Reinventing Eve Modern Woman In Search Of Herself:

Reinventing Eve Kim Chernin, 1994 *The Feminization of Quest-Romance* Dana A. Heller, 2014-03-19 What happens when a woman dares to imagine herself a hero Questing she sets out for unknown regions Lighting a torch she elicits from the darkness stories never told or heard before The woman hero sails against the tides of great legends that recount the adventures of heroic men legends deemed universal timeless and essential to our understanding of the natural order that holds us and completes us in its spiral Yet these myths and rituals do not fulfill her need for an empowering self image nor do they grant her the mobility she requires to imagine enact and represent her quest for authentic self knowledge The Feminization of Quest Romance proposes that a female quest is a revolutionary step in both literary and cultural terms Indeed despite the difficulty that women writers face in challenging myths rituals psychological theories and literary conventions deemed universal by a culture that exalts masculine ideals and universalizes male experience a number of revolutionary texts have come into existence in the second half of the twentieth century by such American women writers as Jean Stafford Mary McCarthy Anne Moody Marilynne Robinson and Mona Simpson all of them working to redefine the literary portrayal of American women s quests They work in part by presenting questing female characters who refuse to accept the roles accorded them by restrictive social norms even if it means sacrificing themselves in the name of rebellion In later texts female heroes survive their lighting out experiences to explore diverse alternatives to the limiting roles that have circumscribed female development This study of *The Mountain Lion Memories of a Catholic Girlhood Coming of Age in Mississippi Housekeeping and Anywhere but Here* identifies transformations of the quest romance that support a viable theory of female development and offer literary patterns that challenge the male monopoly on transformative knowledge and heroic action **The Women's Passover Companion** Sharon Cohen Ainsfeld, Tara Mohr, Catherine Spector, 2012-02-16 A powerful and empowering gathering of women s voices transmitting Judaism s Passover legacy to the next generation The Women s Passover Companion offers an in depth examination of women s relationships to Passover as well as the roots and meanings of women s seders This groundbreaking collection captures the voices of Jewish women rabbis scholars activists political leaders and artists who engage in a provocative conversation about the themes of the Exodus and exile oppression and liberation history and memory as they relate to contemporary women s lives Whether seeking new insights into the text and traditions of Passover or learning about women s seders for the first time both women and men will find this collection an inspiring introduction to the Passover season and an eye opening exploration of questions central to Jewish women to Passover and to Judaism itself **The Spiritual Gifts of Travel** James O'Reilly, Sean O'Reilly, 2002 In this lively collection from an array of accomplished writers readers meet an old woman who imparts an invaluable midnight message on a Greek island brothers who heal old family wounds in Ireland and travelers who awaken to the mystery of their souls in such disparate places as St Peter s in Rome and a dusty road in India Contributors include Phil Cousineau Kim Chernin David

Yeadon Don George and Jan Morris *The Spiritual Gifts of Travel* reveals the myriad ways that travel renews the spirit The tales ring clear and loud with the universal need to travel the road toward self Francesca de Grandis author of *Be a Goddess*

Fat Sex: New Directions in Theory and Activism Helen Hester,Caroline Walters,2016-03-09 While fat sexual bodies are highly visible as vehicles for stigma there has been a lack of scholarly research addressing this facet of contemporary body politics Fat Sex New Directions in Theory and Activism seeks to rectify this bringing debates about fat sex into the academic arena and providing a much needed critical space for voices from across the spectrum of theory and activism It examines the intersection of fat sex and sexuality within a contemporary cultural landscape that is openly hostile towards fat people and their perceived social and aesthetic transgressions Acknowledging and engaging with some of the innovative work being done by artists activists and academics around the issue of fat sex this collection both challenges preconceptions regarding fatness and sexuality but also critiques and debates various aspects of the fat activist approach It draws on a wide range of disciplinary perspectives bringing together work from the UK US Europe and Australia to offer a wide ranging examination of the issues of size sex and sexuality A cutting edge exploration not only of fat sex but of identity politics neoliberalism and contemporary body activism in general Fat Sex New Directions in Theory and Activism will be of interest to scholars of sociology cultural studies geography porn studies and literary studies working on questions of gender sexuality and the body

Demeter and Persephone Tamara Agha-Jaffar,2002-09-26 The classical Greek myth of Demeter and her daughter Persephone as told in Homer s Hymn to Demeter has been used most often to explain the cycle of the seasons However a closer examination will reveal insights on living and dying loss and reconciliation and suffering and healing This work demonstrates the continued importance and relevance of the myth of Demeter and Persephone to today s society The first three chapters provide a summary of the Homeric story and examine the myth from the perspectives of the mother and daughter The following chapters discuss the symbolism of critical objects the role of female mentoring the role of Hades and the meaning of the underworld the subject of rape and the masculinist perspective presented by Zeus and Helios

and derive lessons useful for healing and knowledge The Hymn to Demeter as translated by Helene Foley is included as an appendix in order to provide a basis for the discussion in the text Notes and a bibliography also follow the text Literature and the Writer, 2016-08-09 Literature and the Writer was first conceived with the hope the essays would shed light on several dimensions of the authorial craft It was the hope of the editor that the selected essays would examine not only writers choice of vocabulary but also their deliberate selection of grammatical constructions and word order and their seamless weaving together of plots and imagery Moreover the analyses would also draw attention to how the writing process impacts the development of characters and the formulation of thematic strands in fiction Thus a wide variety of authors are deliberately selected to give the text depth writers of popular fiction as well as modern classics are included and contrasts are established between traditional writers and those who prefer to follow experimental trends Modernists are set against postmodernists absurdists vs realists minority ethnicities vs majority cultures and dominant genders appear in contrast to subordinated ones Clearly the major tenet of the collection is that the writing profession provides an unending dilemma that deserves to be explored in more detail as readers try to determine how authorial voices confuse while simultaneously elucidating their audience how texts are constructed by authors and yet deconstructed by the very words they choose to include how silence functions as inaudible yet audible discourse and how authorial self concept shapes not only itself but is also echoed in the fictional characters writers who appear in the texts Keeping the Victorian House Vanessa D. Dickerson, 2016-07-01 First published in 1995 The essays in this volume demonstrate how Victorian women took up various positions along a continuum that ranged from the desire of Shelley s creature for the power and acceptance it associated with the house to the rejection of Bront s heroine of the immobility and powerlessness she ultimately experienced there More specifically the essays in this volume explore the nature of the Victorian woman s domestic relations by centring in one activity that most informed her place in what was often the father s house housekeeping The essays in this edition determine how writers especially novelists both male and female used housekeeping to construct reconstruct represent and inscribe the female self and condition This title will be of interest to students of history and literature **Beauty Bites Beast** Ellen Snortland, 1998 Looks at how family religion history news and entertainment keep women thinking they are defenseless Snortland contends that women are capable of defending themselves and their loved ones if they learn how She argues that is not the female s size it is her culturally induced ignorance that makes her think she is helpless Snortland offers a clarion call to all women to wake up and take charge of their own self defense both verbal and physical and celebrates women and kids who fought back Adapted from publisher description Marsha Norman Linda Ginter-Brown, 2014-04-08 This collection of ten original and one reprinted essays provides an in depth examination of one of America s foremost contemporary playwrights Established critics as well as younger scholars examine well known works such as Getting Out night Mother The Laundromat and the adaptation of The Secret Garden Lesser known plays such as The Holdup Sarah and Abraham Traveler

in the Dark and Loving Daniel Boone are also discussed This casebook includes an interview with Norman commenting on her work and her place in American theater as well as a review of *night Mother* by drama critic Robert Brustein The essays analyze Norman's works in comparison to the works of other playwrights and examine the mother daughter relationships of the characters as well as Norman's sense of a woman's place within a patriarchal culture

A New Kabbalah for Women Perle Besserman, 2025-06-25 The red bracelet it graces the wrists of numerous celebrities from Madonna to Britney Spears who have converted to the spiritual practice of Kabbalah But what is Kabbalah and how can women apply it to their own lives In *A New Kabbalah for Women* bestselling author and teacher of Jewish mysticism and meditation Perle Besserman shares a feminine approach to spirituality Since the time of Moses Jewish mysticism has been barred to women and Shekhinah the feminine side of God has been forced underground Now many women are adapting traditional mystical practices in radical new ways Besserman is at the forefront of this revolution In this book she traces the history of female centered worship and tells the story of searching for her own path to truth Combining practices from the Kabbalah with meditation Besserman walks readers through step by step rituals to find their own personal connection with the divine

Rape, Incest, Battery Miriam Kalman Harris, 2000 According to Harris a woman discovers a new identity by becoming the subject who writes rather than the victim who waits in silence Knowing that the problem of violence against women is universal in our world Harris put out a call to professional writers women in shelters and scholars in academe She advertised in literary journals and newsletters asking for autobiographical writings by women who survived any kind of violence and abuse *Rape Incest Battery* resulted from her long process of collecting selecting and editing

The Shakespearean Wild Jeanne Addison Roberts, 1994-01-01 Socrates is said to have thanked the gods that he was born neither barbarian nor female nor animal His words conjure up the image of a human being a Greek male at the center of the universe surrounded by wild and threatening forces To the Western imagination the civilized standard has always been masculine and taken for granted as so until recently Shakespeare's works for all their genius and astonishing empathy are inevitably products of a culture that regards women animals and foreigners as peripheral and threatening to its chief interests We have been so hypnotized by the most powerful male voice in our language interpreted for us by a long line of male critics and teachers that we have seen nothing exceptionable in his patriarchal premises writes Jeanne Addison Roberts If the culture induced hypnosis is wearing off it is partly because of studies like *The Shakespearean Wild* Plunging into a psychological jungle Roberts examines the distinctions in various Shakespeare plays between wild nature and subduing civilization and shows how gender stereotypes are affixed to those distinctions Taking her cue from Socrates Roberts transports the reader to three kinds of Wilds that impinge on Shakespeare's literary world the mysterious female Wild often associated with the malign and benign forces of nature the animal Wild which offers both reassurance of special human status and the threat of the loss of that status and the barbarian Wild populated by marginal figures such as the Moor and the Jew as well as various hybrids *The Shakespearean Wild* brims

with mystery and menace the exotic and erotic with male and female archetypes projections of suppressed fears and fantasies The reader will see how the male vision of culture exemplified in Shakespeare s work has reduced distorted and oversimplified the potentiality of women

The Spirituality of Anorexia Emma White,2018-06-18 Widely popularized images of unobtainable and damaging feminine ideals can be a cause of profound disjunction between women and their bodies A consequence of this dissonance is an embodied performance of these ideals with the potential development of disordered eating practices such as anorexia nervosa This book develops a spirituality of anorexia by suggesting that these eating disorders are physical symptoms of the general repression of feminine nature in our culture Furthermore it puts forward Goddess feminism as a framework for a healing therapeutic model to address anorexia and more broadly the slender ideal touted by society The book focuses on the female body in contemporary society specifically the development of anorexia nervosa and what this expression communicates about female embodiment Drawing upon the work of a variety of theorists social commentators liberation theologians and theologians it discusses the benefits of adopting female focused myths symbols and rituals drawing upon the work of Marion Woodman and Naomi Goldenberg Ultimately it theorises a theological approach to anorexia aimed at displacing the damaging discourses that undermine women in the twenty first century Offering an alternative model of spirituality and embodiment for contemporary women this book will be of keen interest to scholars of theology religious studies gender studies and psychology

Christian Privilege in U.S. Education Kevin J. Burke,Avner Segall,2016-12-08 Using critical curriculum theory as its lens this book explores the relationship between religion specifically Christianity and the Judeo Christian ethos underlying it and secular public education in the United States Despite various 20th century court decisions separating religion and education the authors challenge that religion is in fact absent from public education suggesting instead that it is in fact very much embedded in current public educational practices and discourses and in a variety of assumptions and perspectives underlying understandings of teaching learning and teacher preparation The book reframes the discussion about religion and schooling arguing that it remains in the language and metaphors of education in the practices and routines of schooling in conceptions of the child and the teacher and what happens between them in the spaces we call learning the classroom and curriculum as well as in assumptions about the role of schools emanating from such conceptions and in the current movement toward accountability standardization and testing Christian Privilege in U S Education examines not whether Christianity has a place in public education but rather the very ways in which it is pervasive in a legally secular system of education even when religion is not a topic taught in school
