Developing Quality in Personal Social Services Adalbert Evers,Riitta Haverinen,Kai Leichsenring,Gerald

Wistow,2019-05-23 First published in 1997 this volume is about the challenge of introducing business originated concepts of quality assurance personal social services are currently confronted with all over Europe Undoubtedly the new orientation towards a more business like approach in social welfare settings will raise professionalism client orientation and controlling instead of mere inspection There is evidence however that the specificities of personal social services are not always taken into account if it comes to introducing market values and mechanisms Due to this development it becomes essential to promote more adequate criteria for quality standards in the very field of personal social services The challenge is to maintain a certain standard of service provision while at the same time reconsidering the preconditions for defining quality This will imply the search for a consensus between allegedly diverging approaches i e between their different basic concepts aims and standards Given the social and economic context within which these developments are taking place the focus of the contributions is on their critical assessment in different European countries An overview is given about national developments in the areas of care for older persons and other social services The contributors from Austria Belgium Denmark Finland Germany Italy the Netherlands Norway Sweden and the UK look at how and by whom quality is defined and what challenges the actors of the traditionally mixed economy of personal social services are meeting Empirical evidence

about user involvement and satisfaction is given but also theoretical reasoning about the impact of business approaches on a public good. Thus the book tries to fill an important gap in practice research and policy making concerning personal social services and quality issues. The Psychology of Intimacy Karen J. Prager, 1997-11-07 Incorporating the most up to date literature in sociology psychoanalysis psychology and communication this book provides an exhaustive synthesis of theoretical empirical and clinical research on personal relationships. Prager explores the complex interconnections between intimacy and individual development examining relationships from intimacy to old age in their social cultural and gender contexts and constructing an innovative multi tiered model of intimate relating. The book also delves into the thoughts and emotions people experience when they behave intimately with each other and asks how intimate relationships come to be satisfying stable and harmonious for the people involved. This book will be of interest to researchers educators students and practitioners who study or treat close relationships. It will also serve as an invaluable text for advanced undergraduate and graduate courses on personal relationships intimacy and family relations. Handbook on COVID-19 Pandemic and Older Persons Mala Kapur Shankardass, 2023-06-22 This handbook provides an in depth analysis of the impact of the Covid 19 pandemic on older people across different countries focusing on important issues affecting ageing societies. It presents an analytical framework of various emerging concerns affecting societies transforming of social relationships bringing in of new health problems including mental health elder abuse impact on intergenerational relationships and emotional and psychological matters.
