professional journalist to perform an in depth exploration of reincarnation Using case studies anecdotes and physical evidence from the best documented cases from around the world Stemman shines a bright light on this subject inviting readers to decide for themselves on the basis of facts rather than on the basis of hearsay speculation and superstition Stemman finds fascinating examples of evidence of reincarnation in the nightmares of a Louisiana bayou boy the past life recall of a renowned neurosurgeon the research of a highly respected university professor and the unique system of governance in the mountains of Tibet to name just a few He examines the lives of those affected by reincarnation such as children who can actually remember their previous lives Instead of shying away from the skeptics Stemman evaluates their leading theories and compares them to the findings that he has accumulated throughout his global research The Big Book of Reincarnation is thorough well researched engaging and the most comprehensive book ever published on this fascinating subject

Remarkable Healings Shakuntala Modi, 2025-09-12 Psychiatry remains an emerging discipline Many people suffer from ailments that have no apparent cause no obvious cure Quite by accident while using hypnotherapy Dr Modi discovered that pastlife regression can be a beneficial treatment Many of these patients under hypnosis claimed to have spirits attached to their bodies and energy fields creating psychological and physical problems Based on years of experience Dr Modi describes techniques that release these spirits revealing how patients can sometimes recover within a few sessions While most doctors would agree that emotional states affect our health few would give credence to spiritual influences In this truly groundbreaking book Dr Modi presents evidence that something beyond the physical affects the health of many people and urges medical scientists to objectively assess this revolutionary approach to mental and often physical illness Pioneers have the courage to put aside the status quo and evaluate what the evidence shows even if it defies the prevailing logic of the time Both physicians and the general public should explore the pioneering work of Dr Modi work which no doubt has produced many remarkable healings

When Technology Fails Matthew Stein, 2008-08-18 There s never been a better time to be prepared This book is an indispensable basic manual for the real life issues that await us in the decades to come A treasure trove of practical wisdom James Howard Kunstler author of *The Geography of Nowhere* Matthew Stein s comprehensive primer on sustainable living skills from food and water to shelter and energy to first aid and crisis management skills prepares you to embark on the path toward sustainability But unlike any other book Stein not only shows you how to live green in seemingly stable times but to live in the face of potential disasters lasting days or years coming in the form of social upheaval economic meltdown or environmental catastrophe *When Technology Fails* covers the gamut Inside you ll learn The basics of installing a renewable energy system for your home or business How to find and sterilize water in the face of utility failure How to keep warm if you ve been left temporarily homeless Practical information for dealing with water quality issues Alternative health and first aid techniques Each chapter describes skills for self reliance in good times and bad Chapters Include A survey of the risks to the status quo Supplies and preparation for short and long term emergencies Emergency

measures for survival Prepping water food shelter and clothing First aid low tech medicine and healing Securing energy heat and power Metalworking Utensils and storage Low tech chemistry engineering machines and materials Fully revised and expanded When Technology Fails ends on a positive proactive note with a chapter on Making the Shift to Sustainability which offers practical suggestions for changing our world on personal community and global levels When Technology Fails is a massive project done well First the book gives a superb presentation of WHY one should be more aware and prepared and then HOW one should go about this The scope of this book is thorough John McPherson author Primitive Wilderness Living and Survival Skills *Signs of Reincarnation* James G. Matlock,2019-06-15 Signs of Reincarnation provides the first comprehensive look at the belief in reincarnation and the evidence for past lives from historical records anthropological studies and contemporary research Matlock discusses various ways the evidence may be interpreted and shows that although reincarnation entails a rejection of the materialist notion that consciousness is generated by the brain it does not require the acceptance of any radically new concepts or the abandonment of well established findings in mainstream psychology or biology This book offers students scholars and anyone interested in the possibility of reincarnation an essential grounding in beliefs cases and theory while opening doors for future research into the extension of consciousness beyond our present lives

Rebirth in Early Buddhism and Current Research Bhikkhu Analayo,2018-04-23 Join a rigorous scholar and Buddhist monk on a brisk tour of rebirth from ancient doctrine to contemporary debates German Buddhist monk and university professor Bhikkhu Analayo had not given much attention to the topic of rebirth before some friends asked him to explore the treatment of the issue in early Buddhist texts This succinct volume presents his findings approaching the topic from four directions The first chapter examines the doctrine of rebirth as it is presented in the earliest Buddhist sources and the way it relates to core doctrinal principles The second chapter reviews debates about rebirth throughout Buddhist history and up to modern times noting the role of confirmation bias in evaluation of evidence Chapter 3 reviews the merits of current research on rebirth including near death experience past life regression and children who recall previous lives The chapter concludes with an examination of xenoglossy the ability to speak languages one has not learned previously and chapter 4 examines the particular case of Dhammaruwan a Sri Lankan boy who chants Pali texts that he does not appear to have learned in his present life Rebirth in Early Buddhism and Current Research brings together the many strands of the debate on rebirth in one place making it both comprehensive and compact It is not a polemic but an interrogation of the evidence and it leaves readers to come to their own conclusions Framework of Reality: Understanding Our Subtle Spiritual Nature Douglas

Kinney,2014-06-06 Framework of Reality highlights unfolding developments that are revolutionizing our understanding of ourselves and our place in the universe Scientists and scientifically trained researchers are providing us with a rich and expanding base of knowledge about strange and unusual phenomena observed in quantum physics cosmology biology psychology disease and healing death and reincarnation investigations It is a companion book to Frontiers of Knowledge

which is a large research book with all the details and all the references Framework provides all the same information in a summary form It can be considered the Cliffs Notes for Frontiers of Knowledge Insights from quantum physics suggest that the basis of our physical universe is mental conscious thought Other discoveries are causing us to redefine our concepts of mind and this elusive thing we call consciousness The verified near death out of body experiences OBEs show that consciousness can exist in a nonphysical form indicating that mind is not tied to the physical brain New concepts of reality are also needed to explain the incredibly fine tuned characteristics of our physical universe The mysterious nature of dark energy and dark matter suggests that their source resides in subtle energy dimensions Strong hints of subtle dimensions are also provided in near death OBEs subtle energy healings and documented accounts of very unusual mind body effects Thousands of between lives spiritual regression cases and the deeper near death experiences provide us with fairly consistent descriptions of a nonphysical realm populated by souls living in a highly developed culture that is interacting with humans This revolutionary information demands a revised and expanded view of reality one in which spirituality is the underlying source of reality Highlights on all of the above and more are presented in Framework of Reality and they provide readers with the outline of this new revolution in knowledge [A Sourcebook for Helping People with Spiritual Problems](#)

Emma Inc. Bragdon,2012-11 As more people practice meditation yoga and participate in workshops for personal transformation increasing numbers of them are having experiences related to spiritual awakening The problem is they don't know the territory An intense spiritual experience can seem overwhelming and scary and even be confused with going crazy This practical book is the classic text newly updated in 2006 3rd edition defining the problems that can arise when someone is disoriented by intense spiritual experiences It is a valuable resource for anyone interested in spiritual experiences and their relationship to mental health and mental illness It distinguishes the differences between various mental pathologies and indicators of spiritual awakening It clearly describes the kind of care one needs in a spiritual emergency process and how the care is dramatically different than conventional psychiatric treatment It traces the history of how signs of spiritual awakening have been perceived in the past Graduate schools of psychology use this book as a text because it is such a clear statement about the nature of spiritual crises and appropriate treatment However it is written in a style that is also appropriate for any adult reader The author a transpersonal psychologist has written five other books on spiritual healing and awakening The title of the first edition of this book was A Sourcebook for Helping People in Spiritual Emergency and was published in 1988

Spirits, Angels, Demons, and Gods Don Little,2010-03 **Transpersonal Hypnosis** Eric D Leskowitz,2019-05-23
Transpersonal Hypnosis presents a multidimensional energy based view of human awareness that integrates disparate biological psychological and spiritual therapeutic techniques Each of the chapters all from world renowned contributors includes both a historical overview and the theory behind the development of each technique The authors emphasize experimental studies that examine the validity of using hypnotically accessed transpersonal states of consciousness to heal

the body mind and spirit Several clinical vignettes highlight the types of medical and psychological symptoms responsive to these approaches The emerging field of spiritually influenced treatments is transforming the practice of medicine
