On Suicide Great Writers On The Ultimate Question:

On Suicide John Miller, 1992 *Lincoln's Melancholy* Joshua Wolf Shenk, 2006-10-02 A nuanced psychological portrait of Abraham Lincoln that finds his legendary political strengths rooted in his most personal struggles Giving shape to the deep depression that pervaded Lincoln's adult life Joshua Wolf Shenk's *Lincoln's Melancholy* reveals how this illness influenced both the President's character and his leadership Mired in personal suffering as a young man Lincoln forged a hard path toward mental health Shenk draws on seven years of research from historical record interviews with Lincoln scholars and contemporary research on depression to understand the nature of Lincoln's unhappiness In the process Shenk discovers that the President's coping strategies among them a rich sense of humor and a tendency toward quiet reflection ultimately helped him to lead the nation through its greatest turmoil A New York Times Book Review Editors Choice SELECTED AS A BEST BOOK OF THE YEAR Washington Post Book World Atlanta Journal Constitution St Louis Post Dispatch Pittsburgh Post Gazette As Featured on the History Channel documentary *Lincoln* Fresh fascinating provocative Sanford D Horwitt San Francisco Chronicle Some extremely beautiful prose and fine political rhetoric and leaves one feeling close to Lincoln a considerable accomplishment Andrew Solomon New York Magazine A profoundly human and psychologically important examination of the melancholy that so pervaded Lincoln's life Kay Redfield Jamison Ph D author of *An Unquiet Mind* **A Chosen Death** Lonny Shavelson, 1995 Featuring moving accounts of terminally ill people who have faced the choice of ending their own lives this book adds a profound human dimension to the debate over assisted suicide **No Time to Say Goodbye** Carla Fine, 2011-05-11 Suicide would appear to be the last taboo Even incest is now discussed freely in popular media but the suicide of a loved one is still an act most people are unable to talk about or even admit to their closest family or friends This is just one of the many painful and paralyzing truths author Carla Fine discovered when her husband a successful young physician took his own life in December 1989 And being unable to speak openly and honestly about the cause of her pain made it all the more difficult for her to survive With *No Time to Say Goodbye* she brings suicide survival from the darkness into light speaking frankly about the overwhelming feelings of confusion guilt shame anger and loneliness that are shared by all survivors Fine draws on her own experience and on conversations with many other survivors as well as on the knowledge of counselors and mental health professionals She offers a strong helping hand and invaluable guidance to the vast numbers of family and friends who are left behind by the more than thirty thousand people who commit suicide each year struggling to make sense of an act that seems to them senseless and to pick up the pieces of their own shattered lives And perhaps most important for the first time in any book she allows survivors to see that they are not alone in their feelings of grief and despair *Cliffs of Despair* Tom Hunt, 2007-12-18 Beachy Head is a bit of quintessential England a seaside promontory where green pastures roll to the edge of chalk cliffs a place of sheep and wind and ineffable beauty But it is also a major landmark on the map of self-inflicted death Since 1965 some five hundred people have ended their lives by jumping

or driving or simply walking off the 535 foot cliffs making Beachy Head one of the most popular suicide spots in the world And still they come every week another one or two the young and the old the terminally ill and the vigorously healthy the bereft the insane the despairing Why here Why so many One chilly English spring American writer and teacher Tom Hunt left his home and family and journeyed to this bucolic landscape to find out In a narrative that seamlessly weaves together personal memoir history travelogue and investigative journalism Hunt recounts a season of disturbing revelations including that Princess Diana allegedly came here intending to jump Still reeling from a suicide in his own family Hunt arrives in England obsessed with Beachy Head s grisly mystique yet utterly unsure of what he would discover Gradually with typical English reserve the people who haunt this extraordinary place release their secrets Servers in the local tavern known among residents as the Last Stop Pub whisper about their encounters with hollow eyed men and women in their final hours The celebrated local witch asserts his belief that the place was once used for human sacrifice The kindly coroner provides access to suicide notes photographs and the Sudden Death file It s a very cold solution confides a wheelchair bound ex hippie who miraculously survived his own jump In the course of wrenching interviews with bereft family members watchful taxi drivers and brave rescue workers it dawns on Hunt that in each of us is a will to die every bit as tenacious and unyielding as the desire to live and that Beachy Head stiffens and heightens this death wish It s a stage that all but begs to be leapt from A work of terrible sadness and harrowing revelations Cliffs of Despair is the account of an unforgettable journey to a place where beauty and death collide
