Reincarnation In The Bible:

The Voice L. Edward VanHoose, 2004-06 This work is the result of arduous hours of research entitled Biblical Cases of the Reincarnation Type developed during my graduate studies Many have marveled at the findings persuasiveness and have suggested their publication The result is the very upbeat and reader friendly volume now in your hands The Voice like its previous incarnation offers the first demonstrable case for reincarnation in the Bible that is objective It doesn't solely rely on how an author interprets a verse or suggests the subject was surreptitiously removed from the scriptures My research methods essentially emulated those of University of Virginia Psychiatrist Ian Stevenson M D For forty years he investigated cases of young children remembering a past life His landmark work Twenty Cases Suggestive of Reincarnation has been in print since 1966 *The Soul's Long Journey* Edward Reaugh Smith, 2003 Here are amazing insights showing reincarnation to be deeply and powerfully revealed in the Bible's most fundamental aspects How and why have these insights escaped attention for so long At last they are uncovered here by a confluence of conventional Bible study and the epochal spiritual discoveries of Rudolf Steiner With particular emphasis on the organic provisions of the Old Testament Smith shows both what the assumptions of the Master's hearers were and how the New Testament confirms the ancient heritage Arising from the fullness of the canon is an exciting story of the long journey of humanity and every human soul each a beloved sheep whom the Creator is unwilling to lose Combining a lifetime of biblical study and teaching fifteen years investigating and contemplating Rudolf Steiner's vast works and almost three decades of applying the analytical skill required in an intense law practice Smith has produced a potential classic the serious Bible student can ill afford to ignore Reincarnation in the Bible? Dan Carlton, 2013-10-24 In my early twenties I read a book that started me in a completely different direction Up to that time I had been taught to be agnostic and believed the Bible to be the result of ignorant men trying to explain what they did not understand with superstition fables exaggerated history etc The book is *There is a River* by Thomas Sugrue A few years ago I started writing down my conclusions in order to clarify to myself just what I did believe I could not accept the idea that I could be right when everyone I talked to disagreed with me And yet my conclusions do seem to me to agree with Scripture including my belief in reincarnation which I believe is not only a fact revealed in the Bible but is a necessary part of God's plan of salvation A motivating factor in my desire to share my understanding of truth is my belief that all of the problems in the world can be traced to erroneous beliefs If everyone correctly understood and applied truth I believe our problems would vanish God says we become what we think Pr 23 7 My belief that the Bible teaches that reincarnation is a fact hasn't endeared me to those who not only reject such an idea but also sincerely believe such a belief comes from the pit of hell and smells of smoke After reading *Reincarnation in the Bible* perhaps you can show me where I am in error if you disagree with me Or who knows perhaps you will agree with me At any rate I hope you find my book interesting and enjoyable if not enlightening **Reincarnation in the Bible** Katie Myers, 2014-07-02 Find out what the Bible says about
