

Reading To Your Class

Donalyn Miller

Reading To Your Class:

Every Reader a Close Reader Samantha Cleaver, 2015-07-17 Close reading the purposeful focused reading and rereading of text is more than an education buzzword Every Reader a Close Reader defines and unpacks the components of close reading and explores how to apply it within the context of the Common Core State Standards so that every student will be able to implement close reading strategies in class and independently Drawing expertise and ideas from research as well as teachers from across the country Every Reader a Close Reader serves as both an instructional guide and professional development tool for classroom teachers and instructional leaders to use when starting or strengthening close reading at the classroom level In addition this book includes chapters that focus on developing the close reading skills of students who are struggling readers English language learners or gifted learners

The Book Whisperer Donalyn Miller, 2009-03-16 Turn any student into a bookworm with a few easy and practical strategies Donalyn Miller says she has yet to meet a child she can't turn into a reader No matter how far behind Miller's students might be when they reach her 6th grade classroom they end up reading an average of 40 to 50 books a year Miller's unconventional approach dispenses with drills and worksheets that make reading a chore Instead she helps students navigate the world of literature and gives them time to read books they pick out themselves Her love of books and teaching is both infectious and inspiring In the book you'll find Hands on strategies for managing and improving your own school library Tactics for helping students walk on their own two feet and continue the reading habit after they've finished with your class Data from student surveys and end of year feedback that proves how well the Miller Method works The Book Whisperer includes a dynamite list of recommended kid lit that helps parents and teachers find the books that students really like to read
