Mozart Don Giovanni Siepi:

Mozart's Don Giovanni Wolfgang Amadeus Mozart, Burton D. Fisher, Lorenzo Da Ponte, 2005 A comprehensive guide to Mozart's DON GIOVANNI featuring insightful and in depth Commentary and Analysis a complete newly translated Libretto with Italian English side by side and over 30 music highlight examples *The Original Portrayal of Mozart's Don Giovanni* Magnus Tessing Schneider, 2021-11-15 The Original Portrayal of Mozart's Don Giovanni offers an original reading of Mozart's and Da Ponte's opera Don Giovanni using as a lens the portrayal of the title role by its creator the baritone Luigi Bassi 1766-1825 Although Bassi was coached in the role by the composer himself his portrayal has never been studied in depth before and this book presents a large number of new sources first and second hand accounts which allows us to reconstruct his performance scene by scene The book confronts Bassi's portrayal with a study of the opera's early German reception and performance history demonstrating how Don Giovanni as we know it today was not only created by Mozart Da Ponte and Luigi Bassi but also by the early German adapters translators critics and performers who turned the title character into the arrogant and violent villain we still encounter in most of today's stage productions Incorporating discussion of dramaturgical thinking of the late Enlightenment and the difficult moral problems that the opera raises this is an important study for scholars and researchers from opera studies theatre and performance studies music history as well as conductors directors and singers *The Rough Guide to Opera* Matthew Boyden, Nick Kimberley, 2002 Sketches of opera composers opera synopses and CD reviews *Don Giovanni Captured* Richard Will, 2024-05-31 Don Giovanni Captured considers the life of a single opera engaging with the entire history of its recorded performance Mozart's opera Don Giovanni has long inspired myths about eros and masculinity Over time its performance history has revealed a growing trend toward critique an increasing effort on the part of performers and directors to highlight the violence and predatoriness of the libertine central character alongside the suffering and resilience of his female victims In Don Giovanni Captured Richard Will sets out to analyze more than a century's worth of recorded performances of the opera tracing the ways it has changed from one performance to another and from one generation to the next Will consults audio recordings starting with wax cylinders and 78s as well as video recordings including DVDs films and streaming videos As Will argues recordings and other media shape our experience of opera as much as live performance does Seen as a historical record opera recordings are also a potent reminder of the refusal of works such as Don Giovanni to sit still By choosing a work with such a rich and complex tradition of interpretation Will helps us see Don Giovanni as a standard bearer for evolving ideas about desire and power both on and off the stage *Schwann Artist Issue*, 1966 *Cue*, 1966 *The Encyclopedia of Best Films* Jay Robert Nash, 2019-10-23 This all inclusive A-Z encyclopedia by one of the world's foremost experts on cinema provides comprehensive annotations of the best films produced from 1914 on The work offers more than 5 000 three to five star entries three stars good four stars excellent five stars masterpiece and yes author Jay Robert Nash has viewed every single one of them as well as many more

that did not make the cut In addition to a precis each film's entry also includes a listing of the cast as well as the key principles involved in production from the director to the hair stylist Especially unique to this book is a rating system that helps parents determine whether or not a film is appropriate for their children Unlike the industry rating system which can be influenced by studio lobbying Nash objectively evaluates each film and confers upon it one of four recommendations for viewing recommended acceptable cautionary and unacceptable Backmatter includes a list of top films by genre i e animated drama sports mystery adventure etc as well as an annotated name index listing all persons mentioned along with their dates of birth and death Rounding out this essential volume for the film buff are over 500 still photos from the author's private collection

Fritz Reiner, Maestro and Martinet Kenneth Morgan, 2010-10-01 This award winning book now available in paperback is the first solid appraisal of the legendary career of the eminent Hungarian born conductor Fritz Reiner 1888 1963 Personally enigmatic and often described as difficult to work with he was nevertheless renowned for the

dynamic galvanization of the orchestras he led a nearly unrivaled technical ability and high professional standards Reiner's influence in the United States began in the early 1920s and lasted until his death Reiner was also deeply committed to serious music in American life especially through the promotion of new scores In Fritz Reiner Maestro and Martinet Kenneth Morgan paints a very real portrait of a man who was both his own worst enemy and one of the true titans of his profession

Annals of the Metropolitan Opera Gerald Fitzgerald, 2016-06-11 American Opera Singers and Their Recordings Clyde T. McCants, 2004-08-06 This book focuses on American opera singers and what their recordings say about their artistry It is not a book about all American opera singers since many who had important careers on stage made few if any recordings And many of those who did make recordings did so prior to the introduction of electrical recording in 1925 and the resulting advances in the reproduction of the human voice Opera enthusiasts can only imagine the sound of Farinelli's voice or read what his contemporaries have written about it but with almost any famous or near famous singer of recent years enthusiasts do not have to imagine Their voices are available through the technology of sound recording There are 53 entries one each for 52 singers and a composite entry for a group of Hollywood vocalists Each entry contains biographical information and is followed by a discography of operatic recordings to be used in conjunction with the critical commentaries The entries are in alphabetical order by the singer's last name and provide critical analyses of key recordings and of the artists' gifts and limitations *The President's Report to the Board of Regents for the Academic Year ... Financial Statement for the Fiscal Year* University of Michigan, 1981 **The Gramophone**, 2000 Billboard, 1956-01-28 In its 114th year Billboard remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends *New York Magazine*, 1979-11-26 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **The Complete Idiot's Guide to Music History** Michael Miller, 2008-07-01 A beautifully composed journey through music history Music history is a required course for all music students Unfortunately the typical music history book is dry and academic focusing on rote memorization of important composers and works This leads many to think that the topic is boring but bestselling author Michael Miller proves that isn't so This guide makes music history interesting and fun for both music students and older music lovers Covers more than Western classical music also includes non Western music and uniquely American forms such as jazz More than just names and dates puts musical developments in context with key historical events **Opera News**, 1969 *Voces (Ritmo, 1987-2000)* Gonzalo Badenes Masó, Gonzalo Badenes, 2005 Este libro reúne la totalidad de los trabajos del crítico musical

Gonzalo Badenes que se publicaron en la revista especializada Ritmo dentro de una sección que está abierta expresamente para lo y sobre un tema musical específico la voz humana El interés de estos artículos reside en varios aspectos uno de los cuales y probablemente no el menos importante es la facilidad que presenta su lectura tratándose de estudios que no evitan los perfiles técnicos de la práctica del instrumento La sabiduría del crítico se entremezcla con una afición a la música admirable y una pluma tan graciosa como profunda para exponer los vericuetos del arte canoro en sus vertientes más determinantes las condiciones y calidades naturales de cada voz la técnica precisa para convertir su utilización en vehículo de expresión sonora y la relación existente entre todo ello y la capacidad del artista cantante para crear para lo que globalmente podríamos denominar cantar Los resultados fueron siempre brillantes y no sería exagerado afirmar que en su conjunto y en su género se trata de uno de los corpus más interesantes redactados en idioma castellano La temprana desaparición de Gonzalo Badenes impidió no sólo un mayor desarrollo del mismo sino la puesta en práctica en la revista de un par de secciones relacionadas con la voz cuyas ideas motoras el autor se llevó consigo Sin la menor duda su aportación a este tipo de estudios ha sido reveladora y para muchos aficionados española fundamental

New York Magazine ,1992-10-05 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea
