

The background of the slide features a historical illustration of a crowd during the French Revolution. In the upper left, there are stylized, colorful clouds in shades of orange, yellow, and red. The main background image shows a dense crowd of people, with some individuals in the foreground holding up tricolor flags (red, white, and blue). The scene is depicted in a painterly style, capturing the energy and chaos of the period.

Origins

- **1789:** Romanticism began to take root as a movement following the French Revolution. The French Revolution brought inspiring new ideals of democracy that were eventually crushed by the disillusioning reign of the guillotine that followed.
- **1798:** The publication of *Lyrical Ballads with a Few Other Poems* by William Wordsworth and Samuel Taylor Coleridge in 1792 is considered the beginning of literary Romanticism.
