Refugees In Our Own Land Chronicles From A Palestinian Refugee Camp In Bethlehem:

Refugees in Our Own Land Muna Hamzeh, 2001-08-20 This is a gripping account of what it is like to live as a Palestinian as a refugee in your own homeland Born in Jerusalem Muna Hamzeh is a journalist who has been writing about Palestinian affairs since 1985 She first worked as a journalist in Washington DC but moved back to Palestine in 1989 to cover the first Palestine Intifada the war of stones She then settled in Dheisheh near Bethlehem one of 59 Palestinian refugee camps that are considered the oldest refugee camps in the world The book consists of a diary which Hamzeh wrote between October 4th and December 4th 2000 telling the story of the second Intifada Facing the tanks and armed guards of one of the best equipped armies in the world the Palestinians have nothing They fight back with stones The anguish and terror that Muna and her friends face on daily basis is tangible Who will be the next to die Whose house will be the next to burn down This deeply moving personal account brings to life the harsh realities of the Palestinian struggle **Refugees in Our Own Land** Muna Hamzeh, 2001

The Heartbeat of the Prophetic Marc H. Ellis, 2017-09-19 In volume one of this multi volume series Marc Ellis explores the essence of the prophetic by intertwining the context of ordinary life and the explosive reality of Jewish identity the Holocaust and Israel Palestine But Ellis's prophetic challenge extends to people of all faiths and backgrounds For Jews Christians and Muslims where does the prophetic come from and how do we define it Is the heartbeat of the prophetic God or our own commitment In our time where belief in God is more difficult does the prophetic suggest only the possibility of God With or without God is the prophetic worth the suffering that comes the exile's way Ellis's unfolding narration of the prophetic is unique and probing for those who take life justice and faith seriously

From Coexistence to Conquest Victor Kattan, 2009-06-20 This book shows how the Arab Israeli conflict developed by looking beyond the legality argument to the men behind the policies It argues that Zionism was adopted by the British Government in its 1917 Balfour Declaration primarily as a way to control immigration The book places the violent reaction of the Palestinians to mass Jewish immigration in the context of Zionism and revisits the controversies over the question of self determination and the partition of Palestine Arguing that Israel was created through an act of conquest and subjugation the book concludes with a sobering analysis of the conflict arguing that neither Jews nor Arabs were to blame for starting it

Tourism and Memories of Home Sabine

Marschall,2017-02-03 This book investigates home and homeland as destinations of touristic journeys and adds to recent scholarly interest in the intersection between tourism and migration It covers the temporary visits and journeys in search of home and homelands by migrants displaced people exiles and diasporic communities in a wide range of different geographical and historical contexts Personal and collective forms of memory are shown to play a key role in the motivation for and experience of such journeys The volume contributes to the investigation of the tourism memory nexus as it conceptualizes memory as underpinning touristic mobility experience and performativity Based on ethnographic case studies and other types of qualitative empirical research the chapters of this book foreground individual touristic experiences emotions memories perceptions the search for identity and a sense of belonging The book will be of interest to students and researchers in the fields of tourism heritage anthropology identity studies memory studies and migration diaspora studies

Forced to Flee Peter W. Van Arsdale,2006-08-04 The Modern Refugee Era began with the end of World War II An extensive literature has been created on the issue of refugees and other forcibly displaced persons during this period While much of this has focused on refugee flight and post flight *Forced to Flee* uniquely looks at the pre flight environment and the factors contributing to human rights violations therein It is due to these abuses that many people flee their homelands Author Peter W Van Arsdale presents first hand fieldwork conducted over a 30 year span in six refugee homelands ranging from Sudan to Bosnia This expert research bridges the emergent refugee and human rights regimes while addressing theories of obligation justice and structural inequality Van Arsdale also deftly tackles the difficult ideas of compassion suffering and evil and introduces the concept of pragmatic humanitarianism *Forced to Flee* is a comprehensive study that should be of great interest to scholars and practitioners of anthropology sociology social work political science and environmental studies

Placing Critical Geography Lawrence D. Berg,Ulrich Best,Mary Gilmartin,Henrik Gutzon Larsen,2021-11-29 This book explores the multiple histories of critical geography as it developed in 14 different locations around the globe whilst bringing together a range of approaches in critical geography It is the first attempt to provide a comprehensive account of a wide variety of historical geographies of critical geography from around the world Accordingly the chapters provide accounts of the development of critical approaches in geography from beyond the hegemonic Anglo American metropolises Bringing together geographers from a wide range of regional and intellectual milieus this volume provides a critical overview that is international and illustrates the interactions or lack thereof between different critical geographers working across a range of spaces The chapters provide a more nuanced history of critical geography suggesting that while there were sometimes strong connections with Anglo American critical geography there were also deeply independent developments that were part of the construction of very different kinds of critical geography in different parts of the world *Placing Critical Geographies* provides an excellent companion to existing histories of critical geography and will be important reading for researchers as well as undergraduate and graduate students of the history and philosophy of geography
