Metronome Oliver Langmead,2017-01-16 You and I we wear our wounds I wear my scars you wear your tattoos and we don t forget who we are It is for the entities known as Sleepwalkers to cross the doors between dreams and hunt the nightmares that haunt sleeping minds Theirs is a world of impossible vistas where reason is banished and only the imagination holds sway the connected worlds that all sleeping minds inhabit and the doors that lead between But tonight one Sleepwalker has gone rogue Abandoning her sworn oath to protect the dreamscapes she has devoted herself to another cause threatening to unleash a nightmare older than man The only chance of stopping her lies with a man named Manderlay Once a feted musician William Manderlay is living his twilight years in an Edinburgh care home riddled with arthritis and filled with a longing for his youth for the open seas and for the lost use of his hands and the violin he has always treasured For too long now Manderlay s nights have been coloured by dark corrupted dreams dreams of leprous men in landscapes plucked from his memory of dark figures seeking him on city streets His comrades in the retirement home believe Manderlay is giving in to age and senility but the truth is much worse For in dreams maps are made from music and it just might be that one of William Manderlay s forgotten compositions holds the key

to unleashing the nightmare that holds the world of dreams in balance The Sleepwalkers are zoning in on him He might be their saviour or his music might be their damnation From the acclaimed author of Dark Star comes a literary fantasy like no other
