Book of Remembrance of Marion County, Oregon, Pioneers 1840-1860 Sarah Hunt Steeves, 1927 Pioneering Death Peter Boag, 2022-05-24 On an autumn day in 1895 eighteen year old Loyd Montgomery shot his parents and a neighbor in a gruesome act that reverberated beyond the small confines of Montgomery's Oregon farming community The dispassionate slaying and Montgomery's consequent hanging exposed the fault lines of a rapidly industrializing and urbanizing society and revealed the burdens of pioneer narratives boys of the time inherited In *Pioneering Death* Peter Boag examines the Brownsville parricide as an allegory for the destabilizing transitions within the rural United States at the end of the nineteenth century While pioneer families celebrated and memorialized founders of western white settler society their children faced a present and future in frightening decline Connecting a fascinating true crime story with the broader forces that produced the murders Boag uncovers how Loyd's violent acts reflected the brutality of American colonizing efforts the anxieties of global capitalism and the buried traumas of childhood in the American West **The Pathfinder; or, The**

Todd Gould, 1998-03-22 As fire is to prairie or water to fish so is basketball part of the natural environment in Indiana Round ball or Hoosier Hysteria is so much a part of the state's heritage that many people believe basketball was invented in Indiana Naismith's game is a virtual religion in the state While everyone knows about the growth of basketball in high schools and in college the story of Indiana's role in the development of professional basketball has not been told before It is a fascinating

passionate lively story of men who loved the game and were willing to play for nickels of raucous fans local heroes and love of the game Growing out of an award winning documentary *Pioneers of the Hardwood* tells the story of the growth of professional basketball in Indiana in the good old barnstorming days Gould covers the Indianapolis Em Roes the Fort Wayne Pistons later the Detroit Pistons the Indianapolis Kautskys and the Indianapolis Olympians He sets his story within the context of the times and also discusses some of the teams that the local heroes competed against including the famous New York Celtics the original Celtics and the gifted Harlem Rens the first all black professional team The book is based on extensive research as well as revealing interviews with former players John Wooden collegiate all American Ralph Beard Pat Malaska Frank Baird and others Indiana teams were frequently world champions The Fort Wayne Pistons dominated professional basketball for a number of years *Pioneers of the Hardwood* is an essential part of the story of the growth of professional basketball in the first half of this century As Gould puts it Before stars such as Larry Bird or Oscar Robertson before the high priced basketball shoe advertisements and before the success of the NBA before the Indiana Pacers the forefathers of professional basketball forged a remarkable legacy as unlikely and as magical as a last second shot spells a championship Under primitive conditions these fabled sportsmen laid a hardwood foundation for others to follow This is their story *Pioneers of the Northwest* Frederic Austin Ogg, Constance Lindsay Skinner, 1919 *Pioneers of the Past* Minerva O'Bryant Chandler, 2005-06 In 1852 some of the first settlers into the Sabinal Canyon of Texas traveled from Ireland to Arkansas and then made their way in covered wagons to the area now fittingly named Utopia Minerva Chandler tells of the lives of her ancestors the O Bryant and Kelly families and all those who shared their joys and sorrows on the Frio River and the surrounding area *Pioneers of the Past* was never published in the author's lifetime and has lain dormant since its completion in 1950 It has been brought to life by the author's granddaughter Charlena Chandler Minerva's namesake who has accomplished her grandmother's mission many years later and a century and a half after those intrepid men and women rode into the beautiful hill country of Texas Today this is a land of tourism and development but life back then was a world away from the comforts of modern times Come and join the days gone by of these hardy pioneers who built the foundations of the Hill Country of Texas *Rangers and Pioneers of Texas* Andrew Jackson Sowell, 1884 *Indian Wars and Pioneers of Texas* John Henry Brown, 2025-01-10 *True History of Some of the Pioneers of Colorado* Luella Shaw, 1909 This work presents the stories of several prominent pioneers of Colorado including Captain Peacock Jim Reynolds Alston Knox Shaw and others **The Chronicles of America Series: Pioneers of the northwest**, 1919 **LITTLEPAGE MANUSCRIPTS: Satanstoe, The Chainbearer & The Redskins (Complete Edition)** James Fenimore Cooper, 2017-05-29 The Littlepage Manuscripts follow three generations of a Dutch originated family settling in America beginning in the mid eighteenth century The trilogy is a fictional biography of the Littlepage family which explores the 18th century colony of New York Novels focus mainly on issues of land ownership and the displacement of American Indians as the United States moves

westward Critical to the trilogy of these novels is the sense of expansion through the measuring and acquisition of land by civilization Narratives in these fictional manuscripts reveal a lot about the mentality of the people at that point in history Satanstoe is the first novel of the trilogy with Mr Cornelius Littlepage as the main narrator His writings and descriptions paint the idyllic picture of the life of Dutch colonists The Chainbearer is the second book in a trilogy narrated by Mordaunt Littlepage The title represents the man who carries the chains in measuring the land helping civilization to grow from the wilderness Here is described cultural lack of understanding Native Americans had for European concepts of land ownership The Redskins is the final part of the trilogy with Mr Hugh Roger Littlepage as narrator This book closes the series of the Littlepage Manuscripts which have been given to the world as containing a fair account of the comparative sacrifices of time money and labor made respectively by the landlord and the tenants on a New York estate James Fenimore Cooper 1789 1851 was a prolific and popular American writer of the early 19th century His historical romances of frontier and Indian life created a unique form of American literature His best known works are five historical novels of the frontier period known as the Leatherstocking Tales **Pioneers with Eminence** Stephen L. Wood, 2019-05-09 The making of America The Fighting Meekers of Northfield New Jersey enlisted in the American Army at the age of 70 and fought in the American Revolution in the same company as his 9 sons 2 sons in laws and 1 grandson Pioneer Women s Journey West while walking most all children and women would pick up dried buffalo chips as that was the fuel for their night and morning fires When stopped for the night the wagons would form a circle or large V shape thus protecting the animals and people and it made it easy for the look outs to watch for intruders Indians road agents buffalo coyotes bears and such Indians were always trying to stampede or steal their livestock Most all wagons used tents set up on the sides of their wagons for shelter and sleeping some attached others freestanding unlike portrayed in most all movies as most all immigrants had their wagons packed with the necessities needed for settling in their new homes in the frontier So who really settled the west It took both hardy men and women to do so but in my humble opinion the women had it the hardest and endured their load willingly 76 years of events in my grandfather s life September 13 1916 Mary a circus elephant is hung in the town of Erwin Tennessee for killing her handler Walter Red Eldridge How the hell do you hang an elephant Cattle Drives Charles Goodnight is credited for inventing and using the first chuck wagon His cooks name Bose Ikard is credited for the son of a gun stew There are many recipes for this stew as it became rather famous not only to the hundreds of chuck wagon cooks on the various cattle trails but also the wagon trains used it several times a month in their crossing the vast plains Diaries of the wagon trains west Elizabeth K Bedwell 1852 Diary of the Oregon Trail As written May 29th traveled 20 miles 8 miles from the river Elk Horn brought us to the raging Platte you must not water there but keep on until you come to the first byo where you must gather wood for the night and morning and it would be well to haul water too 12 miles farther we camped in sight of Platte river on a byo plenty of grass and water south of the road
