Rediscovering Prophecy A New Song For A New Kingdom:

Rediscovering Prophecy Ronald Barclay Allen, 1983 *More Precious Than Gold* Sam Storms, 2009-02-04 In his third book of daily meditations Sam Storms urges readers to not just enter into God's Word but to take the next step toward knowing him and his Word better And the book of Psalms Storms believes is a great place to start because Psalms is so popular and so very relevant to our experiences today In *More Precious Than Gold* Storms combines years of life experience and his biblical and theological training to bring readers 50 brief daily meditations that are both stylistically accessible and theologically substantive Each meditation includes a historical or theological reflection on the psalm in context a story that brings it alive and creative tools to support the key idea Storms also interweaves the words of such luminaries as Charles Spurgeon Jonathan Edwards and John Piper to help readers better understand the concepts that are featured throughout Psalms worship prayer joy forgiveness steadfast love mercy sin's consequences the law of the Lord and our relationship with our enemies Like the Psalter Storms doesn't shy away from the tough issues Instead he encourages readers to experience through these daily meditations what he and generations of Christians have found to be true that the whole of the Christian faith is about lifting God higher and magnifying his name even during difficult times **A Case for Premillennialism**

Donald K. Campbell, Jeffrey L. Townsend, 1992 Premillennialism is not a fundamental doctrine of evangelical faith For example the Bible certainly does not set it forth in the same unequivocal terms or give it the same central position that the deity of Christ the vicarious atonement or the second coming have Yet to many evangelicals premillennialism is not merely what the Bible teaches on some minor point It has a special significance of its own among the loci of Christian faith This view has increased immensely during the last century The cause of this relatively sudden shift toward premillennialism has never been adequately explained Several factors certainly influenced it such as the vastly increased depth of Bible study the hermeneutical shift in churchly interpretation with its emphasis on the natural meaning of a passage in the context of the history and culture in which it was first given and modern studies of the early church which seem to show it was not really amillennial but premillennial This book seeks to set forth in comprehensive fashion the biblical basis for premillennialism and its significance for evangelical faith **Elenchus of Biblica** , 1990 American Book Publishing Record , 2002

Evans, 2010-08-30 When Jesus made us citizens of the Kingdom it came with advantages As members of the kingdom of God we are eligible to partake of the outpouring of the Spirit The books of Joel and Acts declare that the direct result of the outpouring of the Spirit of God would be revelation Men and women could receive and communicate by the Spirit of God two ways this is done is through dreams and visions In the first book of this series we will discuss the various aspects of dreams and visions We will examine the different types of dreams and visions and their role in the Christian life Book 1 of 2 **Books in Print** , 1993-09 V 1 Authors A D v 2 Authors E K v 3 Authors L R v 4 S Z v 5 Titles A D v 6 Titles E K v 7 Titles L Q v 8 Titles R Z v 9 Out of print out of stock indefinitely v 10

Publishers Forbidden Texts on the Western Frontier: The Christian Apocrypha in North American Perspectives Tony Burke, 2015-07-27 North American study of the Christian Apocrypha is known principally for its interest in using noncanonical texts to reconstruct the life and teachings of Jesus and for its support of Walter Bauer's theory on the development of early Christianity The papers in this volume presented in September 2013 at York University in Toronto challenge that simplistic assessment by demonstrating that U S and Canadian scholarship on the Christian Apocrypha is rich and diverse The topics covered in the papers include new developments in the study of canon formation the interplay of Christian Apocrypha and texts from the Nag Hammadi library digital humanities resources for reconstructing apocryphal texts and the value of studying late antique apocrypha Among the highlights of the collection are papers from a panel by three celebrated New Testament scholars reassessing the significance of the Christian Apocrypha for the study of the historical Jesus Forbidden Texts on the Western Frontier demonstrates the depth and breadth of Christian Apocrypha studies in North America and offers a glimpse at the achievements that lie ahead in the field The World, the Flesh, and the Devil Deluxe Edition (3 Books in 1) Roderick Levi Evans, 2011-01-13 The World The Flesh and The Devil provides guidelines for overcoming the three battlegrounds every Christian faces the world the flesh and the devil Learn how you can walk in the power of God Discover how you too can live victoriously in Christ **The New Apostolic Reformation, Trump, and Evangelical Politics** Damon T. Berry, 2023-06-29 Whilst many assume that conservative evangelical support for Trump is motivated by his position on social issues such as abortion and LGBTQ rights or a nostalgia for an imagined American golden age this book shows that the reality is much more complex by looking at a more recent and understudied trend of Evangelicalism in America Damon T Berry examines how leaders within the New Apostolic Reformation NAR a charismatically inclined Evangelical movement claim their support for Trump came from alleged prophetic visions that compelled them to defend Trump's candidacy and to continue to defend his presidency re election against demonically inspired Marxist Deep State enemies In this conspiratorial cosmology spiritual warfare through prayer and political activism is the duty of the faithful so that they might protect Trump as God's anointed leader and war against malevolent unpatriotic forces that oppose him the nation and God himself Working from primary source materials produced by leading figures among the NAR Berry argues that this conspiratorial discourse is central to NAR support for Trump's candidacy presidency and re election effort and that this discourse has come to shape some of the most important debates among American religious conservatives in the 21st century With Uplifted Head Al Machiela, Dan Liroy, 2007-10-01 With Uplifted Head Preaching Hope is a book that exalts Christ by giving insight into the biblical teaching about hope The book also shows interested readers how to preach in a way that will foster hope among members of their congregations Because the book is designed for both pastors and lay church leaders it does more than just present a theological understanding of biblical hope It also has plenty of suggestions for preaching hope directly and indirectly The authors maintain that only biblical hope

focused on the resurrection and affirmed by the renewing Holy Spirit can change believers internally and create anticipation for a future in the presence of the living God

The Gospel Among the Nations: A Documentary History of Inculturation Hunt, Robert A, 2014-04-10 The Gospel Among the Nations brings together in a single volume the most important primary documents illustrating how Christians have dealt with the most fundamental issue of the church s mission how to translate the gospel in new cultural settings The texts range from Pope Gregory s famous instructions to Augustine of Canterbury on his mission to England to W E Hockings s fateful Attitudes toward People of Other

Faiths Beginning with a masterful introduction to the theme Robert Hunt assembles scores of texts that reveal the way that missionaries church leaders and local Christians have contributed to the extension of Christianity over two millennia and thus made it truly a world religion The Gospel Among the Nations is an essential resource for students researchers and practitioners in world Christian history and mission studies The Proverbs of Jesus Alan Winton,1990-01-01 Was Jesus a prophet of the eschatological Kingdom or a teacher of wisdom These two characterizations of Jesus appear to be incompatible and since the last century the former has dominated our understanding of the Gospels at the expense of the latter Proverbial sayings in the Synoptics have either been pressed into the service of eschatology and have thus lost their character as wisdom or have been disregarded as inauthentic representing a later stage in the tradition This book offers a critique of the method of historical reconstruction which leads to such conclusions It also suggests an approach to the rhetoric or function of proverbial sayings based on pragmatics which develops the distinction between sense and force and offers some account of the rhetorical strategies involved in the use of proverbs in speech A final chapter attempts to show how proverbial sayings might be given more significance in our understanding of Jesus message through a reconsideration of the relationship between wisdom eschatology and the Kingdom of God **God, Revelation and Authority (Set of 6)** Carl F. H. Henry,1999-01-25 A monumental six volume set that presents an undeniable case for the revealed authority of God to a generation that has forgotten who he is and what he has done *An Introduction to Biblical Hermeneutics* Walter C. Kaiser,Moisés Silva,1994 Bernard Ramm s Protestant Biblical Hermeneutics published in 1956 attracted a broad spectrum of Bible readers and set the tone of biblical interpretation for a whole generation of evangelical students An Introduction to Biblical Hermeneutics could have a similar role for this generation at the end of the twentieth century Almost every assumption that Ramm made has been challenged and tested by the winds of modernity and post modernity The severity of the changes from earlier patterns of thinking is reflected in the subtitle to this book The Search for Meaning This book is distinctive from others on hermeneutics in that the authors rather than writing from a single viewpoint hold differing opinions on many issues There are more areas where they agree than disagree including the authority of Scripture and the primacy of authorial meaning but where they disagree is precisely where the issues are most crucial for the future So the readers are invited in effect to eavesdrop on a vibrant dialogue between two scholars and to reach their own conclusions Despite the convivial tone the readers must not mistake how great the stakes are In a culture that prizes individuality and personal freedom the primary question is no longer Is it true but rather Does it matter hence the question of relevancy has taken precedence over the questions What does the text mean This book therefore confronts the question of meaning and shows how evangelicals may still clearly hear the Word from God amid the cacophony of the age **Time Wise: God, the Bible, Time, and You** Theresa A.
