Reimagining The Feed Industry Nutritional Biotechnology In The Feed And Food Industries:

Nutritional Biotechnology in the Feed and Food Industries T. P. Lyons, Kathryn Ann Jacques, 2003 **Reimagining Climate Change** Paul Wapner, Hilal Elver, 2016-02-05 Responding to climate change has become an industry Governments corporations activist groups and others now devote billions of dollars to mitigation and adaptation and their efforts represent one of the most significant policy measures ever dedicated to a global challenge Despite its laudatory intent the response industry or Climate Inc is failing Reimagining Climate Change questions established categories routines and practices that presently constitute accepted solutions to tackling climate change and offers alternative routes forward It does so by unleashing the political imagination The chapters grasp the larger arc of collective experience interpret its meaning for the choices we face and creatively visualize alternative trajectories that can help us cognitively and emotionally enter into alternative climate futures They probe the meaning and effectiveness of climate protection from below forms of community and practice that are emerging in various locales around the world and that hold promise for greater collective resonance They also question climate protection from above in the form of industrial and modernist orientations and examine large scale agribusinesses as well as criticize the concept of resilience as it is presently being promoted as a response to climate change This book will be of great interest to students and scholars of climate change global environmental politics and environmental studies in general as well as climate change activists *Prometheus Reimagined* Albert C. Lin, 2023-11-29 A call for a more thoughtful and democratic approach to technology policy and regulation Nutritional Biotechnology in the Feed and Food Industries Nutritional biotechnology in the feed and food industries.
