Reading Toes Your Feet As Reflections Of Your Personality:

Reading Toes Imre Somogyi, Reading Toes Imre Somogyi, 2012-05-31 The author has developed a theory that toes are mirrors and the shape and position of toes shows who you are This book explains the theory and shows how to read toes

The Art of Foot Reading Polly Hall, 2009 Our feet reveal who we truly are This practical guide to Foot Reading enables self empowerment through observation of feet how to read other people s motivations personality and potential just by looking at their feet Polly s passion for feet is certainly contagious Her knack of making reading the feet really simple is certainly a gift that will be much appreciated by many What I love about feet is that they have so many different slants It is therefore inevitable that there are bound to be various interpretations and ways of understanding what they are really trying to say So thank you Polly for adding other dimensions by which each individual s journey through life can be more clearly defined Chris Stormer Fryer author of Language of the Feet

READING BABY TOES Imre Somogyi, 2009-01-01 Every parent wonders while looking down at their newborn child what kind of person he or she will grow up to be This book can help parents answer that question without waiting a dozen years or more for the child to grow up Imre Margriet Somogyi s research as led them to believe that parents can learn to read their baby s toes for clues to their personality and behavior We came to realize that the toes symbolize the many facts of our personalities Not only is their shape important but so are their various features and positions By learning how to read baby toes not only will parents be able satisfy their curiosity about their newborn but this knowledge will provide parents with a tool that will allow them to better understand their child s earliest stages of life and development and help them optimize their child s full potential allowing him or her to develop into a healthy and well balanced individual

The Energetics of Health Iva Lloyd, 2009-02-04 This manual teaches students and practitioners how to assess health and disease from an energetic perspective It allows them to integrate energetic concepts into medical practice Exploring the concept of health and disease from the perspectives of quantum physics and energetic principles Ayurveda Traditional Chinese Medicine Naturopathic medicine and Polarity Therapy the book uses case histories to illustrate the application of energetic methods to practice Case histories are accompanied by illustrations and give details of assessment made treatment recommended and results of treatment All concepts and practices advocated are critically assessed and supported by evidence

Energy: The New Frontier in Reflexology Christine Issel, 2020-02-05 This is a journey into the dynamics of identified energies by science to our unseen subtle energy bodies The information contained within easily applies to all forms of manual or energetic disciplines methods and spiritual persuasions There is so much more to what we do than we understand what we ve accepted as the ways things have been for years The focus of this work is energy with the question to be answered Can the concept of energy be explained in terms from a scientific intellectual critical thinking viewpoint and at the same time apply to the work of those using it in the context of a therapeutic or esoteric approach
