Reading For Today 3 Teachers Ed

Michael Hoelscher

Reading For Today 3 Teachers Ed:

Resources in Education ,2001 Research in Education ,1971-12 Competency-Based Teacher Education for English as a Foreign Language Amber Yayin Wang,2021-11-25 Providing a series of chapters written by teacher educators in three continents this edited volume explores the concepts challenges possibilities and implementations of competency based instruction for developing English competencies in English as a foreign language EFL contexts Recent trends in education have emphasized the need to develop competencies that connect learning with real life performances This need has brought about a massive increase in the number of studies and scholarly works devoted to research into competency based education However for teachers and learners of EFL it is challenging to develop competencies for using a language that does not seem to connect with their real life scenarios The chapters apply the concept of competency based instruction in different EFL contexts and are structured around three themes Theory current thoughts on theories of competency based education Research empirical research on competency based teacher education Practice integrating competency based instruction into teacher education This book offers examples of competency based EFL teacher education through both research and practical applications In addition to the innovation in competency approaches the inclusion of language learning in virtual environments offers a valuable resource for scholars educators researchers and all those concerned with current and future education
