Regiments War:

British Regiments 1914-1918 Brigadier E. A. James, 2012-09-06 One of the most used and most useful works of reference on the Great War ever published In this marvellous volume is listed every cavalry and Yeomanry regiment every battalion of every infantry regiment Regular Territorial or other that existed during the Great War In every case the location of the unit on 4 August 1914 is given or the date and place of its formation if raised after the outbreak of war Its initial disposition subsequent moves changes in subordination and final disposal or location on 11 November 1918 are all recorded Thus in a masterly and concise form we have the war service record of 31 regular and 17 reserve cavalry regiments 57 Yeomanry regiments and their second and third line counterparts and nearly 1 750 infantry battalions Several appendices contain a mine of information a table of the infantry regiments showing the number of the different types of battalions each had regular reserve extra reserve territorial New Army garrison etc how the New Army battalions were raised the Training Reserve list of infantry divisions summary of battle honours casualties and VCs of each infantry regiment Finally there is a good index

A Guide to the Indian Wars of the West John Dishon McDermott, 1998-01-01 A rich and detailed look at the wars that the United States conducted against its native population from 1860 to 1890 explores the fundamental circumstances of events investigates the different responses of tribes to the conflict and much more Original UP

Britain's Lost Regiments Trevor Royle, 2014-10-02 The history of the British Army is really the story of its regiments and the men who served in them From the very beginning they formed the backbone of a singular institution that is itself a reflection of the way the people of Britain view themselves and their collective past Beginning with the Glorious revolution of 1660 and the return to the throne of King Charles II it was a time when Cromwell's Commonwealth and his military institutions were not popular But the new king had to be protected and the country had to be defended Through a process of slow growth and frequent tardiness an army eventually came into being and from the outset it was based solidly on a regimental system which needed steady supplies of recruits to keep it in being Since then men have joined up for many valid reasons such as adventure patriotism or a sense of duty but not all motives were commendable For every young man attracted by the chance to wear a uniform there would be many more who had fallen foul of the law been poverty stricken or fallen into debt or had committed a sexual indiscretion Others were simply coerced With the exception of the two great world wars of the twentieth century the Army rarely numbered more than 250 000 and in 2020 its numbers will have fallen to 82 000 a poor reward one would have thought for all past endeavours Over the years periods of warfare have always been followed by times of peace when expenditure on the armed forces dropped soldiers were made redundant and regiments mainly infantry were either disbanded or amalgamated often with painful consequences However there is a case for saying that no regiment is ever entirely lost and that it will always live on in men's minds as a mystical entity The British Army certainly makes a great deal of the golden thread which still links say the Middlesex Die Hards to the modern Princess of Wales's Royal Regiment but the

harsh reality is that those ties are only as strong as the men who made them Like it or not the old and bold soldiers are a dwindling band and once they have fallen out for the last time the regiments will be truly lost For this reason Trevor Royle now explores the histories of the many regiments that have disappeared to celebrate their existence as well as the men and officers who served with distinction within them

The United States Infantry Gregory J. W. Urwin, 2000 Gregory J W Urwin narrates the history of American infantrymen from their colonial origins through the War of 1812 the Mexican War Civil War the Indian Wars the Spanish American War and finally to their painful coming of age in 1918 as a world class combat force on the fields of France in World War I

Armor - Cavalry Regiments Jeffery Lynn Pope, 1999-12 This book traces the lineage honors of the currently active 55 Army National Guard Armor Cavalry regiments The lineage of a unit is its military history It includes the organization of a unit its entry into Federal service any reorganizations redesignations or conversions the unit may have undergone The honors of a unit consist of wartime campaigns unit decoration streamers Lineages for National Guard units are published at the regimental level as are the lineage honors of the regiments included in this book If a regiment is authorized a distinctive unit insignia it is shown to the left of its regimental designation

All for the Regiment Gerald J. Prokopowicz, 2014-03-24 Despite its important role in the early years of the Civil War the Army of the Ohio remains one of the least studied of all Union commands With All for the Regiment Gerald Prokopowicz deftly fills this surprising gap He offers an engaging history of the army from its formation in 1861 to its costly triumph at Shiloh and its failure at Perryville in 1862 Prokopowicz shows how the amateur soldiers who formed the Army of the Ohio organized themselves into individual regiments of remarkable strength and cohesion Successive commanders Robert Anderson William T Sherman and Don Carlos Buell all failed to integrate those regiments into an effective organization however The result was a decentralized and elastic army that was easily disrupted and difficult to command but also nearly impossible to destroy in combat Exploring the army's behavior at minor engagements such as Rowlett's Station and Logan's Cross Roads as well as major battles such as Shiloh and Perryville Prokopowicz reveals how its regiment oriented culture prevented the army from experiencing decisive results either complete victory or catastrophic defeat on the battlefield Regimental solidarity was at once the Army of the Ohio's greatest strength he argues and its most dangerous vulnerability

The War of 1898, and U.S. Interventions, 1898-1934 Benjamin R. Beede, 1994 A fascinating encyclopedic survey of the Spanish Cuban American War the Philippine War and the small wars between 1899 and the end of the occupation of Haiti in 1934 The name changes themselves are instructive The usage of Spanish American War ignores the fact that the war in Cuba had been largely won by the Cuban revolutionaries before US intervention hence the new title Spanish Cuban American War The use of Philippine Insurrection is replaced by Philippine War since the Philippine forces had taken much of the islands from Spain before US ground forces arrived And guerillas or revolutionaries have replaced bandits the term used by the US to discredit oppositional forces

Regiments War Introduction

In today's digital age, the availability of Regiments War books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Regiments War books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Regiments War books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Regiments War versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Regiments War books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Regiments War books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Regiments War books and manuals is Open Library. Open Library is an initiative of

the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Regiments War books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Regiments War books and manuals for download and embark on your journey of knowledge?
