glossary study questions and a reading list      Muscovy and the Mongols Donald Ostrowski, 2002-06-20 The importance of the Mongols impact on the Rus lands has been recognised by many scholars but its precise nature and extent is very contentious While diverse opinions exist on the origins and development of Muscovy the author argues that no society arises ex nihilo and that Muscovy is no exception In this 1998 book Donald Ostrowski considers the outside origins and influences as well as indigenous origins and development in order that the reader may gain a clearer understanding of Muscovy as a political entity its political institutions and political culture He shows that during the early period of Muscovy 1304-1448 the ecclesiastical and secular institutions were affected by two different outside influences Byzantium and the Qipchaq Khanate respectively In considering these outside influences he has set out to study Muscovy as an integral and important part of world history      *The Expansion of Russian Reading Audiences, 1828-1848* Miranda Beaven Remnek, 1999      Driving Down Russia's Spine Paul Richardson, 2016-06-01 On one level this book is the story of an epic 6000 kilometer road trip from the frigid shores of the Barents Sea to Sochi Russia's southernmost tip on the Black Sea Dubbed The Spine of Russia the adventure tasked a mismatched duo of Russian and American journalists with capturing a view of Russia from the ground to collect powerful images and honest human stories that offered a more subtle complex picture of the world's largest country But this book is far more than just a travel essay For it intertwines fascinating subject profiles with digressions into historical and cultural themes relevant to understanding modern Russia It is a story told with humor and with the insight derived from the author's three decades of intimate interactions with Russia Among the many interesting stories in the book An expedition to The Well to Hell A music school in one of the most polluted towns on earth An energetic youth activist branded as a foreign agent Russia's largest manufacturer of barbells who also makes cloudberry preserves A roadside berry seller recently paroled from prison A blacksmith who is a Jehovah's Witness A bone chilling trip to the foundation place of the Russian state The slightly off kilter leader of St Petersburg's Cossack community A retired village doctor who can't stop working because he won't be replaced A piece of Nebraska transplanted into the middle of Russia's Black Earth region There were also craft beer makers ballroom dancers policemen restaurant owners an opera student a priest a single mother an accessibility activist teachers docents a best selling author soap makers journalists a sailor a winemaker and a woman taking on the male dominated world of Russian hockey And no trip to Russia would be complete without a run in with security officials in leather jackets So there is also that Taken together the stories from this epic road trip create a compelling portrait of Russia and its people The book could not be more timely recent events show how vital it is for Americans to continue working to understand Russia      Struggles for Belonging Dieter Gosewinkel, 2021 This book recounts the history of citizenship in 20th century Europe focussing on six countries Great Britain France Germany Czechoslovakia Poland and Russia It is the history of a central legal institution that significantly represents and at the same time determines struggles over migration integration and belonging      **The Cambridge History of the Mongol Empire 2 Volumes** Michal Biran, Hodong Kim, 2023-08-17 In

**Breaking Ground** Sara Dickinson, 2006 Breaking Ground examines travel writing's contribution to the development of a Russian national culture from roughly 1700 to 1850 as Russia struggled to define itself against Western Europe Russian examples of literary travel writing began with imitative descriptions of grand tours abroad but progressive familiarity with the West and with its literary forms gradually enabled writers to find other ways of describing the experiences of Russians en route Blending foreign and native cultural influences writers responded to the pressures of the age to Catherine II Napoleon and Nicholas I for example both by turning inward to focus on domestic touring and by rewriting their relationship to the West This book tracks the evolution of literary travel writing in this period of its unprecedented popularity and demonstrates how the expression of national identity the discovery of a national culture and conceptions of place both Russian and Western European were among its primary achievements These elements also constitute travel writing's chief legacy to prose fiction breaking ground for the later masterpieces of writers such as Turgenev Dostoevsky and Tolstoy For literary scholars historians and other educated readers with interests in Russian culture travel writing comparative literature and national identity

**Understanding the Modern Russian Police** Olga B. Semukhina, Kenneth Michael Reynolds, 2013-06-13 Understanding the Modern Russian Police represents the culmination of ten years of research and an ongoing partnership between the Volgograd Academy of Russian Internal Affairs Ministry VA MVD and the Volgograd branch of the Russian Presidential Academy of National Economy and Public Administration VAPA The book provides a timely and comprehensive analysis of the historical development functions and contemporary challenges faced by the modern Russian police Spanning more than two centuries of history the book covers The tsarist police evolution that witnessed the creation of the Ministry of Internal Affairs of the Russian Federation MVD in 1802 and concluding with the 1917 October Revolution The Soviet era from the 1917 October Revolution until Stalin's death in 1953 The Khrushchev and Brezhnev periods and the Soviet police's maturation into a professionally educated and well equipped law enforcement system The transformational period of police development beginning with Gorbachev's perestroika and concluding with the first term of Putin in 2008 The structure authority and workforce of the modern Russian police Public police relationships

existing today in Russia Reports by Amnesty International and Human Rights Watch on corruption and abuse of power along with a legal analysis of practices by the European Court of Human Rights ECHR The 2011 Police Reform by Medvedev The book concludes with some predictions on the future of the Russian police and its potential reforms Encompassing the efforts of many great researchers from Russia this exhaustive review of the history of policing in Russia enables readers to comprehend the societal and political forces that have shaped policing in this country

**The Collective and the Individual in Russia** Oleg Kharkhordin, 2023-04-28 Oleg Kharkhordin has constructed a compelling subtle and complex genealogy of the Soviet individual that is as much about Michel Foucault as it is about Russia Examining the period from the Russian Revolution to the fall of Gorbachev Kharkhordin demonstrates that Party rituals which forced each Communist to reflect intensely and repeatedly on his or her self an entirely novel experience for many of them had their antecedents in the Orthodox Christian practices of doing penance in the public gaze Individualization in Soviet Russia occurred through the intensification of these public penitential practices rather than the private confessional practices that are characteristic of Western Christianity He also finds that objectification of the individual in Russia relied on practices of mutual surveillance among peers rather than on the hierarchical surveillance of subordinates by superiors that characterized the West The implications of this book expand well beyond its brilliant analysis of the connection between Bolshevism and Eastern Orthodoxy to shed light on many questions about the nature of Russian society and culture Oleg Kharkhordin has constructed a compelling subtle and complex genealogy of the Soviet individual that is as much about Michel Foucault as it is about Russia Examining the period from the Russian Revolution to the fall of Gorbachev Kharkhordin demon
