Intervention, Stabilisation and Peace Christian Dennys, 2014-05-30 This book examines international military interventions that have supported stability in four communities in Afghanistan and Nepal in an attempt to analyse their success and improve this in future This is the first in depth village level assessment of how local populations conceive of stability and stabilisation and provides a theory and model for how stability can be created in communities during and after conflict The data was collected during field research from 2010 12 In Afghanistan the conflicts examined include the invasion of the Soviet Union in 1979 the civil war from 1992 and the rise and fall of the Taliban In Nepal the research examined the origins of the Maoist movement and the start of the People s War in 1996 to its completion in 2006 and the subsequent Madesh Andolan in 2007 The book argues that international particularly Western notions of stability and stabilisation processes have failed to grasp the importance of local political legitimacy formation which is a vital aspect of contemporary statebuilding of a non Westphalian nature The interventions across defence diplomatic and defence lines have also at times undermined one another and in some cases contributed to instability The work argues that the theories that structure interventions to address threats to international stability in fragile states are insufficient to explain or achieve the goal of stability This book will be of interest to students of stabilisation operations statebuilding peacebuilding counterinsurgency war and conflict studies and security studies in general Christian Dennys is lecturer at Cranfield University UK Defence Academy and has a PhD in International Relations **Asian and African Studies** meisai.org.il, **Daughters of the Tharu** Mary Ann Maslak, 2003-12-16 This book explores the complex structural institutions in society individual attitudes towards beliefs about and values of those institutions and the process by which the relationship between the social structure

and individual agency conditions and governs girls educational participation in Nepal **Simultaneous Identities** Uma Pradhan,2020-12-03 The recent socio political changes in Nepal have brought assimilationist notions of Nepali nationalism under a tight scrutiny and drawn attention to more plural inclusive and diverse notions of Nepaliness However both assimilationist and pluralist visions continue to remain normative in their approach and often posit ethnic and national identity in opposition to each other Drawing on the everyday practices in the two schools this book illustrates that social actors in minority language education did not necessarily select between minority identity and national identity but instead made simultaneous claims to more than one social identity by discursively positioning ethnic identity as national identity It builds on the notion of simultaneity to illustrate that it is through the unresolved co presences of apparently contradictory ways that people maintain their multi layered identities By arguing for an analytical necessity to adopt relational approach it aims to complicate the neat compartmentalisation of identities **China's India War** Bertil Lintner,2018-01-25 The Sino Indian War of 1962 delivered a crushing defeat to India not only did the country suffer a loss of lives and a heavy blow to its pride the world began to see India as the provocateur of the war with China merely defending its territory This perception that China was largely the innocent victim of Nehru s hostile policies was put forth by journalist Neville Maxwell in his book India s China War which found readers in many opinion makers including Henry Kissinger and Richard Nixon For far too long Maxwell s narrative which sees India as the aggressor and China as the victim has held court Nearly 50 years after Maxwell s book Bertil Lintner s China s India War puts the border dispute into its rightful perspective Lintner argues that China began planning the war as early as 1959 and proposes that it was merely a small move in the larger strategic game that China was playing to become a world player one that it continues to play even today **Landlordism, Tenants and the Groundwater Sector** Fraser Sugden,2015-06-16 **Animal Sacrifice, Religion and Law in South Asia** Daniela Berti,Anthony Good,2023-07-13 This book presents original research on the controversies surrounding animal sacrifice in South Asia through the lens of court cases It focuses on the parties involved in these cases on their discourses motivations and contrasting points of view Through an examination of judicial files court decisions and newspaper articles and interviews with protagonists the book explores how the question of animal sacrifice is dealt with through administrative legislative and judicial practice It outlines how although animal sacrifice has over the ages been contested by various religious reform movements the practice has remained widespread at all levels of society especially in certain regions It reveals that far from merely being a religious and ritual question animal sacrifice has become a focus of broader public debate and it discusses how the controversies highlight the contrast between traditional and reformist understandings of Hinduism the conflict between the core legal and moral principles of religious freedom and social progress and the growing concern with environmental issues and animal rights The Introduction Chapter 1 Chapter 2 and Chapter 7 of this book are available for free in PDF format as Open Access from the individual product page at www.taylorfrancis.com It has been made available
