassment in the workplace and the MeToo movement declining marriage rates the impact of tracking for students at all academic achievement levels smoking as an example of health and inequality in the US gun violence and the student movement to control access to guns social media and Russian interference in the 2016 election **If Your Heart Is Like My Heart** Shane Stanford, Rev. Scott Morris, 2017-01-10 Awaken the imagination to what is possible when people of faith respond to God's call We've forgotten that the key to being healthy is realizing we're not on the path alone When we're not well it affects the entire system in which we live and work and play When we grasp our shared humanity rather than resisting it the mirror becomes less dim and we begin to cast light on questions of health and healthcare Wholeness and wellness are necessities for the kind of world we want to create a world that regards individuals with worth and dignity because God regards them that way Bound up in our shared humanity is our shared pilgrimage of health and faith In community both in body and spirit we journey together toward the heart of God **The Interpreter's Bible: Psalms. Proverbs** George Arthur Buttrick, 1951 **York Plays** Lucy Toulmin Smith, 1885 *Read the Bible for Life* George H. Guthrie, 2011-01-01 The Bible may be the most purchased book in the world but it is often the least read and least applied due to a basic lack of understanding and motivation on the part of readers Read the Bible for Life aims to improve biblical literacy in the culture and the church by simultaneously moving readers toward greater skill in reading the Bible well and toward a deeper commitment to applying Scripture to everyday life Through a series of down to earth conversations with some of today's brightest scholars author George Guthrie discusses the

basic tools and attitudes needed to read the Bible more effectively Chapters focus on the various types of literature in Scripture and how to read them well For instance how should we read a psalm differently than we read a parable How should we read a story of the Old Testament differently than we read a letter from Paul How can we engage these various parts of Scripture in a way that is truly life changing The book also discusses issues such as reading the Bible in context choosing and reading a Bible translation reading in times of sorrow or suffering and reading the Bible with your family As we better understand how to read the Bible skillfully we begin to see how every person of the Bible every psalm and every teaching fits into the Bible s powerful overarching story and we begin to realize our place in the story God is still writing in the world

Endorsements In the church s dry desert of biblical illiteracy this book is a drink of cold refreshing water With pastoral sensitivity and practical skill George Guthrie is equipping us to know understand and apply the treasures of God s Word in a way that will transform our lives and our communities for the glory of our God I wholeheartedly recommend Read the Bible For Life for every Christian and every leader in the church David Platt New York Times best selling author of Radical In a culture where biblical illiteracy continues to spread like the proverbial plague George Guthrie has introduced a healing medicine in the form of Read the Bible for Life This overview of the Bible s nature and content will be welcomed in churches intent on developing biblically grounded followers of Christ The book s conversational approach provides an easy entry for a generation that tends to read only headlines With fresh insights for the long time student of God s Word and accessible material for the new student it is a resource I recommend for all believers Ed Stetzer coauthor Transformational Church The genuine give and take of conversation is key to the Christian community s deeper grasp of the Scriptures Read the Bible for Life is a celebration of biblical conversation between friends who really love the Word Hopefully lots of people will join in
