Reising Children To Be Roses Or Weeds:

A Conscious Life Funmi Oyetunji, 2016-07-16 In my observation of lives around me I often wonder What happened there I imagine what that person might have done to contribute to the success or failure of their own life Usually a life attracts my attention because of its exceptionality for good or for bad Over time I have come to see that many people seem to wander through life just to wake up one day usually at about middle age and realize that their life had happened while they were not looking This is a clarion call and encouragement to consciousness and deliberateness in living the life one would be proud of in the end It is also a summary of the lessons I have learned from my own experiences or from books and other resources I have used in my quest for answers on the subject of life The chapters are arranged based on the different stages and aspects to point out signposts road junctions and time lines that the reader can expect to navigate on the journey of life It is to bring consciousness to the consideration and planning that the different aspects of life need for your own particular journey The book must not be read in a particular sequence you can read particular chapters or aspects as required by your particular stage situation or need for counsel at different times Different chapters will be more applicable and enlightening for different readers at different times It could be growing up and career building time for some marriage and parenting for others It might be about maneuvering middle and old age for yet another In the end no one can control all aspects of life all the time but you can be awake and write your own story by making things happen instead of just waiting and watching them happen accepting whatever life brings Make your life happen *The Rose Garden..remembering our beauty in tough times* , **The Empress Rose** Chris Eastvedt, 2011-02 Which is worse being a victim or being a bitch This is a question Rose Voss has been asking herself since her husband died leaving her with a storm wrecked house four kids to raise and an alcoholic brother in law living in a trailer in her backyard Being a single working mom is never easy but it s downright painful in Luscious Missouri where cattiness is a local pastime For years the neighbors have been watching and judging Rose s every move and giving her a failing grade at every turn In their minds her son is a terrorist in training her hydroponics farm is really a front for a large scale marijuana operation even walking from the car to the grocer s is bound to throw someone s nose out of joint Whatever it takes to be popular here Rose just doesn t have it Things begin to change when a GoBuy superstore moves in and starts killing off the competition Families are leaving stores are closing and time is running out Luscious is desperate and survival depends on recruiting help from the most successful business owner in town Rose Voss Now Rose has a decision to make forgive past wrongs and work with her neighbors to rebuild the community or leave everyone to reap what they ve sown while she savors the sweet taste of revenge What would you do What readers are saying about The Empress Rose Rose is a great character who learns from her mistakes and seeks to right them for the sake of her children She gives hope to single working mothers who have to bear the burden and joys of raising a family while making ends meet The Empress Rose has a strong cast of characters who show great development to the end Michelle Saxton Petersburg FL The Empress Rose
