## **Reflections From The Riverbank:**

*Reflections from the Riverbank* Lyal LeClair Fox, 2000 Corey was just a tired old man who wanted nothing more than to be home for Christmas He had experienced more than his share of sadness and heartache during his lifetime and most of it he would just as soon forget This train ride home a train ride that would take him back in time would cause him to live through it all again and end with a miracle What happened toward the end of this train ride was more than even Corey could believe Was it some kind of divine intervention or the lack thereof that would explain these strange events Either way one thing we can be certain of they did happen How or why no one will ever know This story was inspired by actual events so you be the judge

**The Nature of Summer** Jim Crumley, 2022-01-01. A beautiful book of an exceptional and intense quality of observation glows from every page. A wisdom that we need now more than ever before. Joyce McMillan. *The Scotsman*. In the endless light of summer days and the magical gloaming of the wee small hours, nature in Jim's beloved Highlands, Perthshire and Trossachs heartlands is burgeoning freely as though there is one long midsummer's eve, nothing reserved. For our flora and fauna, for the very land itself, this is the time of extravagant growth, flowering, and the promise of fruit and the harvest to come. But despite the abundance, as Jim Crumley attests, summer in the Northlands is no Wordsworthian idyll. Climate chaos and its attendant unpredictable weather brings high drama to the lives of the animals and birds he observes. There is also a wild, elemental beauty to the land, mountains, lochs, coasts, and skies, a sense of nature at its very apex during this, the most beautiful and lush of seasons. Jim chronicles it all: the wonder, the tumult, the spectacle of summer.

Water in Watercolour Dowden, 2014 **Reflections** James O. Jeffers, 2003 The book chronicles James Jeffers' life from about age two but it purposefully falls short of being either memoirs or autobiography With this work he has attempted to simply record for his children grandchildren and others the wonderful events of his life as he experienced them The book covers thousands of miles of travel along with living and working with peoples of differing cultures on three continents and in the Caribbean five foreign countries and fifteen different states spanning the nation from coast to coast to coast Reflection

and the Stability of Belief Louis E. Loeb, 2010 A unifying theme of Loeb's work is epistemological that Descartes and Hume advance theories of knowledge that rely on a substantial naturalistic component adopting one or another member of a cluster of psychological properties of beliefs as the goal of inquiry and the standard for assessing belief forming mechanisms Thus Loeb shows a surprising affinity between the epistemologies of the two figures surprising because they are often thought of as polar opposites in this respect Descartes and Hume are unique in that their philosophical texts are accessible beyond just a narrow audience in the history of philosophy their ideas continue to be a vital part of the field at large This volume will thus

appeal to advanced students and scholars not just in the history of early modern philosophy but in epistemology and other core areas of the discipline      Moral Authority in Seamus Heaney and Geoffrey Hill Bridget Vincent,2022 Studies the work of Seamus Heaney and Geoffrey Hill to present new perspectives on the way literature communicates moral knowledge
