Jewish and Christian Approaches to the Psalms Susan

Gillingham,2013-02-07 The Psalms have resulted in controversies between Jews and Christians over the centuries and it is only from the mid twentieth century onwards that the two traditions have worked side by side in the academy at least This is one of the very few volumes on the psalms to incorporate scholarship from both these traditions for nearly a century and the result is a rich celebration of these extraordinary ancient songs This innovative essay collection draws together internationally renowned Jewish and Christian scholars of the Psalms with one tradition responding to the other in areas as diverse as Qumran studies Medieval Jewish interpretation Reception History Liturgical Psalters and Chagall s Church Windows and more recent Literary Studies of the Psalter as a Book The range of topics chosen will be of interest not only to those specializing in the Psalms but also to others interested more generally in biblical studies Several musical and artistic representations of selected psalms are also included and the book includes a colour plate section which illustrates several of the chapters Psalms 1-72 (tyndale Old Testament Commentaries). Hoffmeier,Dennis R. Magary,2012-02-29 Is historical accuracy an indispensable part of the Bible s storyline or is Scripture only concerned with theological truths As progressive evangelicals threaten to reduce the Bible s jurisdiction by undermining its historical claims every Christian who cares about the integrity of Scripture must be prepared to answer this question Do Historical Matters Matter to Faith offers a firm defense of Scripture s legitimacy and the theological implications of modern and postmodern approaches that teach otherwise In this timely and timeless collection of essays scholars from diverse areas of expertise lend strong arguments in support of the doctrine of inerrancy Contributors explore how the specific challenges of history authenticity and authority are answered in the text of the Old and New Testaments as well as how the Bible is corroborated by philosophy and archaeology With contributions from respected scholars including Allan Millard Craig Blomberg Graham Cole Michael Haykin Robert Yarbrough and Darrell Bock Do Historical Matters Matter to Faith arms Christians with fresh insight arguments and language with which to defend Scripture s historical accuracy against a culture and academy skeptical of those claims **The Psalms (4 Volume Set)** Christopher Ash,2024-07-09 Stand Alone Commentary Set from Christopher Ash Sets Out a Deeply Christian Study of the Psalms While reading Psalms it is common for commentaries to focus on Old Testament meaning without connecting it deeply to Christ s fulfillment in the New Testament By studying Scripture this way believers miss out on the fullness of God s word The key to experiencing authentically Christian worship is learning a Christ focused approach to praying and singing the Psalms In this comprehensive 4 volume commentary Christopher Ash provides a thorough treatment of all 150 Psalms examining each psalm s significance to David and the other psalmists to Jesus during his earthly ministry and to the church of Christ in every

age The first volume in the set is a detailed handbook that explains how to interpret the Psalms with Christ at the center The remaining 3 volumes cover each psalm in depth with introductory quotations a deep analysis of the text s structure and vocabulary and a closing reflection and response Ash also includes selected quotations from older readings of the Psalms including patristic medieval Reformation and post Reformation scholars Perfect for pastors Bible teachers and students this commentary set helps readers sing and pray the Psalms with Christ in view Stand Alone Commentary Christopher Ash s research also builds on other commentaries for a comprehensive thorough resource on the Psalms Exhaustive Ash s exegesis includes all 150 Psalms and their superscriptions and explores how the Psalms are quoted and echoed throughout the New Testament Applicable and Heartfelt Explains how a Christ centered approach to reading the Psalms influences doctrines of prayer prophecy the Trinity ecclesiology and more Ideal for Pastors and Serious Students of Scripture Written for Bible teachers Sunday school and youth leaders and small group leaders

Tackling Trauma Paul A. Barker, 2019-03-14 Trauma is a universal phenomenon that can be caused by international catastrophes or individual personal tragedy Trauma is also a severely neglected topic in Christian literature and while it can challenge someone s faith in Christ God and the ministry of his Word is central to dealing with the emotional and psychological impact of trauma By his Spirit through his Word and through his church God is available to minister to people suffering from trauma and bring transformation to their lives In this book a team of experienced and informed Christian professionals from around the world promote a deep biblical response to trauma through clinical and theological wisdom and their first hand experience of witnessing and experiencing trauma The contributions provide practical responses to people s trauma rather than mere descriptions of the problems making it an ideal resource for pastors counsellors humanitarian workers and students
