Reading Late Antiquity Sigrid Schottenius Cullhed, Mats Malm, 2018 The field of Late Antique studies has involved self reflexion and criticism since its emergence in the late nineteenth century but in recent years there has been a widespread desire to retrace our steps more systematically and to inquire into the millennial history of previous interpretations historicization and uses of the end of the Greco Roman world This volume contributes to that enterprise It emphasizes an aspect of Late Antiquity reception that ensues from its subordination to the Classical tradition namely its tendency to slip in and out of western consciousness Narratives and artifacts associated with this period have gained attention often in times of crisis and change and exercised influence only to disappear again When later readers have turned to the same period and identified with what they perceive they have tended to ascribe the feeling of relatedness to similar values and circumstances rather than to the formation of an unbroken tradition of appropriation

Theory and Practice in Late Antique Archaeology Luke A. Lay Readings of the Bible in Early Modern Europe Erminia Ardisino,Élise Boillet,2019-12-30 The aim of this collection of essays is to bring together new comparative research studies on the place and role of the Bible in early modern Europe It focuses on lay readings of the Bible interrogating established historical social and confessional paradigms It highlights the ongoing process of negotiation between the faithful congregation and ecclesiastical institutions in both Protestant and Catholic countries It shows how even in the latter where biblical translations were eventually forbidden the laity drew upon the Bible as a source of ethical cultural and spiritual inspiration contributing to the evolution of central aspects of modernity Interpreting the Bible could indeed be a means of feeding critical perspectives and independent thought and behavior Contributors Erminia Ardisino Xavier Bisaro lise Boillet Gordon Campbell Jean Pierre Cavaill Sabrina Corbellini Fran ois Dupuigrenet Desroussilles Max Engammare Wim Fran ois Ignacio J Garc a Pinilla Stefano Gattei Margriet Hoogvliet Tadhg hAnnrach in and Concetta Pennuto
