SUNDAY AT HOME ,1879 **Continent** ,1924 *The American University in a Postsecular Age* Douglas Jacobsen,Rhonda Jacobsen,2008-02-27 For much of the twentieth century it was assumed that higher education was and ought to be a secular enterprise but that approach no longer suffices The culture has shifted and contemporary college and university students are increasingly bringing religious and spiritual questions to campus In response college and university leaders are exploring anew the relationship between religion and higher education The American University in a Postsecular Age grapples with key questions How religious or irreligious are faculty and students today What level of religious literacy should be expected from students Can religion be allowed into the classroom without being disruptive Should colleges and universities help students reflect on their own faith Is religion antithetical to critical inquiry Can religion have a positive role to play in higher education This is a state of the art introduction to the national discussion about religion and higher education Leading scholars and top educators express a wide spectrum of opinions that reflect the best current thinking Introductory and concluding essays by the editors describe the postsecular character of our age and propose a comprehensive framework intended to facilitate ongoing conversation **The Calcutta Christian Observer** ,1837 **The Christian Advocate** ,1909

The Holy Longing Connie Zweig,2008-04-08 Longing is the core of mystery Longing itself brings the cure Rumi In every tradition saints and poets speak of the soul s search for the beloved the seeker s yearning for the divine This holy longing a secret feeling with many disguises leads us to pursue religious discipleship spiritual practice romantic union or an ideal community It guides us to timeless wisdom and transcendent experience But it also can go awry when we misplace it onto objects such as food alcohol drugs or sex believing that they will satisfy our craving Or when we misplace it onto an authoritarian personality believing that he or she will meet our unmet needs If this teacher or priest abuses power we encounter the shadow side of spiritual life Whether the abuse is sexual financial or emotional coercion we may feel forsaken and lose faith even in God The Holy Longing tells the stories of teachers in many traditions Sufi poet Rumi Hindu master Ramakrishna Christian saint Catherine of Siena whose lives unfolded as they followed their longing And it tells the tales of many ordinary people Catholic believers students of Zen and TM followers of Trungpa Rinpoche and Rajneesh and their encounters with spiritual shadow Finally it offers wise counsel for rekindling the flame of faith moving through the shadow to the light by reclaiming sacred parts of the self that were lost along the way **A Peculiar Prophet** Michael A.

Turner,2010-09-01 There is no more trusted mentor of preachers in North American Christianity today than William H Willimon The author of over sixty books a frequent preacher and teacher in pastors schools and events Willimon has earned a following as one of the people to whom preachers turn more often than any other Turner and Malambri make Willimon s role as a mentor to preachers more available than ever Both former students of Willimon s they provide detailed and practical tools for learning from this peculiar prophet They offer samples of Willimon s sermons and commentary on them by other leading preachers and homilists such as Tom Long and Peter Gomes The point of this examination of Willimon s work is

not simply to praise it but to assess both its strengths and its weaknesses and to help readers learn in the process how Willimon can be a model of what to do and at times what not to do in the pulpit Written with the needs of practicing preachers in mind this book will make a significant contribution not only to understanding a great preacher but also to preaching itself **Prophetic Preaching** Leonora Tubbs Tisdale, 2010-01-01 Where have all the prophets gone And why do preachers seem to shy away from prophetic witness Astute preacher Leonora Tisdale considers these vexing questions while providing guidance and encouragement to pastors who want to recommit themselves to the task of prophetic witness With a keen sensitivity to pastoral contexts Tisdale's work is full of helpful suggestions and examples to help pastors structure and preach prophetic sermons considered by many to be one of the most difficult tasks pastors are called to undertake To Be Like Jesus Daniel Mathano Mwilu PhD, 2019-11-22 In his classic novel *The Pilgrim's Progress* John Bunyan wrote allegory of the progress of the Christian Pilgrimage from the City of Destruction this world to the Celestial City the world to come Written in 1678 and now translated into over 200 languages its message is still significant and relevant for Christians today As an allegory it pictures the struggles and challenges that confront Christians at all times This book relates the true story of a Christian journey that started over fifty years ago in Africa but extended to Europe England and America It is interspersed with personal stories encounters and reminiscences that point to the struggles hurdles and hindrances faced by Christians today in their journey anywhere in the world It suggests spiritual vitamins essential for spiritual stamina in the Christian journey in spiritual formation The book evaluates the vital characteristics of spiritual formation and suggests from a biblical and theological perspective the disciplines necessary for its development It affirms its validity with reference to the way in which class meetings played a major role in the Wesleyan tradition of spiritual formation It recommends that exploring modern forms of class meetings would address current church decline *The Chicago Theological Seminary Register* Chicago Theological Seminary, 1950 Alumni directory issue 1859 1951 v 44 no 4 v 45 no 1
