Reinventing Politics Eastern Europe From Stalin To Havel:

Reinventing Politics Vladimir Tismaneanu, 2000-10-06 Reinventing Politics gives an account of East European politics from the time of Soviet domination to the 1989 90 revolutions and considers the effect of tyranny on East European culture and politics the chances for successful and harmonious development in the region and its relationship with the rest of Europe Using primary materials from Eastern European democratic movements Tismaneanu shows how dissident enclaves grassroots political groups independent unions and underground initiatives spearheaded the spontaneous outbursts of discontent that led to the nonviolent collapse of communist dictatorships In an illuminating exciting comparative analysis of the breakup of the Soviet Union's outer empire Tismaneanu identifies bureaucratic inertia renascent authoritarian tendencies and the lure of populist adventurers as key obstacles to democracy Publishers Weekly Eastern Europe in the Twentieth Century - And After R. J. Crampton, 2002-04-12 Covering all key Eastern European states and their history right up to the collapse of communism this second edition of Eastern Europe in the Twentieth Century And After is a comprehensive political history of Eastern Europe taking in the whole of the century and the geographical area Focusing on the attempt to create and maintain a functioning democracy this new edition now examines events in Bosnia and Herzegovina includes a new consideration of the evolution of the region since the revolutions of 1989 91 surveys the development of a market economy analyzes the realignment of Eastern Europe towards the West details the emergence of organized crime discusses each state individually includes an up to date bibliography Eastern Europe in the Twentieth Century And After provides an accessible introduction to this key area which is invaluable to students of modern and political history *Democratic Consolidation in Eastern Europe: Volume 2: International and Transnational Factors* Jan Zielonka, Alex Pravda, 2001-06-14 This is the second volume in a two volume series of books on democratic consolidation in Eastern Europe The first volume focused on the issue of institutional engineering This second volume analyses the external parameters of democratic consolidation in thirteen Eastern European countries how different international actors and various economic cultural and security types of transnational pressures have shaped democratic politics in the region The aim is to contrast a set of democracy theories with empirical evidence accumulated in Eastern Europe over the last ten years The volume tries to avoid complex debates about definitions methods and the uses and misuses of comparative research Instead it seeks to establish what has really happened in the region and which of the existing theories are helpful in explaining these developments The volume is divided into two parts The first part presents a conceptual and comparative frame of analysis the second consists of detailed studies of individual countries undergoing democratic consolidation Case study chapters deal with the following countries Estonia and Latvia Hungary Poland the Czech Republic Slovakia Romania Bulgaria and Macedonia the states of former Yugoslavia Belarus and Ukraine and finally Russia The concluding chapter identifies a set of variables responsible for the enormous impact of external factors on democratic consolidation in Eastern Europe It conceptualises the interplay of

internal and external factors impinging upon democracy and shows the interplay of different positive and negative types of external pressures It also evaluates the conscious Western effort to craft or engineer democracy in Eastern Europe *The handbook of political change in Eastern Europe* Frank H. Aarebrot, 2014-05-14 The editors have succeeded in putting together an excellent group of authors who present a well informed and balanced analysis of the formation of political systems in the examined countries The authors of this book are to be congratulated on the structure and clarity of its presentation This volume makes an interesting contribution to knowledge in this field and should be useful reading for students and experts interested in Central and Eastern European politics Dan Marek Journal of European Area Studies This is a very interesting reference book of the political changes in Eastern Europe since the demise of communism It will prove to be of great use for everybody involved in research on Eastern Europe but it can also offer considerable introductory information to those who have not followed the most recent developments in the region Ioannis Armakolas The Ethnic Conflict Research Digest This major new reference book provides an authoritative and thorough analysis of the political changes which have occurred in Eastern Europe since the demise of communism It offers an historical comparative perspective of the region and focuses on the social consequences of the transition historical legacies and variations between countries in the sequences of the changes *Environmental Politics in Poland* Barbara E. Hicks, 1996 Michael Bernhard Pennsylvania State University Ambiguous Transitions Jill Massino, 2019-07-30 Focusing on youth family work and consumption Ambiguous Transitions analyzes the interplay between gender and citizenship postwar Romania By juxtaposing official sources with oral histories and socialist policies with everyday practices Jill Massino illuminates the gendered dimensions of socialist modernization and its complex effects on women s roles relationships and identities Analyzing women as subjects and agents the book examines how they negotiated the challenges that arose as Romanian society modernized even as it clung to traditional ideas about gender Massino concludes by exploring the ambiguities of postsocialism highlighting how the legacies of the past have shaped politics and women s lived experiences since 1989 **Frames of Protest** Hank Johnston, John A. Noakes, 2005-07-05 Frames of Protest brings together important empirical research and theoretical essays by leading sociologists political scientists and media specialists that focus on social movement frames and framing practices Frames are new ways of understanding political and social relations that emphasize injustice and the need for change As such they are crucial for the development of social movements and protest Frames of Protest is the only book to focus exclusively on this major research perspective in social movement and protest studies Thirteen chapters encompass the major themes in the framing perspective to offer a state of the art review Three chapters present evidence for the determining influence of framing in social movement mobilization Next framing activities by the state and the mass media are analyzed Then two research reports examine the effect of political opportunities on framing in Poland under the Communists and in New York City s ethnic politics Several chapters by leading theorists present a lively debate about the

relationship of ideologies to collective action frames The book closes with a hands on discussion about analyzing textual materials and interview transcripts to do frame analysis that lends itself to longitudinal and cross case comparisons

Personality, Political Leadership, and Decision Making Jean Krasno, Sean LaPides, 2015-07-07 This psychological study dissects the characteristics of 20 world leaders both men and women profiling the factors that formed their personalities and revealing how certain traits have shaped their political decisions Many wonder what it takes to be a leader Is it a natural or learned set of skills This book examines the personalities of a selected group of political leaders analyzes the forces that formed their nature most notably their leadership tendencies and then demonstrates how character has shaped important political decisions made during their regime The authors profile 20 different leaders from across five continents deriving shared personality traits and defining specific leadership styles based on characteristics and circumstances The work begins by introducing the field of political psychology and explaining the theoretical framework used in studying the leadership personalities covered in the book An analysis of leadership across the world considers several types of regimes authoritarian leaders in non democratic and democratic societies authoritarian mixed types flexible and pragmatic types and those who combine flexibility with delegation The text concludes by comparing leaders across time and location discussing interaction between specific heads of state Leaders profiled include Nelson Mandela Kofi Annan Saddam Hussein V clav Havel Angela Merkel and Emperor Hirohito among others
