exactly where to go for which information All relevant information is collected and provided as a one stop shop for students wishing to check the known information about a world Sovereign The Early Modern volume begins with Eastern and Western Europe and moves through the Ottoman Empire South and East Asia Africa and ends in Central and South America Compendium of World Sovereigns Volume III Early Modern provides students and scholars with the perfect reference guide to support their studies and to fact check dates people and places *World Monarchies and Dynasties* John

Middleton,2015-06-01 Throughout history royal dynasties have dominated countries and empires around the world Kings queens emperors chiefs pharaohs czars whatever title they ruled by monarchs have shaped institutions rituals and cultures in every time period and every corner of the globe The concept of monarchy originated in prehistoric times and evolved over centuries right up to the present Efforts to overthrow monarchies or evade their rule such as the American French Chinese and Russian revolutions are considered turning points in world history Even today many countries retain their monarchies although in vastly reduced form with little political power One cannot understand human history and government without understanding monarchs and monarchies This fully illustrated encyclopedia provides the first complete survey of all the major rulers and ruling families of the world past and present No other reference work approaches the topic with the same sense of magnitude or connection to historical context Arranged in A Z format for ease of access *World Monarchies and Dynasties* includes information on major monarchs and dynasties from ancient time to the present This set includes overviews of reigns and successions genealogical charts and dynastic timelines addresses concepts problems and theories of monarchy provides background and information for further research highlights important places structures symbols events and legends related to particular monarchs and dynasties includes a master bibliography and multiple indexes *Maratha Generals and Personalities* ,2014-08-01 This book can serve as a ready reference to all the key personalities in Maratha kingdom There were several historical events like from foundation of Maratha Kingdom Battle of Panipat till 3 Anglo Maratha wars There are several great leaders in Maratha clan which lead from the front and sacrificed themselves for the survival of this Hindavi Swarajya History student or a general reader is clue less about the background of the great people fighting from Maratha side I have compiled this book to give you a summary of all the personalities with mention of their contribution to key events in the History This book can be read individually or can be used as a ready reference guide book **Deccan in Transition, 1600 to 1800** Umesh Ashok Kadam,2023-03-31 This book presents the socio cultural and historical trajectories of the Deccan plateau as well as the coastal areas of the current states of Andhra Pradesh Maharashtra Karnataka and Goa It studies the art of diplomacy by discussing the diplomatic relations between the Marathas and various European companies as well as the indigenous regional states The author also probes into the Maratha naval policy the evolution of a composite Deccani culture and the cultural flux that was taking place within the Maratha country Through an interdisciplinary lens the volume examines how caste and gender relations operated how the idea of dissent was generated as well as the socio

political impact of various linguistic ethnic and religious groups Through a study of monuments sculpture and paintings prevalent in the region the book also discusses the developments in art and architecture in the Deccan Rich in archival sources this book is a must read for scholars and researchers of Indian history colonial history South Asian history Maratha history and history in general *Empire and Gunpowder* Moumita Chowdhury,2022-07-19 This book focuses on the relation between technology warfare and state in South Asia in the eighteenth and the nineteenth centuries It explores how gunpowder and artillery played a pivotal role in the military ascendancy of the East India Company in India The monograph argues that the contemporary Indian military landscape was extremely dynamic with contemporary indigenous polities Mysore the Maratha Confederacy and the Khalsa Kingdom attempting to transform their military systems by modelling their armies on European lines It shows how the Company established an edge through an efficient bureaucracy and a standardised manufacturing system while the Indian powers primarily focused on continuous innovation and failed to introduce standardisation of production Drawing on archival records from India and the UK this volume makes a significant intervention in our understanding of the rise of the British Empire in South Asia It will be of great interest to scholars and researchers of history especially military history military and strategic studies and South Asian studies Portuguese Enterprise in the East Teddy Y.H. SIM,2011-08-25 Since 2000 there have been fewer studies released about the formal aspects of the operation of colonial powers such as Portugal in the East during the Early Modern period Prior the fall of Communism in the last decade of the twentieth century gave a boost to liberal ideology while research into topics related to autocracy or state apparatus have become unfashionable The Portuguese role in the East is usually overlooked being less high profile than that of the Dutch or British Drawing on unpublished materials from the Overseas Historical Archive and other libraries in Portugal this book considers Portuguese leadership and organization at home where it pertained to the governance of the eastern colonies as well as the formal and soft instruments of state applied on the ground in these colonies in first half of the eighteenth century **Conflict and Conquest in the Islamic World** Alexander Mikaberidze,2011-07-22 A reference work that thoroughly documents the extensive military history of the Islamic world between the 7th century and the present day Military political conflict and the resulting factionalism shifts in leadership and divergent belief systems has been a constant and crucial part of the Islamic world In order to fully grasp the cultural social or political aspects of Islam in the modern world it is necessary to comprehend the rich tapestry of Islamic history from pre Islamic times to the present much of which involved armed conflict *Conflict and Conquest in the Islamic World* A Historical Encyclopedia provides hundreds of entries on wars revolutions sieges institutions leaders armies weapons and other aspects of wars and military life enabling readers to understand the complex role conflict has played in Islamic life throughout history and see how Islamic warfare has evolved over the centuries This reference work covers not only the traditional Middle Eastern regions and countries but also provides relevant historical information regarding Islam in North Africa Central Asia Southeastern
