Sounding Authentic Joshua S. Walden, 2014 Sounding Authentic considers the intersecting

influences of nationalism modernism and technological innovation on representations of ethnic and national identities in twentieth century art music Author Joshua S Walden discusses these forces through the prism of what he terms the rural miniature short violin and piano pieces based on folk song and dance styles This genre mostly inspired by the folk music of Hungary the Jewish diaspora and Spain was featured frequently on recordings and performance programs in the early twentieth century Furthermore Sounding Authentic shows how the music of urban Romany ensembles developed into nineteenth century repertoire of virtuosic works in the style hongrois before ultimately influencing composers of rural miniatures Walden persuasively demonstrates how rural miniatures represented folk and rural cultures in a manner that was perceived as authentic even while they involved significant modification of the original sources He also links them to the impulse toward realism in developing technologies of photography film and sound recording Sounding Authentic examines the complex ways the rural miniature was used by makers of nationalist agendas who sought folkloric authenticity as a basis for the construction of ethnic and national identities The book also considers the genre s reception in European diaspora communities in America where it evoked and transformed memories of life before immigration and traces how many rural miniatures were assimilated to the styles of American popular song and swing Scholars interested in musicology ethnography the history of violin performance twentieth century European art music the culture of the Jewish Diaspora and more will find Sounding Authentic an essential addition to their library

Repertoire for the Solo Voice Noni Espina, 1977 A fully annotated guide to works for solo voice published in modern editions and covering material from the 13th century to the present

Sacred Passions Carol A. Hess, 2005 This biography offers a fresh understanding of the life and work of Spanish composer Manuel de Falla 1876-1946 recognized as the greatest composer in the Spanish cultural renaissance that extended from the latter part of the 19th century until the outbreak of the Spanish Civil War in 1936 The biography incorporates recent research on Falla draws on untapped sources in the Falla archives reevaluates Falla s work in terms of current issues in musicology and considers Falla s accomplishments in their historical and cultural contexts

Manuel de Falla Nancy Lee Harper, 2005-05-13 Harper aims to provide readers with a deeper more accurate understanding of Falla s creative process by drawing from a complete array of rare authentic sources including Falla s own personal library valuable sketch material and the more than 20 000 pieces of correspondence maintained in Granada Spain by the Manuel de Falla Archive The book is arranged in three sections The first part of the book organized according to Falla s geographical stays attempts to clarify certain aspects of Falla s life that have to date been ambiguous or unknown The second section engages various prominent aspects of Falla s character such as his relationship with his European contemporaries In this second section significant collaborations with prestigious Falla specialists Louis Jambou Michael Christofordis and Chris Collins have greatly enhanced the dimension of the topics addressed The book s final section attempts to introduce readers to the most recent information available It is generously illustrated with manuscript examples and is organized according to the stylistic classifications of

the Manuel de Falla Archive's Musical Director which greatly assist in clarifying the development of Falla's creative process. A chronologically arranged photo section rounds out this offering that will be of great significance to music students and teachers as well as those with an interest in Spanish culture. *The Song Index of the Enoch Pratt Free Library* Ellen Luchinsky, 2020-12-23 The Song Index features over 150 000 citations that lead users to over 2 100 song books spanning more than a century from the 1880s to the 1990s. The songs cited represent a multitude of musical practices, cultures, and traditions ranging from ethnic to regional, from foreign to American, representing every type of song: popular, folk, children's, political, comic, advertising, protest, patriotic, military, and classical, as well as hymns, spirituals, ballads, arias, choral symphonies, and other larger works. This comprehensive volume also includes a bibliography of the books indexed, an index of sources from which the songs originated, and an alphabetical composer index. *All Music Guide to Classical Music* Chris Woodstra, Gerald Brennan, Allen Schrott, 2005-09 Offering comprehensive coverage of classical music, this guide surveys more than eleven thousand albums and presents biographies of five hundred composers and eight hundred performers, as well as twenty-three essays on forms, eras, and genres of classical music.
