

**A brutal serial killer stalks the Seattle night. Regina Greenleaf was one of the victims. Her beautiful twin sister, Renata, is deeply traumatized.**

Renata talks only rarely, and then always in twin-speak, the special language she and Regina made up long before they'd learned to speak English.

Mark, a college lecturer in English, is Renata's friend and the only person she talks to. When the number of murders in Seattle rises, Mark has some dreadful suspicions. If he says anything, it's guaranteed to send Renata back to the hospital. But if he doesn't, there may be blood on his conscience.

Part murder mystery, ghost story and psychological thriller, *Regina's Song* masterfully fuses together elements that elicit our deepest and darkest fears. . .

*Songs from the Novelists* William Davenport Adams, 1885      Regina's Song David Eddings, Leigh Eddings, 2002-06-25 A story of murder and revenge Outstandingly well paced and tightly plotted the novel also stands out in its handling of various psychological themes Booklist Eerily attuned to one another twins Regina and Renata are so identical that even their mother can't tell them apart Then tragedy strikes a vicious attack leaves one twin dead and the other so traumatized that she turns totally inward incapable of telling anyone what happened or even who she is She remains lost to the world until the day Mark a family friend comes to visit and the young woman utters her first intelligible word As she recovers still with no memory of the past her nightmares grow steadily more frightful followed by wild fits of hysteria and dark mood swings Her strange outbursts seem to coincide with the grisly serial murders that have begun plaguing Seattle Could she be the killer Determined to dispel his suspicion Mark stakes out her home The unholy sight he witnesses one night will haunt his soul for the rest of his life      **Regina's Secret Spaces** University of Regina. Canadian Plains Research Center, 2006 Regina's Secret Spaces Love and Lore of Local Geography is an anthology of essays and poems by eighty writers artists architects musicians patrons of the arts and cultural theorists who were inspired by and answered the call of editors Lorne Beug Anne Campbell and Jeannie Mah to share their favourite Regina secret Some submissions were quirky and whimsical delighting in those things small yet significant which bring joy and connect us to the place we live others were more serious and more theoretical examining power structures both past and present and how these have shaped and are yet shaping the city Reflective engaging and insightful all express an abiding fondness for the city of Regina      "*The Artist-Operas of Pfitzner, Krenek and Hindemith*" Claire Taylor-Jay, 2017-07-05 This is the first book length study of the genre of artist opera in which the work's central character is an artist who is uncomfortable with his place in the world It investigates how three such operas Pfitzner's *Palestrina* 1915 Krenek's *Jonny spielt auf* 1926 and Hindemith's *Mathis der Maler* 1935 contributed to the debate in early twentieth century Germany about the place of art and the artist in modern society and examines how far the artist character may be taken as functioning as a persona for the real composer of the work Because of their concern with the place of art within society the works are also engaged with inherently political questions and each opera is read in the light of the political context of its time conservatism circa World War I Americanism and democracy and the rise of National Socialism      **Repeat Performance** Sharleen Cooper Cohen, 2003-09-02 Once Regina had no one nothing Overnight her star rose As lead singer of Majesty she won it all fame money power and love But love like Majesty self destructed Cord Cocker the man who possessed her soul refused to forgive or forget She married Mike made her place in the limelight She had everything until Majesty came back together for the reunion concert that would rock the nation From New York to Las Vegas from idea to opening night swept up in the dazzle the pain the passion of stars who made music for a living and love for more reasons than pleasure Regina risked it all Suddenly she was back in Cord's arms and the music began all over again      Sky

**Global Visions of Violence** Jason Bruner, David C. Kirkpatrick, 2022-12-09 In *Global Visions of Violence* the editors and contributors argue that violence creates a lens bridge and method for interdisciplinary collaboration that examines Christianity worldwide in the twentieth and twenty first centuries By analyzing the myriad ways violence persecution and suffering impact Christians and the imagination of Christian identity globally this interdisciplinary volume integrates the perspectives of ethicists historians anthropologists and ethnographers to generate new conversations Taken together the chapters in this book challenge scholarship on Christian growth that has not accounted for violence while analyzing persecution narratives that can wield data toward partisan ends This allows *Global Visions of Violence* to push urgent conversations forward giving voice to projects that illuminate wide and often hidden landscapes that have been shaped by global visions of violence and seeking solutions that end violence and turn toward the pursuit of justice peace and human rights among suffering Christians

**The Rainy Season** Maggie Messitt, 2015-04-01 Just across the northern border of a former apartheid era homeland sits a rural community in the midst of change caught between a traditional past and a western future a racially charged history and a pseudo democratic present *The Rainy Season* a work of engaging literary journalism introduces readers to the remote bushveld community of Rooiboklaagte and opens a window into the complicated reality of daily life in South Africa *The Rainy Season* tells the stories of three generations in the Rainbow Nation one decade after its first democratic elections This multi threaded narrative follows Regina a tapestry weaver in her sixties standing at the crossroads where her Catholic faith and the AIDS pandemic crash Thoko a middle aged sangoma traditional healer taking steps to turn her shebeen into a fully licensed tavern and Dankie a

young man taking his matriculation exams coming of age as one of Mandela's Children the first academic class educated entirely under democratic governance Home to Shangaan Sotho and Mozambican Tsonga families Rooiboklaagte sits in a village where an outdoor butchery occupies an old petrol station and a funeral parlor sits in the attached garage It's a place where an AIDS education center sits across the street from a West African doctor selling cures for the pandemic It's where BMWs park outside of crumbling cement homes and the availability of water changes with the day of the week As the land shifts from dusty winter blond to lush summer green and back again the duration of northeastern South Africa's rainy season Regina Thoko and Dankie all face the challenges and possibilities of the new South Africa The Treasured One David Eddings, Leigh Eddings, 2024-09-24 A winning combination of congenial characters beastly villains and top notch storytelling from the New York Times bestselling authors of The Elder Gods Library Flush from their narrow victory over the horrific Vlagh Longbow and his companions are drawn to a pastoral territory in south Dhrall confident that they will thwart the next assault by their inhuman foe But on the border of the Wasteland the Vlagh is breeding a monstrous new army of venomous bat bugs and armored spiders These grotesque legions threaten to overwhelm the allies who are further shocked by a prophecy delivered by the Dreamers an invasion by a new second army A force of armed acolytes approaches to plunder this unspoiled land in a global holy war Now farmers and hunters soldiers and madmen mortals and gods all charge to a battle that will decide the fate of the world **Guardians of the West** David Eddings, 1987 Garion the King of Riva finds himself caught between the Dark Prophecy and the Prophecy of Light when he searches a previously obscure part of the Mrin Codex to identify someone or something called Zandramas **The Elenium** David Eddings, 2007-09-25 Now for the first time in one thrilling volume the three magical novels that make up David Eddings's epic fantasy The Elenium In an ancient kingdom the legacy of one royal family hangs in the balance and the fate of a queen and her empire lies on the shoulders of one knight Sparhawk Knight and Queen's Champion has returned to Elenia after ten years of exile only to find young Queen Ehlana trapped in a crystalline cocoon The enchantments of the sorceress Sephrenia have kept the queen alive but the spell is fading In the meantime Elenia is ruled by a prince regent the puppet of the tyrannical Annias who vows to seize power over all the land Now Sparhawk must find the legendary Bhellion a sapphire that holds the key to Ehlana's cure Sparhawk and his companions will face monstrous foes and evil creatures on their journey but even greater dangers lie in wait for dark legions will stop at nothing to reach the radiant stone which may possess powers too deadly for any mortal to bear *Marital Affairs* Sharleen Cooper Cohen, 2012-10-02 Lisa and Jason Greene had the perfect life She was a talented and beautiful actress who gave up her career to raise their children and keep their home He was an ambitious driven entrepreneur Everything they touched was charmed except their marriage With each step up the ladder of success they grew farther apart And Jason needs her more than he can admit as he fights his own monsters of unbridled passion and erotic desires These forces are so strong that their love is eventually put to the test when he succumbs to infidelity Lisa fights back

the only way possible But when tragedy strikes they must build a new love out of a crumbling foundation Can this love transcend family scars dashed ambitions broken promises and marital affairs Marital Affairs is a powerful and compelling story of the complex world of modern marriage and the extraordinary resilience of true love Queen of Sorcery David Eddings,1982 The master Sorcerer Belgarath and his daughter are on the trail of the stolen Orb *Crystal Gorge* David Eddings,Leigh Eddings,2007-10-15 After two devastating defeats and the utter annihilation of two armies the hideous Vlagh still vows to invade the land of Dhrall A voracious insectile overmind she can breed millions of soldiers in mere days and even evolve entire new species in just a week At first Dhrall s mortal defenders a motley bunch of mercenaries pirates horse lords and lone heroes like the archer Longbow are certain they ll prevail again Most are now battle hardened veterans and the natives of Dhrall are fierce bison hunters and bear slayers ready to fight But while the Vlagh s past servants were giant venomous and mindless bugs it has now created perfect spies new minions with a man s appearance and intelligence Corrupted by the agents of the Vlagh the human tribes are soon at one anothers throats Far far worse for mortals is the fact that the Gods can no longer be trusted For nearing the end of their 25 000 year cycle the Elder Gods are doddering toward senility and dementia And to add to mankind s plight a strange mysterious entity is manipulating the forces in the upcoming strife and neither gods nor mortals know its true intentions Now beset by astonishing dire challenges Longbow and his fellow mortals must wage a bitter war against a supernatural enemy one that has evolved in ways they could have never imagined
