Reflections is a theological guide for today s Christians seeking a fuller appreciation of religious faith than is represented in populist religion The seven categories and their chapters are designed to provide the reader with an intensive study on neglected but imperative concepts for faith Subjects of vital importance to both theology and humanity are explored with a flowing continuity of understanding God and the world Reflections begins with the concept of revelation and its relation to monotheism and conviction The chapters that follow are titled Religion Is Christianity Is and Intelligent Spirituality these set the foundation for the rest of the book The sense of moderns is that they are immune to the primitive concept of idolatry Under the category of Perennial Idols Garner dismantles the idolatry that plagues humanity in every generation Reality and its creation is a category of theological thought that is essential for Christian development and sorrowfully neglected in church education The other categories are Sex and Romantic Love Popular Myths Being Human Being Poor and Forgiveness Garner s conviction is that the root of humanity s dysfunction is our failure to learn how to live together as male and female

The Standard Christian Epidemic David Vilkhovoy,2013-02-12 Why does Christianity fail Many people mock Christianity as a hypocritical lifestyle and even Christians themselves have given over to what society says about them However Christianity does not work when it is lived by mere human ways because it is a lifestyle of aggressive faith This book highlights the truths of the Christian faith helping you understand why Christianity fails and how to make it work Its not a formula but simply a message Christians shouldnt look to anyone but Jesus Christ as their ultimate example Questions answered in this book If God is so real why dont I experience Him If God is perfect why is Christianity so controversial Is it possible to live a powerful influential life as a Christian The Standard Christian Epidemic explores in depth the theme of calling the church back to the standard of Jesus Christ instead of that of religion and reliance on self which has hindered the church for so long Graham Jones Reverend International Gospel Outreach There is no doubt that David has heard from God The standard is being raised and this is the call of God to break free from the Standard Christian Epidemic Mark Casto pastor Omega Center International David is pointing the way for the next generation the up and coming generation that so desperately needs to know truth and the hope that we have in Jesus Christ Gail Manizak CEO The Power and Presence Ministry *Idoleyes* Mandisa Hundley,2016-01-05 By candidly sharing her own joys heartaches triumphs and failures Mandisa shows women that they can be beautiful at any size and that healthy self esteem and personal beauty come only when they accept themselves as a unique and much loved woman of God s creation Mandisa also gives readers a very candid behind the scenes look at life as an American Idol contestant *The Publishers Weekly* ,2004 **The Abingdon African American Preaching Library** Kirk Byron Jones,2010-10-01 God s people need to hear a word from the Lord to know their God is with them and to transcend this world and be taken to the very feet of Jesus The preacher is charged with assisting in this mission While there may be different theological perspectives and different methods of sermon preparation and delivery
