Ready For Democracy:

The Watchman-examiner ,1916 *The Modern Review* ,1913 *Sheba's Vow* Marcus Clark,1991 SHEBA S VOW is a novel about the struggle for democracy on a South American island South Chale is ruled by a military dictatorship that has divided the country into four different racial groups each strictly segregated On South Chale Asians rule the nation while whites and blacks are treated as a subservient subclass Sheba is born into the most despised class of all the mongrels for the mongrels blur the differences between the races After seeing her father persecuted by the State Security Police Sheba vows to work for the overthrow of the dictatorship Their neighbouring island Suntos has become communist but here things are reversed it is the blacks who rule over the whites and Asians When Sheba visits Suntos to investigate whether they should seek the assistance of Soviet advisors she finds a horror that is beyond anything she could have imagined SHEBA S VOW is a blend of fact and fiction South Chale where the story takes place is largely an amalgam of Chile Argentina and South Africa of the 1980s The novel is largely about a political and personal struggle to find a way out of the despair and violence of dictatorships a reflection of world events during the period 1980 1995 **The New Republic** Herbert David Croly,2003

The Nineteenth Century and After ,1882 A Nile Novel George Fleming,1878 **The Academy** ,1882 *The Saturday Review of Politics, Literature, Science and Art* ,1882 *When papa comes home, by the author of 'When I was a little girl'*. Eliza Stephenson,1882 *Publishers' circular and booksellers' record* ,1882 The Athenaeum ,1882

Publishers' Circular and Booksellers' Record of British and Foreign Literature ,1882 **Harvard Asia Pacific Review** ,1998 **The Academy and Literature** ,1882 **Bookseller and the Stationery Trades' Journal** ,1882 *The Kindergarten and First Grade* ,1918 *Is America Ready for Democracy?* Seán P. Twomey,2013-10 The principle part of this book is the broad application of democratic principles You have the American system exclaimed my Oxford educated professor uncharacteristically grabbing me by the shoulders That was his reaction sixty years ago to my theory of government Imagine my shock when I received the application papers for citizenship only to discover that the Oath of Allegiance denied the American Democratic System by removing the individual s responsibility for what he does under orders The individual conscience is paramount in democratic philosophy The individual is fully responsible for what he does under orders I don t believe that obeying orders justifies man s inhumanity to man I have great difficulty with items which have been added to the Oath to the U S Constitution I could have answered certain questions but they were questions which in my judgment a democratic government had no right to ask To answer such questions would it seemed to me concede the right to ask the questions But the way I read it I have to be prepared to give up both body and soul to become a U S citizen if the law requires it without qualification or limitation implies no limitation although limitation is explicit in democratic philosophy and in the constitution which outlines the way to adhere to those principles The Oath of Allegiance lists substantially the same contents without those additions I find objectionable and unconstitutional Eventually I applied with the request that I be

permitted to take the Oath just to the Constitution and not to the additions I explained that for me the additions removed the safeguards of the Constitution in effect contradicted the Constitution And that to take an oath to what I perceived compromised my principles and conscience could be done only with a mental reservation To become an American Citizen I would have to deny the American system What a catch 22 Although I have not the slightest hesitation in defending the U S my country my children s and grandchildren s country I cannot give carte blanche to the government allow any openings for laws that deny the restraints set by the constitution
