The Asian Way of Regional Integration Rolf J. Langhammer, 2007

The Politics of Economic Regionalism K. Cai, 2010-01-20 While major theories of economic regionalism in the existing literature are primarily constructed to explore institutionalized regional integration European integration in particular the analytical framework developed in this work explains the unique process and pattern of regional integration in East Asia

Comparative Regional Integration Finn Laursen, 2010 This volume features up to date studies of regional integration efforts particularly those made in North America South America and East Asia Comparisons are drawn between these efforts and those made in the EU where integration has progressed much further The

book asks what explains the variation in achievements What kind of agreements are needed to produce regional integration Is pooling and delegation of sovereignty necessary How important is regional leadership

European and East Asian Regionalism Jens-Uwe Wunderlich, 2020-10-15 Embedded in the evolving comparative regionalism literature this book offers a systematic analysis of the factors positively and negatively influencing regional institution building The ruptures caused by the Eurozone crises the coronavirus pandemic and by Brexit have renewed the interest in the impact of crises and critical junctures on regionalism here defined as regional institution building Drawing from critical juncture research and historical comparative analysis this volume uses the cases of European and East Asian regional institution building to systematically analyse institutional transformations during specific historical turning points and critical juncture moments Wunderlich's research offers an in depth analysis of the interrelated drivers spoilers and dissolvers of regional institution building processes in Europe and East Asia and addresses key questions including Under what conditions does regionalism take hold What is influencing the initial institutional design choices What is the impact of historical experiences and well entrenched norms and ideas What are the roles of regional leaders How do external factors influence regional institution building What turns a crisis into a critical juncture and are such junctures threats or opportunities What accounts for variations in institutional responses to crisis events across different regional settings This book will be a valuable resource for scholars of regionalism region building regional governance and international relations of Europe and East Asia

Regional Integration in East Asia Satoshi Amako, Shunji Matsuoka, 2013 Asian regional integration which has shown remarkable progress since the end of the 1990s is at a major crossroads It faces confusion of and debate over the direction and effectiveness of integration as well as friction brought about by the rise of China Meanwhile the changing balance of power among nations the rise of nonstate actors the internationalization of internal problems and the internalization of international problems are rendering the cross national structure of Asia increasingly complex and multilayered Signs of instability of the global economy are growing and environmental and resource challenges are deepening East Asia needs new approaches to understanding the state of regional integration and mechanisms to address the challenges Regional Integration in East Asia is the culmination of five years of intensive research on Asian regional integration by Waseda University It reexamines theoretical approaches to comprehending the actual state of integration in the region and presents the most compelling ones It also examines the state of cooperation in Asia in areas ranging from the economy to energy and the environment security and education In addition the book offers long term historical perspectives including those of Japan ASEAN and China on Asian regional integration Thus it sheds light on diverse aspects levels of analysis and time spans and offers a comprehensive portrayal of the actual condition of Asia and the state of attempts to build regional cooperation and institutions This volume will open a new research frontier in Asian regional integration research

The EU, ASEAN and Interregionalism L. Allison, 2015-01-31 Using a framework of norm diffusion to determine the EU's international actorness in the context of its

relations with ASEAN this book provides a timely and in depth analysis of EU ASEAN relations By investigating three aspects of regionalism support by the EU it presents a comprehensive account of norm diffusion between the EU and ASEAN

Paths to Regionalisation Sophie Boisseau Du Rocher, Bertrand Fort, 2005 The aim of this book is to explain the different experiences in region building in Europe and East the two regions of the world that are making major contributions to the experience and theory of region building Europe and East Asia have evolved in different ways with different logics and mechanisms but it does not mean they do not have common interests or things to learn from one another This book seeks to contribute to a better understanding of the experiences and challenges in both regions and to stimulate a much needed reflection of the benefits of regions to harness globalisation

International Economic Integration And Asia Michael G Plummer, Erik Jones, 2006-11-07 Regional economic integration has become a key force in international commercial policy in the 2000s Europe has traditionally embraced regionalism the United States became actively involved in preferential trading arrangements only in the 1980s While Asia has been late in accepting formal regional economic integration accords all Asian countries are now in the process of creating various free trade areas and other forms of economic integration programs and some are already in place This volume analyzes the regionalism trend from an Asian perspective It considers the lessons from and the economic implications of various economic integration programs in the OECD mostly the EU but also NAFTA as well as the proposals for closer economic integration in the region itself Chapters deal with both real and financial integration issues

Power Relations and Comparative Regionalism Min-hyung Kim, James A. Caporaso, 2021-07-29 Three trends have dominated the political economy of integration during the last two decades globalization economic nationalism and regionalization This book explores comparative regional integration focusing on both intra regional integration and relations among regions in the context of power The most common focus of integration studies has been on the logic of cooperation but there is another logic of integration power The relevance of power today is represented by the relations within the Eurozone especially between creditors and debtors By the same line of reasoning integration in Asia cannot ignore the respective roles of China Japan and Korea nor the unresolved disputes about Taiwan Hong Kong and the islands in the South China Sea This edited volume addresses the role of power in regional integration in three contexts 1 the role of hegemonic external actors the US and China in regional integration 2 the role of core states within regions Germany China Japan and Brazil and 3 the role of noncore states smaller and middle range powers Italy and Greece in Europe South Korea and Malaysia in Asia and Argentina Colombia Uruguay and Paraguay in Latin America This book will benefit students and scholars of international relations and comparative political economy especially those with an interest in integration studies and comparative regionalism

Europe and Asia P. Murray, 2008-10-23 Much more than a simple examination of EU Asia relations this book examines the idea that the EU may constitute a model for East Asian regionalism It challenges specialists on the EU to understand the EU s impact on Asia and Asia s impact on the EU whilst illustrating that there is a commonality

of interests in both Europe and Asia *The Regional World Order* Boglárka Koller,Alexei D. Voskressenski,2019-04-15 In the evolving post Westphalian world regional entities become key political and economic players as the authors argue in this volume As a result of regionalization the international politics and economics is witnessing great transformations too This volume explores some ideas of how these transformations may develop It is written by three generations of researchers and scholars at European Russian and Asian higher education institutions Their different perspectives are integrated in a coherent multi dimensional view to answer challenges facing what is called increasingly Greater Eurasia The volume employs a rigorous conceptual framework over a wide geographic range and applies different approaches to ask and answer challenging questions The arguments presented in this book are built around the concepts of regionalism and transregionalism The volume is focusing on three different geographical entities Europe Eurasia and East Asia and examines ASEM EAEU BRI EU ASEAN CIS as well as TTIP TTP OBOR Regional Economic Integration in East Asia Magdalena Suska,2024-11-08 This interdisciplinary book analyses the regional economic integration and its institutionalisation that has been pursued in East Asia since the late 1990s and its far reaching impact for the entire region and beyond It presents the specificity and evolution of East Asia s economic integration as well as its outcomes in the form of an impressive number of FTAs concluded by East Asian countries The book also addresses the region s institutionalised regionalism of the 21st century embodied by the recent establishment of two mega regional institutions for trade and investment facilitation Comprehensive and Progressive Agreement for Trans Pacific Partnership CPTPP and Regional Comprehensive Economic Partnership RCEP analysing their economic potential and impact on East Asian economies as well as on regions including Europe Additionally the book offers a comprehensive analysis of integration theories providing political and economic theories of integration and related conceptual discussions which may help understand the uniqueness of the East Asian model of integration The book will be useful for students and researchers in economics international relations and political science as well as government administrations and private businesses developing long term strategic plans towards the region of East Asia
