The Mind-Body Diabetes Revolution Richard S. Surwit, 2013-08-27 *The Mind Body Diabetes Revolution* is the first book to show how stress depression and anger affect blood sugar It s also the first to provide a proven step by step health program to help the millions of people with diabetes manage their disease Until now this life changing program was available only to patients at Duke University Medical Center but *The Mind Body Diabetes Revolution* makes it available to everyone who needs it diabetic people and the millions at risk for developing the disease Over the past forty years little has changed in the treatment of type 2 diabetes Diet exercise and medication are still the three primary methods used to control blood sugar Yet diabetes is reaching epidemic proportions not just in the United States but also in other countries all over the world Now after twenty years of research Dr Richard S Surwit a leader in the field of the psychology of diabetes adds the vital fourth component to treating diabetes a revolutionary mind body program that lowers blood sugar levels and dramatically reduces the disease s serious damaging side effects which can include painful nerve damage heart disease impotence eye problems and kidney ailments *The Mind Body Diabetes Revolution* explains how thoughts and beliefs influence a person s emotions and moods and shows how these can translate into chronic anger cynicism anxiety and depression all of which increase your blood sugar level But with compelling case studies and a powerfully effective step by step six week program Dr Surwit

demonstrates how you can learn to manage the emotions and stress that lead to elevated hormones and higher blood sugar levels After he explains the mind metabolism connection so that you see how it works in your own body Dr Surwit provides self tests and reflective quizzes to test your personality type and decide on the best and easiest psychological techniques to help you lower your blood sugar level and keep it low Then he helps you develop the best long term mind body program for your needs and shows how to use the planner to keep track of your progress An invaluable aid to your overall well being The Mind Body Diabetes Revolution helps you enlist your own mind and body as powerful allies in controlling your diabetes and enjoy greater general health as a result *Payne's Handbook of Relaxation Techniques E-Book* Caroline
