A Catholic Response to the Jehovah's Witnesses Jennifer Moorcroft, 2014-07-16 A Catholic Response to the Jehovahs Witnesses is a departure from the authors usual subject of books and articles on aspects of Catholic spirituality Having met with many Witnesses over the years she was prompted to write the book as a response to them It also addresses the concern many Catholics have as to how to engage with Witnesses and how they might evaluate their teachings It is written in an informal style to introduce readers to the various aspects of the doctrines of the Jehovahs Witnesses and how a Catholic might respond to them from their own tradition and the theology of the Catholic Church **New York Supreme Court** The Watchtower's Coming Crisis Daniel Rodriguez, 2011 A devastating crisis has the Jehovah s Witness religion facing extinction Chances are that you have never met a real Jehovah s Witness While those at your door may claim to be one of Jehovah's Witnesses their own publications plainly teach otherwise So who are the real Jehovah's Witnesses The Watchtower Society teaches that they are members of the 144 000 who will be the only ones going to heaven Membership in this group began with the early apostles Over the centuries others have been added but the Watchtower declared that the number was completed in 1935 Anyone who claims to be one of Jehovah's Witnesses has to be one of the 144 000 and must be very old now However the Watchtower Society teaches that these are the only ones who hear from God and are responsible for Watchtower teaching and leadership Because these people are dying the Watchtower is facing a credibility crisis So the Watchtower is quietly manipulating these death figures to keep the Watchtower organization alive And now just last year Watchtower literature quietly began to try to wiggle out of the 1935 closing date for the 144 000 But this only adds further opportunity for you to show the JW who comes to your door that he cannot trust the Watchtower with his precious eternal life The Watchtower representative at your door believes he will remain on Paradise Earth after the coming Armageddon since only the original 144 000 have any hope of going to heaven In fact they are the only ones allowed to take communion He does not believe he can understand Bible truths without the Watchtower He is dependent on a publication that one day soon will be left without writers to reveal God s truths Who are those writers Those who remain of the original 144 000 and they are dying Oddly enough their founder Charles Taze Russell never taught the doctrine of the 144 000 In this book you will learn the true history of this false Watchtower doctrine You will be surprised to discover that this doctrine is not just a Bible issue It is also a historical issue and a numbers game that the Watchtower Society has had to manipulate throughout the years to keep that organization alive With the information and witnessing strategies in this book you will be able to plant seeds of doubt and undermine the authority of the Watchtower The Watchtower knows it is essential that this cornerstone doctrine remain alive if it is going to continue to exist as the spiritual leader for its followers Time is the enemy of this teaching and they know it New York Court of Appeals.
