in a blaze of nuclear firestorm we now suspect that the apocalypse may be much slower creeping in as chemical toxins climate change or nano technologies run amok Taking inspiration from the questions raised by the Bulletin's synecdochical nuclear Risk Criticism aims to generate a hybrid form of critical practice that brings nuclear criticism into conversation with ecocriticism Through readings of novels films theater poetry visual art websites news reports and essays Risk Criticism tracks the diverse ways in which environmental risks are understood and represented today *The Analytics of Uncertainty and Information* Jack Hirshleifer, John G. Riley, 1992-09-10 Economists have always recognised that human endeavours are constrained by our limited and uncertain knowledge but only recently has an accepted theory of uncertainty and information evolved This theory has turned out to have surprisingly practical applications for example in analysing stock market returns in evaluating accident prevention measures and in assessing patent and copyright laws This book presents these intellectual advances in readable form for the first time It unifies many important but partial results into a satisfying single picture making it clear how the economics of uncertainty and information generalises and extends standard economic analysis Part One of the volume covers the economics of uncertainty how each person adapts to a given fixed state of knowledge by making an optimal choice among the immediate terminal actions available These choices in turn determine the overall market equilibrium reflecting the social distribution of risk bearing In Part Two covering the economics of information the state of knowledge is no longer held fixed Instead individuals can to a greater or lesser extent overcome their ignorance by informational actions The text also addresses at appropriate points many specific topics such as insurance the Capital Asset Pricing model auctions deterrence of entry and research and invention **Bulletin of the Public Affairs Information Service** Public Affairs Information Service, 1924 The Publishers' Weekly, 1924 **Reading Development and Difficulties** Kate Cain, 2010-06-21 This accessible text brings together research on word reading and comprehension development which are often treated separately and provides a comprehensive and detailed introductory text to reading development and difficulties Key features include An introduction to the important issues in reading research and the skills involved in reading words and understanding text from the point of view of both a beginner and a skilled reader A consideration of the similarities and differences between written and spoken language and the advantages and disadvantages of different methodological approaches An examination of how failures in reading comprehension skills can create difficulties and disorders A consideration of the implications of this research for the teaching of reading and the diagnosis and treatment of reading difficulties This text will be useful to many different groups of readers not only researchers and students in psychology but also those who work in more applied settings such as students in education and speech and language therapy who may have a limited background knowledge of the psychology of reading **Risk Revisited** Patrick Caplan, 2000-02-20 A range of distinguished anthropologists and sociologists re-examine the concept of risk in contemporary societies American Medical Association Guide to Preventing and Treating Heart Disease American Medical Association, Martin S.

The Top Books of the Year Readings In Risk The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous captivating novels enthralling the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the fascinating narratives that have enthralled audiences this year. The Must-Read : Colleen Hoovers "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and thrilling novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
