Tackling Trauma Paul A. Barker, 2019-03-14 Trauma is a universal phenomenon that can be caused by international catastrophes or individual personal tragedy Trauma is also a severely neglected topic in Christian literature and while it can challenge someone's faith in Christ God and the ministry of his Word is central to dealing with the emotional and psychological impact of trauma By his Spirit through his Word and through his church God is available to minister to people suffering from trauma and bring transformation to their lives In this book a team of experienced and informed

Christian professionals from around the world promote a deep biblical response to trauma through clinical and theological wisdom and their first hand experience of witnessing and experiencing trauma The contributions provide practical responses to people s trauma rather than mere descriptions of the problems making it an ideal resource for pastors counsellors humanitarian workers and students

The Land Cries Out Salim J. Munayer, Lisa Loden, 2011-10-21 Our theology does not exist in a vacuum but must relate to the world we inhabit and must influence our moral and ethical actions This is especially true when discussing theology of the land in the context of a violent territorial conflict The Holy Land has seen so much bloodshed that the earth itself is crying out to God The chapters presented in this book form a unique collection of voices speaking from different perspectives on the issue of the theology of the land These voices include Messianic Jewish and Palestinian Christian theologians and scholars who live in the Holy Land as well as others from around the world The various chapters reflect a wide spectrum of opinion and reveal how much disagreement still exists among followers of Christ However the dialogue generated by having these opposing voices side by side speaking to each other rather than past each other is encouraging This book is both challenging and inspirational and contributes in an innovative way to this important discussion

A Year in the Psalms Brenton Cox, 2015-10-20 If you're a Christian who has read the Bible over the course of a year congratulations But what do you do next if you seek a more in depth understanding of Scripture The next logical step is to go back to the Bible this time at a slower pace and study key sections of God s word in greater depth Author Brenton Cox invites you to spend a year with him studying one of the greatest books of the Bible Psalms A Year in the Psalms is a daily devotional book designed to share the message of the psalms over the course of a year delivered one psalm per week It is an exploration of life lessons that will show you how to have a fresh start in life how to better listen to God and how with Gods help to overcome your fears

Forgotten Songs Ray Van Neste, C. Richard Wells, 2012-10-01 Many in the church have forgotten the Psalms They may still be read but the rich history of using them as the backbone of Christian worship from the earliest days of the church until the 19th century is unknown For some the thought of praying or singing the Psalms alone or with others is entirely foreign In this we are out of step with our forebears in the faith we are an oddity in the history of the church and duly suffer for it Drawn by the rich spiritual depth produced in so many who have invested themselves in the Psalms *Forgotten Songs* seeks to reclaim the content in various areas of worship This book first examines biblical and historical foundations for the use of the Psalms in worship The Old Testament and New Testament are revisited noting the nature and purpose of the Psalms and how they were used Examples of the Psalms being employed by the Church Fathers and throughout the Reformation are also explored The second section of the book examines specific ways of using the Psalms in our worship today These aren't abstract ideas or suggestions but are examples from the personal and corporate lives of individuals who have been significantly impacted by the Psalms From group singing of the Psalms to praying Psalms publicly and privately to pastoral care and the place of lament *Forgotten Songs* will help others remember to actively use the Psalms

in their own worship lives individually and corporately Contributors include such academicians and authors as Craig A Blaising Douglas Bond Randall Bush Jack Collins Chad Davis J Michael Garrett James H Grant Jr James Richard Joiner Ray Ortlund Leland Ryken Calvin Seerveld Justin Wainscott and John D Witvliet along with editors Ray Van Neste and C Richard Wells Training Asians to Reach the World Dave Johnson, 2019-06-07 Everett and Evelyn McKinney have been Assemblies of God Missionaries to the Asia Pacific Region since 1969 Their first assignment as appointed missionaries on the Philippine Field was at Immanuel Bible Institute 1969 1975 where Everett served as president business manager and faculty Evelyn was the Academic Dean and a faculty member From 1977 to 1984 Everett was the president of Far East Advanced School of Theology FEAST and now Asia Pacific Theological Seminary APTS from 1977 1984 he also served as a faculty member at the institution Evelyn was a faculty member and served as the Interim Academic Dean and Dean of Students for one year during their time at FEAST Since 1987 to the present Everett and Evelyn have served as non resident faculty at APTS They have been Bible school educational consultants for the Asia Pacific Education Office APEO since 1988 Evelyn serves as the secretary for the Teacher Development Southern Asia Bible College Bangalore India Evangel Theological Seminary Kiev Ukraine God s calling upon their lives has connected them with many church leaders and students They walk in the Spirit step out in faith and live their lives for the glory and honor of God Students are very important to Everett and Evelyn A few years ago they could have made the decision to retire from teaching training and equipping students But no They kept going And the continue to go around the world preparing students as laborers for the ripened harvest fields around the world They continue to build strong relationships with their students and students love respect and honor Everett and Evelyn From the foreword by Weldyn B Houger *Praying the Psalms of Jesus* James W. Sire, 2009-09-20 At key moments in his life on earth Jesus Christ the very Son of God turned to the Psalms for words to express his deepest thoughts and emotions It is not hard to imagine Jesus his mind and heart saturated with the words and thoughts of the Psalms as they were prayed aloud in the Temple going off early in the morning to pray How much must he have mouthed the words of the Psalms and given them a fulfillment They became his answering speech to his heavenly Father In these pages you will discover how the psalms that relate closely to the mission of Jesus can also become our answering speech We will begin our journey into the mind of Christ by immersing ourselves in several psalms which Jesus himself refers to and fulfills And then in the second half of the book we will immerse ourselves in psalms that Jesus would have meditated on during his time on earth focusing on the heart and mind of Jesus as he prayed the psalms Structural analysis of each psalm will help us grow our ability to read the Psalms The guided personal prayer liturgy with each chapter will help us go deeper in the experience of praying the Psalms Through these psalms we will discover more of the human life of our Lord and Savior And in the process we will discover more of who we are as we come before our holy God Also included a group discussion and prayer experience to accompany each chapter
