Many Thousands Gone Ira Berlin, 2000-03-01 A leading historian of southern and African American life traces the evolution of black society in America from its creation in the early 17th century through the American Revolution Berlin reveals the diverse forms that slavery and freedom assumed before cotton was king **Many Thousands Gone** Ira Berlin, 1998 Traces the development of Black society from the 1600s through the 1800s describing the social conditions of both slaves and free Blacks *Slavery and Sentiment on the American Stage, 1787-1861* Heather S. Nathans, 2009-03-19 For almost a hundred years before Uncle Tom's Cabin burst on to the scene in 1852 the American theatre struggled to represent the evils of slavery *Slavery and Sentiment* examines how both black and white Americans used the theatre to fight negative stereotypes of African Americans in the United States **Generations of Captivity** Ira Berlin, 2004-09-30 Ira Berlin traces the history of African American slavery in the United States from its beginnings in the seventeenth century to its fiery demise nearly three hundred years later Most Americans black and white have a singular vision of slavery one fixed in the mid nineteenth century when most American slaves grew cotton resided in the deep South and subscribed to Christianity Here however Berlin offers a dynamic vision a major reinterpretation in which slaves and their owners continually renegotiated the terms of captivity Slavery was thus made and remade by successive generations of Africans and African Americans who lived through settlement and adaptation plantation life economic transformations revolution forced migration war and ultimately emancipation Berlin's understanding of the processes that continually transformed the lives of slaves makes *Generations of Captivity* essential reading for anyone interested in the evolution of antebellum America Connecting the Charter Generation to the development of Atlantic society in the seventeenth century the Plantation Generation to the reconstruction of colonial society in the eighteenth century the Revolutionary Generation to the Age of Revolutions and the Migration Generation to American expansionism in the nineteenth century Berlin integrates the history of slavery into the larger story of American life He demonstrates how enslaved black people by adapting to changing circumstances prepared for the moment when they could seize liberty and declare themselves the Freedom Generation This epic story told by a master historian provides a rich understanding of the experience of African American slaves an experience that continues to mobilize American thought and passions today *Newport Gardner's Anthem* Edward E. Andrews, 2025-10-15 Newport Gardner's Anthem explores the remarkable life of Occramer Marycoo an enslaved African who went on to become one of early America's most important Black leaders In the mid eighteenth century Marycoo was taken from West Africa to Newport Rhode Island where he was forced into racial bondage and given a name that symbolized the power that his new city and new enslaver held over him Newport Gardner In this powerful book Edward E Andrews pieces together newspaper articles church records letters and Gardner's own writings to tell the story of his life After acquiring his freedom via a winning lottery ticket in 1791 Gardner became a kind of Founding Father for Newport's free Black community He established and led several Black

benevolent organizations that helped the community navigate the complicated waters of freedom as Rhode Island slowly began the process of emancipation He became a popular educator to young Black Newporters and also emerged as a key religious figure serving as a long standing pillar of Newport's First Congregational Church and later founding an independent Black church in the 1820s His final act was leading a group of about three dozen Black New Englanders to Liberia in hopes that a new start in Africa would be better than the discrimination they faced in America A richly textured account Newport Gardner's Anthem tells the story of a forgotten Black leader while exploring the new but tragically limited opportunities for formerly enslaved people in the post Revolutionary world Sister Circle Sharon Harley,2002 Sister Circle Black Women and Work is the end product of almost a decade's commitment made to each other by a small group of interdisciplinary Black and one white Sister Scholars at the University of Maryland in 1993 Rethinking the African Diaspora Kristin Mann,Edna G. Bay,2001 This work dramatically revises scholarship on the cultural impact of trans Atlantic slavery between Africa and Brazil "My Name Is Not Tom" Susan Cooke Soderberg,2025-04-02 The first biography to rescue the true story of Josiah Henson restoring to history his role in the Underground Railroad Josiah Henson led a fascinating life from the plantation fields of Maryland to the Georgetown Market to the plantations of Kentucky to escaping to freedom in Canada to being introduced to the Queen in England Born enslaved Henson eventually escaped and became a respected minister and famed secular leader My Name Is Not Tom is a biography of Josiah Henson the man catapulted into fame after Harriet Beecher Stowe noted that certain events in his life partially influenced the development of her fictional character Uncle Tom While previous biographies have relied heavily on Henson's four autobiographies which replicated the myth that he was the sole inspiration for Stowe's character My Name Is Not Tom uses new primary source research to fill in the untold parts of his extraordinary life and examine his views of slavery and morality which changed substantially over the course of his life New Jersey in the American Revolution Barbara J. Mitnick,2007-03-12 This remarkably comprehensive anthology brings new life to the rich and turbulent late 18th century period in New Jersey Originally conceived for the state's 225th Anniversary of the Revolution Celebration Commission **Converging Worlds** Louise A.
