From Blavatsky to Krishnamurti: "It is Finished" Al Boag, 2025-09-16 This book highlights some important continuities as well as differences between the teachings of Helena Petrovna Blavatsky 1831 1891 co founder of the Theosophical Society in 1875 and Krishnamurti Jiddu 1895 1986 the Theosophist who was trained to be the World Teacher Until now very little has been written of the importance to Blavatsky of an esoteric eschatology and Christology and their relation to the secret core of her Path of Initiation the practice of an occult breathless meditation Similarly scholarly research has overlooked the evidence that Krishnamurti eviscerated the secret core of Blavatsky s teaching with his own esoteric interpretation of it which exists in his published work as the camouflaged core of his teaching Offering a fresh appraisal this work draws on careful exploration of the primary source material of Blavatsky and Krishnamurti as well as his Theosophical mentors Annie Besant 1847 1933 and Charles Webster Leadbeater 1854 1934 It will be of particular interest to students and scholars of esotericism new

religious movements and the history of religions **London Lectures of 1907** Annie Besant, 2020-07-29 Reproduction of the original London Lectures of 1907 by Annie Besant Western Esotericism and the Science of Religion International Association for the History of Religions. Congress, International Association for the History of Religions, 1998 This volume is based upon papers read during the innovative section Western Esotericism and the Science of Religion organized at the 17th International Congress of the International Association for the History of Religions IAHR in Mexico City August 5 12 1995 The section was created in order to fill a long standing hiatus in the academic study of religions whereas phenomena such as gnosticism and hermetism in antiquity and even the occult sciences of that period have long been recognized as subjects worthy of serious investigation the history of similar and related phenomena in more recent periods has hardly received the same measure of scholarly attention and recognition The present volume is devoted to the academic emancipation of these areas as constituting a legitimate domain of research which may be referred to by the generic label western esotericism Preceded by an introductory essay on the birth of this new discipline in the study of religion the volume provides a sample of current research in the field and devotes special attention to some central methodological questions *Journal Iranian Association*, 1912 **Conspiracy Theories and Secret Societies For Dummies** Christopher Hodapp, Alice Von Kannon, 2011-02-04 Entering the world of conspiracy theories and secret societies is like stepping into a distant parallel universe where the laws of physics have completely changed black means white up is down and if you want to understand what's really going on you need a good reference book That's where Conspiracy Theories Secret Societies For Dummies comes in Whether you're a skeptic or a true believer this fascinating guide packed with the latest information walks you through some of the most infamous conspiracy theories such as Area 51 and the assassination of JFK and introduces you to such mysterious organizations as the Freemasons the Ninjas the Mafia and Rosicrucians This behind the curtain guide helps you separate fact from fiction and helps you the global impact of these mysterious events and groups on our modern world Discover how to Test a conspiracy theory Spot a sinister secret society Assess the Internet's role in fueling conspiracy theories Explore world domination schemes Evaluate 9 11 conspiracy theories Figure out who they are Grasp the model on which conspiracy theories are built Figure out whether what everybody knows is true Distinguish an assassination brotherhood from another Understand why there's no such thing as a lone assassin Why do hot dogs come in packages of ten while buns come in eight packs Everybody knows it's a conspiracy right Find out in Conspiracy Theories Secret Societies For Dummies **Borderland** William Thomas Stead, 1895 **The Mirror of Relationship** J Krishnamurti, 2022-09-09 The answer to the question What are you Seeking is simple We want to find truth God everlasting peace The real question says Krishnamurti is Why do you seek at all Knowing conflict repression self doubt and fear as consistent companions we naturally wish for them to come to an end So begins the search for relief the search for everlasting peace through ideas religions self help self analysis etc and we think of this search as a right action towards finding what we are looking for But do we know

what we are looking for or are we merely seeking relief from what is happening presently Are we seeking at that point only an idea the supposed opposite of the emotion that we are experiencing now It is the search that maintains the present emotion and its projected opposite in a state of mutually co existent conflict inherently

A Search for Meaning in Victorian Religion Jeffrey D. Lavoie, 2014-11-05 Christian mystic astrologer and spiritualist Charles Carleton Massey 1838 1905 underwent an eclectic spiritual journey that resulted in a series of articles letters and booklets that have largely been neglected by modern society Massey was a child of privilege formally trained as a barrister of law at the Westminster School and the son of the English Minister of Finance for India He devoted his life to solving the metaphysical mysteries of existence leading him into the world of religious philosophy that placed him in the middle of a crossroads between Victorian science religion and philosophy Beginning his journey as a Spiritualist Massey continued on a course that brought him into the Theosophical Society eventually becoming the founding president of its British branch going through the ranks of the Society of Psychical Research and ultimately into his final role as a Christian mystic This indispensable work combines Massey's collected writings with never before published letters organized topically in order to define Massey's unique world view for a new generation of readers This book covers a range of topics from the nature of God to the microcosm and macrocosm to Satanism and reincarnation all the while allowing the reader a rare glimpse into Victorian England and the social and religious issues of this time period The recollections recorded in this book though written over a hundred years ago are dealt with in such a simple yet profound way that remain relevant to modern spiritual seekers of all types
