**Representing Reason** Rachel Joffe Falmagne, Marjorie Hass, 2002-10-16 Philosophy's traditional man of reason independent neutral unemotional is an illusion That's because the man of reason ignores one very important thing the woman As feminist philosophy grew in the 1980s and 90s it became clear that the attributes philosophical tradition wrote off as womanly are in fact part of human nature No longer can philosophy maintain the dichotomy between the rational man and the emotional woman but must now examine a more complex human being able to reason and feel Yet feminist philosophy

also makes it clear that men and women theorize the world in different ways from different perspectives Representing Reasons Feminist Theory and Formal Logic collects new and old essays that shed light on the underexplored intersection of logic and feminism The papers in this collection cross over many of the traditional divides between continental and analytic philosophy between philosophical reflection and empirical investigation and between empirical investigations with an individual or societal grain of analysis This is possible because Representing Reasons frames the relationship between logic and feminism in terms of issues rather than historical figures or methodologies As such the articles serve as a model for crossing these divides just as they break down the traditional divide between logic and feminism **The Gender Question**

**In Education** Ann Diller, 2018-10-08 In this innovative book four prominent philosophers of education introduce readers to the central debates about the role of gender in educational practice policymaking and theory More a record of a continuing conversation than a statement of a fixed point of view The Gender Question in Education enables students and practicing teachers to think through to their own conclusions and to add their own voices to the conversation Throughout the authors emphasize the value of a gender sensitive perspective on educational issues and the relevance of an ethics of care for educational practice Among the topics discussed are feminist pedagogy gender freedom in public education androgyny sex education multiculturalism the inclusive curriculum and the educational significance of an ethics of care The multiauthor dialogic structure of this book provides unusual breadth and cohesiveness as well as a forum for the exchange of ideas making it both an ideal introduction to gender analysis in education and a model for more advanced students of gender issues **Religion in Today's World** Melissa Wilcox, 2013-12-19 Religion is a major force in contemporary society It is also one of the least understood social and political influences on individuals and communities In this innovative collection of original essays and classic readings experts explore the significance of contemporary religiosity as a source of meaning and motivation how it unites and divides us and how it is used politically and culturally Readers will be introduced to the broad debates in ways that will equip them to analyze discuss and make their own judgments about religion and society This book should be read by anyone interested in understanding religion as a central source of meaning and politics and is ideally suited for undergraduate teaching on religion and social issues and from a global perspective Shrinking Violets and

Caspar Milquetoasts Patricia McDaniel, 2003-11 Since World War II Americans attitudes towards shyness have changed The women s movement and the sexual revolution raised questions about communication self expression intimacy and personality leading to new concerns about shyness At the same time the growth of psychotherapy and the mental health industry brought shyness to the attention of professionals who began to regard it as an illness in need of a cure But what is shyness How is it related to gender race and class identities And what does its stigmatization say about our culture In Shrinking Violets and Caspar Milquetoasts Patricia McDaniel tells the story of shyness Using popular self help books and magazine articles she shows how prevailing attitudes toward shyness frequently work to disempower women She draws on evidence as

diverse as 1950s views of shyness as a womanly virtue to contemporary views of shyness as a barrier to intimacy to highlight how cultural standards governing shyness reproduce and maintain power differences between and among women and men

**Handbk Research Stud Soci Sci** Chris Skinner, 2006-01-16 First published in 1991 Routledge is an imprint of Taylor Francis an informa company      **Gender, Policy and Educational Change** Sheila Riddell, Jane Salisbury, 2003-05-20

Gender equality has been a major educational theme for the past two decades and has become interwoven with other policy themes including those of marketisation and managerialism Contributors to this strong collection are key researchers in their fields and seek to address the following questions What patterns are discernible in the educational attainment of girls and boys over the past two decades To what extent are changes attributable to gender equality policies What form have gender equality policies taken in different parts of the UK What has been the impact of European equality policies How have gender equality policies been experienced by particular groups including pupils from ethnic minority and working class backgrounds This book aims to take an overall look at how significant have been the changes in experiences aspirations and culture of girls and boys and male and female teachers It explores how attempts to improve equal opportunities in education have fared and examines the tensions and contradictions in recent policies      **Gender and Interpersonal Violence** K. Throsby, F. Alexander, 2008-10-24 Drawing on research from a variety of disciplines this edited collection challenges conventional understandings of gendered interpersonal violence and identifies emerging sites and forms of resistance to it      **Writing a New World** Dale Spender, 1988 A history still in the making Australian women writers through their letters diaries and fictions have created a new world of literature Dale Spender in this lively and provocative history of white women's literature presents a fresh and forthright view of the achievements of convict writers to writers and feminists of the nineteenth and twentieth centuries      **Therapeutic Nursing** Dawn Freshwater, 2002-09-10 I found the book to be fascinating and so thought provoking that it made me consider more carefully the text and prose to really understand what the author said It is skilfully written very readable and has implications for a wide range of people such as the undergraduate practitioner lecturer and researcher Accident and Emergency Nursing Gaining self awareness is a vital aspect of professional development for all who work in the caring professions In nursing especially the ability to evaluate oneself affects all areas of practice including direct patient care working relationships with colleagues and maintaining one's own well being in the often pressured environment of health care This is an innovative text which explores the ways in which self awareness can be used as a practical tool for continuing professional development and practice improvement Divided into three parts the book examines the role of the nurse as therapeutic practitioner reflective learner and reflexive researcher For all those wishing to develop their skills as autonomous reflective accountable practitioners this book will be an inspiring read It will be of immense use to those who teach and supervise nurses at all levels      **Peace Psychology in Australia** Diane Bretherton, Nikola Balvin, 2012-01-16 This book is a case study of the development of peace psychology in Australia While

there is in comparison to other countries relatively little overt violence Australia the nation was founded on the dispossession of Indigenous people and their oppression continues today Peace Psychology in Australia covers the most significant issues of peace and conflict in the country It begins with a review of conflict resolution practices among Australia's ancient Indigenous cultures and succinctly captures topics of peace and conflict which the country has faced in the past 222 years since British settlement The fast population growth thriving multiculturalism leadership in international affairs and environmental isolation make Australia a microcosm for the study of human conflicts and peace movements

A Philosopher, A Psychologist, and An ExtraTerrestrial Jass Richards, 2024-01-01 When an independent activist and her office temp with a doctorate buddy embark on a quest for a chocolate bar a bar that serves not alcohol but chocolate in all its deliciously decadent forms they pick up a hitchhiking extraterrestrial who's stopped on Earth to ask for directions I know right They do their damndest to help X find the information she needs to get back home all the while confronting everyday sexism rather like bashing your head against a jellyfish and committing assorted outrageous acts and everyday rebellions

Reading Pakeha? Christina Stachurski, 2009 Aotearoa New Zealand a tiny Pacific country is of great interest to those engaged in postcolonial and literary studies throughout the world In all former colonies myths of national identity are vested with various interests Shifts in collective Pakeha or New Zealand European identity have been marked by the phenomenal popularity of three novels each at a time of massive social change Late colonialism anti imperialism and the collapse of the idea of a singular nation can be traced through the reception of John Mulgan's *Man Alone* 1939 Keri Hulme's *The Bone People* 1983 and Alan Duff's *Once Were Warriors* 1990 Yet close analysis of these three novels also reveals marginalization and silencing in claims to singular Pakeha identity and a linear development of settler acculturation Such a dynamic resonates with that of other settler cultures the similarities and differences telling in comparison Specifically *Reading Pakeha Fiction and Identity in Aotearoa New Zealand* explores how concepts of race and ethnicity intersect with those of gender sex and sexuality This book also asks whether Pakeha is still a meaningful term

*Radically Speaking* Diane Bell, Renate Klein, 1996 The contributors to *Radically Speaking* show that a radical feminist analysis cuts across class race sexuality region religion and across the generations It is essential reading for Women's Studies sociology cultural studies and anyone interested in processes of social change

The collection reveals the global reach of radical feminism and analyzes the causes and solutions to patriarchal oppression. Seventy writers discuss their ideas and practice of contemporary feminism. *Literary Non-Fiction: A Writers' & Artists' Companion* Sally Cline, Midge Gillies, 2015-11-19. *Literary Non-Fiction: A Writers' & Artists' Companion* is an essential guide to writing in a wide range of genres from travel writing to feminist polemic and writing on nature, history, death, friendship, and sexuality. Part 1 explores the full range of genres and asks the question: what is literary non-fiction? Part 2 includes tips by such bestselling literary non-fiction writers as Lisa Appignanesi, Rosemary Bailey, Gillian Beer, Bidisha, Lizzie Collingham, William Dalrymple, Stevie Davies, Colin Grant, Rahila Gupta, Philip Hoare, Siri Hustvedt, Alice Kessler Harris, Barry Lopez, Richard Mabey, Robert Macfarlane, Sara Maitland, Neil McKenna, Caroline Moorehead, Susie Orbach, Jennifer Potter, Susan Sellers, Dava Sobel, Diana Souhami, Dale Spender, Francis Spufford, Daniel Swift, Colin Thubron, Natasha Walter, Sara Wheeler, and Simon Winchester.
