Richard M. Golden,1992      *University of Chicago Readings in Western Civilization, An Introduction for Teachers* Eric  
Cochrane,1988-04 This booklet is meant to provide an overview of the nine volumes that compose the series Readings In  
Western Civilization edited by the History of Western Civilization staff at the University of Chicago Those who use this  
booklet will find that it is not so much a manual or an authoritative guide as it is a provocation to further reflection upon the  
ideas and suggestions it presents      Legacy of the West David B. Mock,1995-10-01      *University of Chicago Readings in*  
*Western Civilization, Volume 3* Karl F. Morrison,John W. Boyer,Julius Kirshner, The University of Chicago Readings in  
Western Civilization nine volumes makes available to students and teachers a unique selection of primary documents many in  
new translations These readings prepared for the highly praised Western civilization sequence at the University of Chicago  
were chosen by an outstanding group of scholars whose experience teaching that course spans almost four decades Each  
volume includes rarely anthologized selections as well as standard more familiar texts a bibliography of recommended  
parallel readings and introductions providing background for the selections Beginning with Periclean Athens and concluding  
with twentieth century Europe these source materials enable teachers and students to explore a variety of critical  
approaches to important events and themes in Western history Individual volumes provide essential background reading for  
courses covering specific eras and periods The complete nine volume series is ideal for general courses in history and
