*Real Essays with Readings* is the essay level book in Susan Anker's highly successful series of writing texts that motivate students with their message that writing is an essential skill in college and in real life and that this skill is achievable. Anker's advice, examples, and assignments show the relevance of writing to all aspects of students' lives, and profiles of former students prove that success is attainable. Like all the books in the Anker series, *Real Essays* presents writing in logical, manageable increments, step by step writing guides, and a focus on the four basics of each mode of writing keep students from becoming overwhelmed. *Real Essays* maintains its emphasis on what really matters by focusing on the four most serious errors: fragments, run-ons, subject-verb agreement problems, and verb form problems. *Real Essays* gives students what they need to succeed in college and become stronger academic writers.

**Real Essays with Readings** Susan Anker, 2011-12-28

*Real Essays* delivers the powerful message that good writing, thinking, and reading skills are both essential and achievable. From the inspiring stories told by former students in *Profiles of Success* to the practical strategies for community involvement in the new *Community Connections*, *Real Essays* helps students to connect the writing class with their real lives and with the expectations of the larger world. So that students don't get overwhelmed, the book focuses first on the most important things in each area, such as the Four Most Serious Errors in grammar, the Four Basics of each rhetorical strategy, and the academic skills of summary, analysis, and synthesis. Read the preface.
