**Thomas Henry Rigby**

## **Red Virgin Soil Soviet Literature In The 1920s:**

Red Virgin Soil Robert A. Maguire, 2000 *Red Virgin Soil* is a detailed study of the eponymous journal that was the most significant Soviet literary journal of the 1920s. The journal published belles lettres, theory and criticism and represented the first serious attempt in Russia in nearly half a century to shape an entire generation of writers, readers and critics through the energy and authority of such a forum. Maguire's work is also a survey of Soviet literary culture in that critical period between the end of the Civil War and the onslaught of the Stalinist era, a period when writers could still engage in public debate about literature's role in the building of a revolutionary culture. **Book Jacket Krasnaia nov' Red virgin soil:**

**Soviet literature in the 1920's** Robert Alan Maguire, **Henry Poulaille and Proletarian Literature (1920-1939)**

Rosemary Chapman, 2024-09-02 Revolutionary Dreams Richard Stites, 1991-11-14 The revolutionary ideals of equality, communal living, proletarian morality and technology worship rooted in Russian utopianism generated a range of social experiments which found expression in the first decade of the Russian revolution in festival, symbol, science fiction, city planning and the arts. In this study, historian Richard Stites offers a vivid portrayal of revolutionary life and the cultural factors—myth, ritual, cult and symbol—that sustained it and describes the principal forms of utopian thinking and experimental impulse. Analyzing the inevitable clash between the authoritarian elements in the Bolsheviks' vision and the libertarian behavior and aspirations of large segments of the population, Stites interprets the pathos of utopian fantasy as the key to the emotional force of the Bolshevik revolution, which gave way in the early 1930s to bureaucratic state centralism and a theology of Stalinism. Handbook of Russian Literature Victor Terras, 1985-01-01 Profiles the careers of Russian authors, scholars and critics and discusses the history of the Russian treatment of literary genres such as drama, fiction and essays.

Nihilist Order Professor David Ohana, 2016-04-19 The explosive combination of nihilist leanings together with a craving for totalitarianism was an ideal of philosophers, cultural critics, political theorists, engineers, architects and aesthetes long before it materialised in flesh and blood, not only in technology but also in fascism, Nazism, bolshevism and radical European political movements. The *Nihilist Order* originally published in three hardcover volumes and now published in a consolidated paperback edition with an encompassing new Introduction, inspired excellent review endorsements both amongst the academic and public spheres and has been heralded as a great achievement in European intellectual and cultural history.

Encyclopedia of Contemporary Russian Culture Tatiana Smorodinskaya, Karen Evans-Romaine, Helena Goscilo, 2013-10-28 This addition to the highly successful *Contemporary Cultures* series covers the period from 1953 with the death of Stalin to the present day. Both Russian and Culture are defined broadly. Russian refers to the Soviet Union until 1991 and the Russian Federation after 1991. Given the diversity of the Federation in its ethnic composition and regional characteristics, questions of national, regional and ethnic identity are given special attention. There is also coverage of Russian-speaking immigrant communities. Culture embraces all aspects of culture and lifestyle, high and popular, artistic and material art.

fashion literature music cooking transport politics and economics film crime all and much else are covered in order to give a full picture of the Russian way of life and experience throughout the extraordinary changes undergone since the middle of the twentieth century The Encyclopedia of Contemporary Russian Culture is an unbeatable resource on recent and contemporary Russian culture and history for students teachers and researchers across the disciplines Apart from academic libraries the book will also be a valuable acquisition for public libraries Entries include cross references and the larger ones carry short bibliographies There is a full index

The Russian Revolutionary Novel Richard Freeborn, 1985-02-28 Professor Freeborn's book is an attempt to identify and define the evolution of a particular kind of novel in Russian and Soviet literature the revolutionary novel This genre is a uniquely Russian phenomenon and one that is of central importance in Russian literature The study begins with a consideration of Turgenev's masterpiece Fathers and Children and traces the evolution of the revolutionary novel through to its most important development a century later in Pasternak's Doctor Zhivago and the emergence of a dissident literature in the Soviet Union Professor Freeborn examines the particular phases of the genre's development and in particular the development after 1917 the early fiction which explored the relationship between revolution and instinct such as Pilnyak's The Naked Year the first attempts at mythmaking in Leonov's The Badgers and Furmanov's Chapayev the next phase in which novelists turned to the investigation of ideas exemplified most notably by Zamyatin's We the resumption of the classical approach in such works as Olesha's Envy which explore the interaction between the individual and society and finally the appearance of the revolutionary epic in Gorky's The Life of Klim Samgin Sholokhov's Quiet Flows the Don and Alexey Tolstoy's The Road to Calvary Professor Freeborn also examines the way this kind of novel has undergone change in response to revolutionary change and he shows how an important feature of this process has been the implicit assumption that the revolutionary novel is distinguished by its right to pass an objective independent judgement on revolution and the revolutionary image of man This is a comprehensive and challenging study of a uniquely Russian tradition of writing which draws on a great range of novels many of them little known in the West As with other titles in this series all quotations have been translated

**Russian Literary Politics and the Pushkin Celebration of 1880** Marcus C. Levitt, 2018-09-05 In an event acknowledged to be a watershed in modern Russian cultural history the elite of Russian intellectual life gathered in Moscow in 1880 to celebrate the dedication of a monument to the poet Alexander Pushkin who had died nearly half a century earlier Private and government forces joined to celebrate a literary figure in a country in which monuments were usually dedicated to military or political heroes In this richly detailed narrative history of the Pushkin Celebration and the developments that led up to it Marcus C Levitt explores the unique role of literature in nineteenth century Russian intellectual life and puts Russian literary criticism and Pushkin's posthumous reputation into fresh perspective Drawing on Soviet archival materials not readily available in the West Levitt describes the preparations for the monument and the unfolding of the celebration His sustained discussions of Turgenev's role and of Dostoevsky's famous

Pushkin Speech shed new light on what was for both a culminating moment in their careers In Levitt s view the Pushkin Celebration represented the articulation of liberal post Emancipation hopes for an independent Russian intelligentsia and culture His analysis of the problems faced by Russian liberalism illuminates the failure of concerted efforts to secure freedom of speech in nineteenth century Russia **Communist Party Membership in the U.S.S.R.** Thomas Henry

Rigby,2019-03-26 In this comprehensive and latest statistical profile of the membership of the Communist Party during the first half century of the Soviet regime Professor Rigby analyzes the history of party recruitment and composition Since the party makes vital contributions to the performance of several basic tasks within the Soviet political system the author interprets his data mainly in functional terms He identifies and evaluates the influence of these functional considerations on recruitment policies and on the changing patterns of membership and determines the priorities assigned to different functions under changing circumstances T H Rigby is Professor of Political Science Research School of Social Science Australian National University Studies of the Russian Institute Columbia University Originally published in 1968 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 **The Origins of the Stalinist Political System** Graeme Gill,Graeme J. Gill,2002-07-18 New

and challenging perspectives on Soviet political development from 1917 to 1941 Gogol From the Twentieth Century

Robert A. Maguire,2022-03-08 The description for this book Gogol From the Twentieth Century Eleven Essays will be forthcoming The Cambridge Companion to the Classic Russian Novel Malcolm V. Jones,Robin Feuer Miller,1998-04-30

Many Russian novels of the nineteenth and twentieth centuries have made a huge impact not only inside the boundaries of their own country but across the western world The Cambridge Companion to the Classic Russian Novel offers a thematic account of these novels in fourteen newly commissioned essays by prominent European and North American scholars There are chapters on the city the countryside politics satire religion psychology philosophy the romantic realist and modernist traditions and technique gender and theory In this context the work of Pushkin Dostoevsky Tolstoy Turgenev Bulgakov Nabokov Pasternak and Solzhenitsyn among others is described and discussed There is a chronology and guide to further reading all quotations are in English This volume will be invaluable not only for students and scholars but for anyone interested in the Russian novel A Coat of Many Colors Gregory Freidin,1987 Friedin writes just the kind of criticism Mandelstam wrote and which he would have loved grounded in careful reading but never timid quirky but never merely eccentric the product of a mind and sensibility keenly alive to the times both historical and critical Nothing I have read on Mandelstam has so provoked my own thinking as has Freidin s work It is stimulating in every sense of the word and will

move the study of Mandelstam off the point at which it has been stuck for far too long John E Malmstad Harvard University Combining as it does sensitive close readings of the Mandelstam texts with an uncommonly wide range of literary and sociocultural reference *A Coat of Many Colors* is a welcome and significant addition to the body of scholarship bearing on one of our century's finest poets Victor Erlich Yale University

**The Crisis of the Old Order in Russia** Roberta Thompson Manning, 2019-01-29 Focusing on the role of the landowning gentry in the First Russian Revolution of 1905-1907 Roberta Manning explores the complex relationship between this traditional social and political elite and the imperial Russian government in the period between the abolition of serfdom and the February Revolution of 1917 In contrast to the commonly accepted view that the 1905 Revolution significantly expanded the circle of people involved in government Professor Manning argues that the gentry became Russia's dominant political force after the 1907 coup d'état Overwhelmed after Emancipation by economic crisis and a devastating erosion of their role in government service the gentry utilized the revitalized assemblies of the nobility and the newly founded zemstvos first to agitate for and then to dominate the representative institutions created by the 1905 Revolution Through a vast array of primary sources Professor Manning considers the acquisitions and consequences of the gentry's augmented political role and presents an updated account of the peasant rebellions of 1905-1907 and their impact on the gentry Included is a brilliant portrayal of P A Stolypin the period's most gifted gentry statesman and of the defeat accomplished with the aid of gentry pressure groups of his reform program the last comprehensive effort to restructure the political order of Imperial Russia Studies of this period of Russian history have generally focused on the dramatic confrontation between the Old Regime and its revolutionary adversaries Here Professor Manning illuminates the equally fateful conflicts within the Russian upper classes Roberta Thompson Manning is Associate Professor at Boston College Studies of the Russian Institute Columbia University Originally published in 1983 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Reforming Rural Russia Francis William Wcislo, 2014-07-14 As he examines administrative reform of Russian rural local government between the abolition of serfdom and World War I Francis William Wcislo takes as his theme the repeated attempts of tsarist statesmen to restructure the most critical mediating link between the autocratic state and a rapidly modernizing agrarian society His broader objective however is to use the issue of autocratic politics to probe the character and evolution of bureaucratic mentality in this period Wcislo links the social psychological ideological and institutional nexus of the bureaucracy with its social underpinnings in rural society and lays bare the connections of the bureaucratic world with its traditional social base among the service nobility and the peasantry Placing the conflicting views

of officials within the context of the two political cultures of old regime society he shows how bureaucratic reformers anxious to promote civic culture were undermined by defenders of traditional autocracy and the society of service estates *soslovie* with which that autocracy had coexisted This defense of tradition and the resulting failure of reformist initiatives were fundamental to the crisis of Russia in the early twentieth century Originally published in 1990 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

**Leo Tolstoy** Richard F. Gustafson, 2014-07-14 Much of what was central to Tolstoy seems embarrassing to Western and Soviet critics points out Richard Gustafson in his absorbing argument for the predominance of Tolstoy's religious viewpoint in all his writings Received opinion says that there are two Tolstoys the pre conversion artist and the post conversion religious thinker and prophet but Professor Gustafson argues convincingly that the man is not two but one Originally published in 1986 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

**Revolution and Culture** Zenovia A. Sochor, 2018-09-05 Zenovia A Sochor here assesses one of the most important debates within the Bolshevik leadership during the early years of Soviet power that between A A Bogdanov and V I Lenin Once comrades in arms Bogdanov and Lenin became political rivals prior to the October Revolution Their disagreements over political and cultural issues led to a split in the Bolshevik Party with Bogdanov spearheading the party's left wing faction and attracting a following of notable intellectuals Before Lenin died in 1924 however he had succeeded in shaping Soviet society according to his own vision and today Bolshevism is commonly identified with Leninism while Bogdanovism is little known Sochor provides the first full exposition in English of Bogdanov's views which she asserts must be understood to appreciate the choices available and the paths not taken during the formative years of the Soviet regime

**The Genesis of The Brothers Karamazov** Robert L. Belknap, 1990 Belknap Slavic languages Columbia U traces Dostoevsky's last great novel to its sources exploring how the author consciously transformed his experience and his readings to construct the work It is both a lucid analysis of a complex and difficult text and an inquiry into the process of literary creation Annotation copyright Book News Inc P Peasant Metropolis David L. Hoffmann, 2018-08-06 During the 1930's 23 million peasants left their villages and moved to Soviet cities where they comprised almost half the urban population and more than half the nation's industrial workers Drawing on previously inaccessible archival materials

David L Hoffmann shows how this massive migration to the cities an influx unprecedented in world history had major consequences for the nature of the Soviet system and the character of Russian society even today Hoffmann focuses on events in Moscow between the launching of the industrialization drive in 1929 and the outbreak of war in 1941 He reconstructs the attempts of Party leaders to reshape the social identity and behavior of the millions of newly urbanized workers who appeared to offer a broad base of support for the socialist regime The former peasants however had brought with them their own forms of cultural expression social organization work habits and attitudes toward authority Hoffmann demonstrates that Moscow s new inhabitants established social identities and understandings of the world very different from those prescribed by Soviet authorities Their refusal to conform to the authorities model of a loyal proletariat thwarted Party efforts to construct a social and political order consistent with Bolshevik ideology The conservative and coercive policies that Party leaders adopted in response he argues contributed to the Soviet Union s emergence as an authoritarian welfare state

## Unveiling the Magic of Words: A Review of "**Red Virgin Soil Soviet Literature In The 1920s**"

In a world defined by information and interconnectivity, the enchanting power of words has acquired unparalleled significance. Their power to kindle emotions, provoke contemplation, and ignite transformative change is really awe-inspiring. Enter the realm of "**Red Virgin Soil Soviet Literature In The 1920s**," a mesmerizing literary masterpiece penned with a distinguished author, guiding readers on a profound journey to unravel the secrets and potential hidden within every word. In this critique, we shall delve in to the book is central themes, examine its distinctive writing style, and assess its profound affect the souls of its readers.

## Red Virgin Soil Soviet Literature In The 1920s Introduction

In the digital age, access to information has become easier than ever before. The ability to download Red Virgin Soil Soviet Literature In The 1920s has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Red Virgin Soil Soviet Literature In The 1920s has opened up a world of possibilities. Downloading Red Virgin Soil Soviet Literature In The 1920s provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Red Virgin Soil Soviet Literature In The 1920s has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Red Virgin Soil Soviet Literature In The 1920s. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Red Virgin Soil Soviet Literature In The 1920s. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Red Virgin Soil Soviet Literature In The 1920s, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of

the websites they are downloading from. In conclusion, the ability to download Red Virgin Soil Soviet Literature In The 1920s has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### FAQs About Red Virgin Soil Soviet Literature In The 1920s Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Red Virgin Soil Soviet Literature In The 1920s is one of the best book in our library for free trial. We provide copy of Red Virgin Soil Soviet Literature In The 1920s in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Red Virgin Soil Soviet Literature In The 1920s. Where to download Red Virgin Soil Soviet Literature In The 1920s online for free? Are you looking for Red Virgin Soil Soviet Literature In The 1920s PDF? This is definitely going to save you time and cash in something you should think about.
