Manual Of The Mercenary Soldier:

Manual of the Mercenary Soldier Paul Balor,1988 **The 21st Century Mercenary Operations Manual - Vol. 1** Chris Ronson,2020-04-22 Being a profession as old as mankind itself the mere word mercenary often triggers images of danger toughness adventure deadly skills sex and money in a life as exotic and unreal as some classic action movie Often said to no longer exist rendered obsolete by the multi million dollar private military companies that reshaped private warfare since 2001 mercenaries in the classic way continued their existence and work without any real changes except for a rise in both overall demand and sorts of opportunities to work since the 80s and 90s when their existence was proved on photos in the famous publications like Soldier of Fortune Gung Ho and some of the best of the trade took the time and effort to even write manuals on how to get into that dangerous demanding and often outright crazy occupation Seasoned and experienced mercs like Paul Balor in his Manual of the Mercenary soldier or Frank J Camper running his Mercenary School and publishing several books including the original Mercenary Operations Manual in 1986 and Live to spend it opened that hidden world together with an opportunity to become a part of it to anybody dedicated enough to pay the price in sweat blood hunger and sleep deprivation Yet the changes of our world and its wars together with all the naysayers in the big www claiming the old school mercenary type to be long vanished made an update necessary Here it is No matter if you re eager to start a full time career as a hired gun want more information about this trade to decide if it s for you or you re only curious you ll get your answers Or maybe you simply want to acquire the skills and know how of a professional mercenary to improve your chances of protecting those you care about in a world of wars lacking frontlines wars that don t end on borders in lands far away but instead are fought by enemy forces that might carry out their next attack in a church a shopping mall or cinema in your hometown This books goal is to make sure that you are prepared for participating in any modern war as an independent single operator increasing to the maximum your chances to live to spend it [Mercenary Operations Manual](#) Franklin J. Camper,1986 [Mercenaries in Asymmetric Conflicts](#) Scott Fitzsimmons,2013 Fitzsimmons argues that small mercenary groups must maintain a superior culture to successfully engage and defeat larger and better equipped opponents

Mercenary Combat Manual: A Comprehensive Guide to Military Operations and Tactics in the 57th Century Pasquale De Marco,2025-05-12 In the 57th century mercenaries have become a ubiquitous force in interstellar warfare Private military contractors now operate alongside national armies providing specialized skills and services to governments corporations and rebel groups alike The rise of mercenaries has blurred the lines between public and private warfare raising complex legal and ethical questions Mercenary Combat Manual A Comprehensive Guide to Military Operations and Tactics in the 57th Century delves into the world of mercenary combat offering a comprehensive guide to the recruitment organization equipment and tactics employed by these professional soldiers Drawing upon historical precedents and cutting edge military theory this book provides invaluable insights for both aspiring and experienced mercenaries Whether you are a seasoned

The Law of War Em Prof Ingrid Detter,2013-07-28 The third edition of Ingrid Detter s authoritative work explores the changing legal context of modern warfare in light of events over the last decade The new edition covers post 9 11 events and the resulting changes in the ethos of war It analyses the role of military companies sometimes authorised by States to act in war like situations and examines what their legitimacy means for international society The edition also discusses certain intrinsic rules such as rules giving individuals the right to be spared genocide torture slavery and apartheid and assure them basic democratic rights

How to Become a Mercenary Barry Davies,2020-05-19 For anyone who s ever considered a career as a warrior for hire or who just wants to learn more about the lifestyle How to Become a Mercenary is the ultimate guide to all the history training and equipment information you ll ever need Mercenaries who are often trained as part of the best Special Forces including American Delta Force British SAS French Foreign Legion Marines SBS SEALs and many others perform one of the most dangerous and feared jobs in the world Their task is to go into remote locations and remove their targets by any means necessary They are hired hands and have no remorse for their actions Now along with Soldier of Fortune magazine Barry Davies teaches you the training and knowledge that goes into being a mercenary as well as the history of the profession and how it has evolved How to Become a Mercenary will teach you everything you ve ever needed to know about becoming a mercenary and also how to excel at it with information on weapons escape plans and overall safety You will learn Where and how to find work How to understand and apply the most modern tactics What languages to master Which weapons are preferred How to disappear after you ve completed your job It s always been about the money but in this book you will learn all the skills that you must acquire before you take your first job Just remember Article 47 of the Geneva Convention states that a mercenary shall not have the right to be a combatant or a prisoner of war Getting caught is not an option and in this manual you will learn how to avoid that at all costs

The Law of War Ingrid Detter,2016-03-03 The third edition of Ingrid Detter s authoritative work explores the changing legal context of modern warfare in light of events over the last decade Ingrid Detter reviews the status of non State actors as individuals and groups become more prominent in international society Covering post 9 11 events and the resulting changes in the ethos of war the author analyses the role

of military companies and examines what their legitimacy means for international society The edition also discusses certain intrinsic rules in the Law of War such as rules giving individuals the right to be spared genocide torture slavery and apartheid and assure them basic democratic rights The author questions the right of illegal combatants to be treated as prisoners of war and suggests that a minimum standard must be afforded to all whether captured dictators or detainees suspected of terrorism In the modern world the individual the soldier the civilian the dictator the terrorist or the pirate can no longer behave as they wish Further new topics include target killings the right to protect R2P claimed to be a new form of intervention the use of unregulated weapons such as drones and robots the war scenario in Outer Space and cyber crimes There is also a discussion of new developments in the field of war crimes including severe criticism of the novel concept joint criminal enterprise JCE which in the opinion of the author undermines the Rule of Law This updated and expanded edition will be of use to statesmen scholars and students of international relations and international law **Greek Mercenaries**

Matthew Trundle, 2004-09-09 **Greek Mercenaries** is an analysis of the political social and economic aspects of classical Greek mercenary service **Mercenaries** Col. Michael Lee Lanning, 2007-12-18 **SOLDIERS OF Privateers** contract killers corporate warriors Contract soldiers go by many names but they all have one thing in common They fight for money and plunder rather than liberty God or country Now acclaimed author and war vet Michael Lee Lanning traces the compelling history of these fighting machines from the Sea Peoples who fought for the pharaohs greater glory to today s soldiers for hire from private military companies PMCs in Iraq and Afghanistan What emerges is a fascinating account of the men who fight other people s wars the Greeks who built an empire for Alexander the Great the Nubians who accompanied Hannibal across the Alps the Irish who became the first to go global in their search for work Soldiers of fortune have always had the power to change the course of war and Lanning examines their pivotal roles in individual battles and in the rise and fall of empires As the employment of contract soldiers spreads in Iraq and America s War on Terrorism the U S paid 30 billion to PMCs in 2003 alone **Mercenaries** offers a valuable inside look at a system that appears embedded in our nation s future Includes eight pages of photographs
