Transporting Students with Special Needs: A Guide for School Bus Drivers and School Bus Monitors Tony Spruill, 2020-07-21 This quick reference laminated guide is designed to help school bus drivers and bus monitors understand the unique transportation needs of students with disabilities. It provides bus drivers and monitors with quick access to on the spot support and strategies as they transport students safely and pleasantly on a daily basis. To help drivers and monitors fulfill their roles successfully, this guide reviews the laws that ensure transportation and related services are provided to students with disabilities, explains the common types of disabilities likely to be encountered on the bus, offers strategies and techniques for promoting approachable and proactive communication with students, parents, school staff, and each other, improves understanding of students' special needs, provides resolution and problem solving techniques, assists with fostering an atmosphere of service that creates a safe and supportive transportation experience. This guide is meant as a supplement to, not a replacement for, your school district's transportation policy. The recommendations in this guide should only be used if they do not conflict with those of your school district.

School Bus Wisdom Barry Dorshimer, 2012-01-30 The purpose of this book *SCHOOL BUS WISDOM* is to aid the new school bus driver as well as the seasoned school bus driver in keeping their attitude, skills, safety, performance, and their interaction with students positive, professional, and sharp. Every School Bus driver who transports a part of that precious cargo of 24 million students to and from schools across this vast nation every day of each school year will benefit from this book. This book has a massive audience. Every School District throughout this country as well as the contractors who serve School Districts which do not operate their own School Transportation. The audience also includes Parents and Guardians of students who ride a School Bus, and the combination of material would be valuable information for the students themselves. Much of the information found in this book is not included in current school bus driving manuals or training materials. This is a collection of thoughts and ideas to help school bus drivers achieve positive results. This safety tool would make an excellent gift for all school bus drivers who qualify for a safety award at the end of the school year.
