Chandler, 2014-05-09

How to Find Out About Literature aims to provide a general survey of literatures and a general indication of the dates of these literatures The book first elaborates on how to study and appreciate literature and how to trace literary works including exercises and universal and national bibliographies The text then examines how to trace poetry drama novels and prose foreign and subject bibliographies library and sale catalogues and guides to libraries and literary information on general reference books and encyclopedias The manuscript discusses how to trace literary information in handbooks and concordances to poetry and drama handbooks and reference books on novelists and prose writers dictionaries and guides to the English language and specialized subjects essays theses and periodical articles The text ponders on how to trace periodical articles and literary abstracts The book is a valuable reference for students and researchers in their studies

The Cambridge Bibliography of English Literature Frederick Wilse Bateson, 1940 *The Age of Improvement, 1783-1867* Asa Briggs, 2014-06-17 The Age of Improvement has long established itself as a classic of modern historical writing Widely read and quoted it has had a unique influence on teaching and research This second edition draws on the great volume of new research produced by Lord Briggs amongst others since its original publication The book stresses both the underlying unity and the rich variety of the age and raises fundamental issues about a period of crucial change in British history industrialisation war constitutional change and the attitudes of politicians towards it political development and not least society and culture In the background are the new economic powers based on the development of a coal and iron technology in the foreground new social and political problems and new ways of tackling them The author also discusses perceptions of and reactions to changing circumstances the influence of religion and science on national life and changing styles in art and literature The story ends not with a full stop but with a question mark Could improvement be maintained Could balance and progress continue to be reconciled Michigan Alumnus , 1949 Includes section Some Michigan books

A Literary History of England Vol. 4 A. Baugh, Kemp Malone, 1959 A Reference Guide for English Studies Michael J. Marcuse, 2023-11-15 *Routledge Library Editions: Historiography* Various, 2021-06-23 The greatest problem in historical scholarship theoretically and practically is the relation between historians and their subject matter The past is gone and

historians can only study its remnants On what basis do scholars select certain facts from the mass of data left from the past How do they explain the interrelationship of the facts they select What criteria do they use to evaluate their subject The 35 volumes in this set originally published between 1926 and 1990 discuss and answer these essential questions faced by historians The development of historical understanding during the 18th and 19th centuries was one of the most striking features of Western culture Both historiography and historical thinking advanced as never before The historical movement of the 19th century was perhaps second only to the scientific revolution of the seventeenth century in transforming Western thought One consequence was extensive organisation and professionalization of research which the volumes in this set reflect The Study of History, 2000 History is a subject which never stands still It is always changing its philosophies its contours its leading questions its politics its conceptual status and its methodologies This bibliographical guide to the study of history is wide ranging in scope extending from the ancient world to the 20th century It deliberately concentrates on modern historians views provides a substantial section on the philosophy of history charts controversies and highlights the continual evolution and diversification of history The material is logically organized in major areas and subsections and cross references are given where appropriate An index of authors editors and compilers is also provided *A Concise Bibliography for Students of English* Arthur Garfield Kennedy, Donald B.
