Reading The Ten Commandments Anew

Jordan Jay Hillman

Reading The Ten Commandments Anew:

Reading the Ten Commandments Anew frère John (de Taizé), 2004 The Ten Commandments transport most of us back to the religion of our childhood to catechism class or Sunday school They easily evoke blind obedience sin and guilt a moralistic or legalistic mindset their negative approach seems to be at the opposite extreme from the positive religion of love and responsibility which we identify with Jesus Christ This book proposes to undertake a re reading of this well known biblical text to show how the Ten Commandments represent simple boundaries that protect our freedom to act and grow as children of a loving God They are road signs indicating the way to the One who is the Way to Life in all its fullness Life on the Edge Brother John of Taizé, 2017-10-26 Is the Christian faith something that can peacefully exist alongside all the other aspects of an ordinary human life or does it by its very nature turn that life into something else The author of this book a member of a monastic community for over forty years obviously has a vested interest in the answer But even for believers caught up in the day to day life of society work and family the question is an important one at least if they are seeking a measure of consistency in the life they are living And does not the very fact that the question of the importance and urgency of faith needs to be asked witness to the eclipse of an eschatological outlook among Christians at any rate in the mainstream Churches Could this oversight not explain why an eschatological understanding of faith one which sees it as a radical world changing reality has been forced to take refuge often deformed to the point of being unrecognizable in small fanatical groups on the margins of the Christian world **Friends in Christ: Paths to a New Understanding of Church** Brother John of Taizé, 2012 This book for both seekers and practicing Christians highlights the importance of friendship for human community Beginning with stories of friendship in biblical accounts and the teachings of the early leaders of the church Brother John describes friendship as the basis for community throughout the world and at Taizé an international ecumenical community that draws thousands of young people from around the globe together in worship and prayer Back cover The Wrath of a Loving God Brother John of Taizé, 2019-10-28 The portrait of an angry God quick to condemn that many people claim to find in the pages of the Bible is undoubtedly one of the greatest obstacles to faith The modern tendency to efface all traces of anger from our image of God is therefore comprehensible But might this procedure not risk mutilating the authentic character of the biblical God Could the theme of divine wrath properly understood rather than being a primitive vestige or an aberration perhaps offer a key to understanding a love as fierce as death an approach to the mystery of our redemption in Christ That is the challenge that this book attempts to take up **Passing on the Faith** James L. Heft, 2009-08-25 From the beginning the Abrahamic faiths Judaism Christianity and Islam have stressed the importance of transmitting religious identity from one generation to the next Today that sustaining mission has never been more challenged Will young people have a faith to guide them How can faith traditions anchor religious attachments in this secular skeptical culture The fruit of a historic gathering of scholars and religious leaders across three faiths and many disciplines this important book reports on

the religious lives of young people in today's world. It's also a unique inventory of creative and thoughtful responses from churches, synagogues, and mosques working to keep religion a significant force in those lives. The essays are grouped thematically. Opening the book, Melchor Sanchez de Toca and Nancy Ammerman explore fundamental issues that have an impact on religion from the cultural effects of global consumerism and personal technology to pluralism and individualism. In Part Two, leading investigators present three leading studies of religiosity among young people and college students in the United States, illuminating the gap between personal values and organized religion and the emergence of new, different forms of spirituality and faith. How religious institutions deal with these challenges forms the heart of the book in portraits of best practices developed to revitalize traditional institutions from a synagogue in New York City and a Muslim youth camp in California to the famed French Catholic community of the late Brother John of Taizé. Finally, Jack Miles and Diane Winston weave the findings into a broader perspective of the future of religious belief, practice, and feeling in a changing world. Filled with real-world wisdom, *Passing the Faith* will be an essential resource for anyone seeking to understand what religions must and can do to inspire a vigorous faith in the next generation.

Metanoia Brother John of Taizé, 2021-06-22 How can one live an authentically Christian life? Although many books and articles delineate the content of the Gospel message, the form or shape of an existence based on faith has not been studied as thoroughly. To use a language correctly, it is not enough to know the vocabulary; one must have a good grasp of its grammar. This book attempts to deepen our knowledge of the grammar of the Christian life, starting from the notion of metanoia. Generally translated as repentance or conversion, the word has in fact a much richer significance: it describes a total reorientation and transformation of our being, never accomplished once and for all through the action of the Spirit of the risen Christ. Metanoia takes us out of our self-centered outlook and our limited and self-interested actions and brings us into God's today, where we become witnesses to a real Presence, that of the universal Body of Christ.

Preaching the Ten Commandments Jeffrey A. Ingraham, 2017-10-30 This book examines the Ten Commandments to see how they are relevant for us today. Initially presented as a series of sermons delivered in an African American congregation, the author offers new ways of understanding and applying these universal and timeless truths first given to Moses on Mt. Sinai. In some of the chapters, Dr. Ingraham defies political correctness in offering his personal convictions. In the chapter dealing with the commandment forbidding murder, he challenges the fallacy of those who advocate abolishing capital punishment because it does not stop the commission of that crime. He retorts, "Why not abolish speeding laws since people continue to speed?" In all the commandments, the author provides practical ways for Christians, in particular, to fulfill them. In the chapter forbidding adultery, he presents ways that couples might foster their relationship. In the chapter forbidding the desecration of God's name, he presents alternatives of the kind of speech we should engage in. The book is reader-friendly, and each chapter concludes with questions for discussion. It is an excellent resource for both personal and group study.

Reading the Parables Richard Lischer, 2014-01-01 Parables make up one third of Jesus' speech in the New

Testament In this volume Richard Lischer provides an expert guide to these parables and proposes an important distinction between reading and interpreting the parables Emphasizing the importance of reading the parables versus interpreting them Lischer asserts that reading offers a kind of breathing space to explore historical literary theological and socio political dimensions of the parables and their various meanings whereas interpreting implies an expert and critical position that must be defended In this volume Lischer lays out four theories for reading parables 1 parables obscure truth 2 parables teach many truths 3 parables teach one truth and 4 parables undermine the truth Ultimately he concludes that biblical parables undermine dominant myths called the truth to shine light on the Truth that is Jesus God s presence with us **The Catholic**

Periodical and Literature Index ,2005 *Semi-annual Conference of the Church of Jesus Christ of Latter-Day Saints* Church of Jesus Christ of Latter-day Saints,1906 **Sermons, Or Homilies, Appointed to be Read in Churches** England. - Church of England. - Homilies,1833 **The Year of Jubilee** Church of Jesus Christ of Latter-Day Saints,1905 **Certain**

Sermons or Homilies appointed to be read in Churches in the time of Queen Elizabeth of famous memory Church of England,1757 Elenchus of Biblica ,2004 *Sermons, Or Homilies, Appointed to be Read in Churches;* Church of England,1833 **The Records of Holy Trinity (Old Swedes) Church, Wilmington, Del., from 1697 to 1773** Holy Trinity Church (Wilmington, Del.),1890 **Sermons and Homilies Appointed to be Read in Churches** ,1833 *The Torah and Its God* Jordan Jay Hillman,2001 This detailed examination of the Torah the first five books of the Bible lays particular emphasis on the role and character of the Torah s transcendent God as its central protagonist Viewing both the Torah and its God as purely human creations humanist Jordan Jay Hillman seeks in no way to devalue this hugely influential book His aim instead is to reinterpret it as a still vital text that used theistic means appropriate to its time to inspire a people toward their worthiest human purposes It is thus for its timeless themes rather than its dated particularities including its model of a transcendent God that we should honor the Torah in our time as both the wellspring of Judaic culture and a major influence on Christian and Islamic ethics and morals From his humanist perspective and his background as a lawyer and professor of law at Northwestern University now emeritus Hillman offers many insights into the narrative and wide ranging legal code of Genesis Exodus Leviticus Numbers and Deuteronomy including their many contradictions and anomalies His analysis draws on a broad scholarly consensus regarding the Documentary Theory as it bears on the identities and periods of the Torah s human sources This thorough explication of an often misunderstood ancient text will help humanists and many theists alike to appreciate the rich moral ethical and cultural heritage of the Torah and its enduring relevance to our time

The Homilies Re-considered, in a Letter to Dr. Jebb, Bishop of Limerick, in Answer to His Letter to the Rev. Dr. Elrington, Entitled"The Homilies Considered". With a Postscript, Containing Remarks on an Anonymous Letter to the Rev. Dr. Elrington, Entitled"The Judgement of the Tract Committee of the Association Respecting the Homilies Reviewed and Vindicated". Richard Hastings GRAVES,1826 Religious Liberty Library ,1893

Unveiling the Energy of Verbal Beauty: An Mental Sojourn through **Reading The Ten Commandments Anew**

In a world inundated with screens and the cacophony of instant transmission, the profound energy and emotional resonance of verbal beauty often disappear into obscurity, eclipsed by the continuous barrage of sound and distractions. However, located within the lyrical pages of **Reading The Ten Commandments Anew**, a interesting work of literary brilliance that pulses with fresh feelings, lies an memorable trip waiting to be embarked upon. Written with a virtuoso wordsmith, that enchanting opus instructions visitors on a psychological odyssey, gently revealing the latent potential and profound affect stuck within the intricate web of language.
