Reframing Antisemitism Alternative Jewish Perspectives:

Reframing Anti-semitism Henri Picciotto, Jewish Voice for Peace, Mitchell Plitnick, 2004 9 essays from members of the venerable Jewish peace and justice organisation plus one from Judith Butler reframe the debate on the middle east and anti semitism The eloquent testimonials in this myth busting book are crucial reading for everyone concerned about Middle East peace Middle East Report Jewish Voice for Peace has done us all a great service by publishing this smart little book which shows nicely how the charge of anti Semitism is used these days to silence Jews and non Jews who criticize Israel s policies in the occupied territories John Mearsheimer Professor of Political Science University Of Chicago *Solidarity Is the Political Version of Love* Rebecca Vilkomerson, Alissa Wise, 2024-09-03 What does the politics of solidarity look like in practice and how can left wing organizations grow in numbers and power while remaining accountable to the broader movements of which they are a part Against enormous odds and in the face of fierce pushback the Palestine solidarity movement has succeeded in transforming the landscape of American politics The movement has catapulted Palestine from being an untouchable topic in even liberal political circles to a central rallying cry in grassroots progressive organizing one that is championed by some of the highest profile and beloved members of Congress In the fall and winter of 2023 with the attention of the world focused on Israel s unprecedented aggression against the people of Gaza millions across the globe mobilized in solidarity with Palestinians and their struggle for liberation Jewish progressives in the US played a highly visible role in denouncing Israel s actions and US complicity in them leading mobilizations and disruptions from the US Capitol to Grand Central Station In this book two key leaders and former staff of Jewish Voice for Peace JVP Rebecca Vilkomerson and Rabbi Alissa Wise focus on the important role of anti Zionist Jewish organizing within the broader Palestine solidarity movement reflecting on their decade of leadership of JVP and drawing lessons especially relevant to those organizing from a position of solidarity Against the backdrop of rapid and often devastating political developments they explore how JVP grew larger as the organization shifted to the left and helped to alter the public narrative about Palestinian liberation while also navigating the tensions of organization building and creating a space for Judaism liberated from Zionism Their insights help contextualize the intense suppression of activism for Palestinian freedom while illuminating the roots of today s flourishing Jewish solidarity with Palestinians worldwide In addressing their shortcomings and failures no less than their inspiring successes Vilkomerson and Wise deliver an account of JVP s organizing during the 2010s that offers crucial strategic lessons for anyone engaging in the collective work of building organizations and fighting for justice as our movements evolve over time *Holocaust Film* Terri Ginsberg, 2009-03-26 This timely new monograph takes as its starting point the provocative contention that Holocaust film scholarship has been marginalized academically despite the crucial role Holocaust film has played in fostering international awareness of the Nazi genocide and scholarly understandings of cinematic power The book suggests political and economic motivations for this seeming paradox the ideological parameters of which are evident in

debates and controversies over Holocaust films themselves and around Holocaust culture in general Lending particular attention to four exemplary Holocaust art films Korczak Poland 1990 The Quarrel Canada 1990 Entre Nous France 1983 and Balagan Germany 1994 this book breaks disciplinary ground by drawing critical connections between public and scholarly debates over Holocaust representation and the often sophisticated cinematic structures lending aesthetic shape to them in today's global arena

The Colors of Jews Melanie Kaye/Kantrowitz, 2007-06-14 Exposes and challenges the common assumptions about whom and what Jews are by presenting in their own voices Jews of color from the Iberian Peninsula Asia Africa and India Kaye Kantrowitz delves into the largely uncharted territory of Jews of color and argues that Jews are an increasingly multiracial people From publisher description

From Occupation to Occupy Sina Arnold, 2022-09-06 The recent rise of antisemitism in the United States has been well documented and linked to groups and ideologies associated with the far right In *From Occupation to Occupy* Sina Arnold argues that antisemitism can also be found as an invisible prejudice on the left Based on participation in left wing events and demonstrations interviews with activists and analysis of left wing social movement literature Arnold argues that a pattern for enabling antisemitism exists Although open antisemitism on the left is very rare there are recurring instances of antisemitic trivialization in which antisemitism is not perceived as a relevant issue in its own right leading to a lack of empathy for Jewish concerns and grievances Arnold's research also reveals a pervasive defensiveness against accusations of antisemitism in left wing politics with activists fiercely dismissing the possibility of prejudice against Jews within their movements and invariably shifting discussions to critiques of Israel or other forms of racism *From Occupation to Occupy* offers potential remedies for this situation and suggests that a progressive political movement that takes antisemitism seriously can be a powerful force for change in the United States

Politics and Resentment Lars Rensmann, Julius H. Schoeps, 2010-10-29 Democratic polities continue to be faced with politics of resentment The first comparative study of its kind this book rigorously examines the contemporary relevance of antisemitism and counter cosmopolitan resentments in the European Union and beyond

THE ISRAEL LOBBY AND U. S. FOREIGN POLICY N. Nourizadeh, 2014-02-13 This book is about politics and the close relation between Israel and US foreign policy

Israel, the Diaspora, and Jewish Identity Danny Ben-Moshe, Zohar Segev, 2007 This title investigates the significance contribution and role played by the State of Israel ideologically and practically and explores the extent and way Israel features in diaspora identity through a range of issues

Das unsichtbare Vorurteil Sina Arnold, 2016-10-05 Eine ebenso analytische wie fesselnde Studie zu Antisemitismuskursen in der US amerikanischen Linken und zum globalen Antisemitismus im 21. Jahrhundert Das Verhältnis linker Bewegungen zum Antisemitismus ist ein polarisierendes Thema Auch in den USA stehen nicht erst seit den Anschlägen vom 11. September 2001 Bewegungen wie Occupy Wall Street die Friedensbewegung oder pro palästinensische Gruppen unter Antisemitismusverdacht Häufig sind es ihre Kritik an Israel und damit verbundene Positionen und Aktionen wie Boykottaufrufe die Anlass für erhitzte Debatten in den Medien an Universitäten

ten oder innerhalb sozialer Bewegungen wie auch der jüdisch amerikanischen Community geben Aufbauend auf einer empirisch ethnografischen Studie will Sina Arnold Nchternheit in diese Debatten bringen Die Autorin analysiert die Sichtweisen von Aktivistinnen und Aktivisten der US amerikanischen Linken auf Jüdinnen und Juden das Judentum und Antisemitismus aber auch auf Anschlussdiskurse wie Holocaust und Holocaustgedenken Antirassismus Kapitalismuskritik die Politik der USA sowie Israel und den Nahostkonflikt Sie bettet diese ein in die historische Entwicklung des Judentums und des Antisemitismus in den USA wie auch in verschiedene Epochen der Linken Dadurch werden historische Kontinuitäten aber auch Veränderungen linker Politik ebenso deutlich wie Paradigmenwechsel und identitäre Verhandlungen innerhalb der jüdisch amerikanischen Community Die Analyse linker Antisemitismuskurse wirft ein Schlaglicht auf die gegenwärtige Verfasstheit der amerikanischen Gesellschaft in Zeiten von ökonomischer und politischer Krise Die Untersuchung einer Bewegung mit internationalen Traditionen und Bezugspunkten trägt bei zu einem Verständnis des globalen Antisemitismus im 21. Jahrhundert bei *Middle East Report*, 2004 *My Israel Question* Antony Loewenstein, 2009-09-01 Antony Loewenstein's *My Israel Question* was a bestseller when first published and generated a storm of controversy critical praise and robust public debate Loewenstein's forensic discussion of the Israeli Palestinian conflict continues here in a fully updated and expanded new edition examining the prospects of the Middle East peace process in the new geopolitical context The election of Barack Obama brought hope to millions around the world and has seen renewed diplomatic efforts in the Middle East Yet the Israel Palestine conflict remains mired in brutality and occupation The election of a far right Israeli government the indiscriminate war on Gaza and the illegal expansion of West Bank colonies suggest a bleak future for both Israelis and Palestinians However public debate about the issue in the USA United Kingdom Europe and Australia is suggesting alternative ways of tackling the crisis Now Antony Loewenstein maps the way in which the conflict is ferociously discussed and where the hope lies for resolution to the brutal impasse *Hollywood and Anti-Semitism* Steven Alan Carr, 2001 This book examines the role of American Jews in the entertainment industry from the turn of the century to the outbreak of World War II Eastern European Jewish immigrants are often credited with building a film industry during the first decade of the twentieth century that they dominated by the 1920s In this study Steven Carr reconceptualizes Jewish involvement in Hollywood by examining prevalent attitudes towards Jews among American audiences Analogous to the Jewish Question of the nineteenth century which was concerned with the full participation of Jews within public life the Hollywood Question of the 1920s 30s and 40s addressed the Jewish population within mass media This study reveals the powerful set of assumptions concerning ethnicity and media influence as related to the role of the Jew in the motion picture industry *Transnational Traditions* Ava F. Kahn, Adam D. Mendelsohn, 2014-11-03 No other single work in the field systematically focuses on this subject nor covers the range of themes explored in this volume *Transforming Conflict through Communication in Personal, Family, and Working Relationships* Peter M. Kellett, Thomas G. Matyók, 2016-11-15 A

transformational approach to conflict argues that conflicts must be viewed as embedded within broader relational patterns and social and discursive structures Central to this book is the idea that the origins of transformation can be momentary situational and small scale or large scale and systemic The momentary involves shifts and meaningful changes in communication and related patterns that are created in communication between people Momentary transformative changes can radiate out into more systemic levels and systemic transformative changes can radiate inward to more personal levels This book engages this transformative framework by bringing together current scholarship that epitomizes and highlights the contribution of communication scholarship and communication centered approaches to conflict transformation in personal family and working relationships and organizational contexts The resulting volume presents an engaging mix of scholarly chapters think pieces and personal experiences from the field of practice and everyday life The book embraces a wide variety of theoretical and methodological approaches including narrative critical intersectional rhetorical and quantitative It makes a valuable additive contribution to the ongoing dialogue across and between disciplines on how to transform conflicts creatively sustainably and ethically
